

FIRE AT BROODER HOUSE DISASTROUS

Honor Roll Pupils for Middle Grove School Told; McFarlane ill

MIDDLE GROVE, May 1. — Fred Scharf will finish this week reseeded about 500 acres of grain which was killed during the cold winter.

Mrs. Anna Hammer narrowly escaped being severely burned Thursday when straw near a brooder in a small brooder house caught fire, smothering 23 little chickens, ruining the brooder and breaking most of the glass out of the windows of the building.

Mr. and Mrs. William English who have been residents of this community for 15 years, have traded their home here to a Mr.

Smith and family from near Stayton.

Those on the honor roll in the advanced room this month are: Eighth grade, Elaine Edwards, Gertrude Steinke, Margaret Baker, Norman McAlister, David Bartruff and Charles Bangert; seventh, Helen Fortson, Osborne Allison and Harry Scharf; sixth, Mary Barker and Murray Dow; fifth, Grace Steinke and Melvin Eggels.

William McFarlane, who has been a resident of this community for some time, is in a very critical condition at a local hospital, having undergone a major operation about 10 days ago. He is a brother of Mrs. Edna Long.

Alex Steinke has moved a small building from the Barnes place to his place beside the gas station, which he plans to make into a confectionery store.

A \$5,000 car but I saved 20% on my tires

WHETHER I buy cars or tires I want the best. And when I can get the best and still save money—great! Here's what I mean. I discovered that Riversides are made by the same company that makes one of America's 4 leading brands. They're exactly the same—same materials, same workmen, same specifications. They differ in trademark and price. What's more Riversides are guaranteed to give absolute satisfaction. When I heard that, I put them on my Cadillac and I've been using them ever since. That saving of 20% bought a lot of things I needed. No tire salesman will ever get me to pay extra for other tires again. I'm married to Riversides.
