

Bearcats Lose to Pacific in Aquatic Meet on Track

SWEET TWO OF DISTANCE RUNS

Score 75 1/2-55 1/2 but W. U. Winner in six Events, Ties in Another

Willamette university's track team was impressive in the distance runs and in some of the field events, but lost to Pacific university 75 1/2 to 55 1/2 in a steady torrent of rain that made a travesty of the meet at Forest Grove Wednesday. Jumping and vaulting were all but impossible, Coach Vernon Gilmore reported. Willamette took six first places and tied for another while Pacific won seven first places and tied for one. Pacific mopped up a majority of seconds and thirds, but the meet might have been closer had not one of the Bearcat relay entries become ill.

The Bearcats swept both the mile and the two mile, but Pacific took all places in the high hurdles, and all but one point in the two dashes. Saturday the Willamette team will hold a dual meet with Linfield at McMinnville, and a week from Saturday will engage in the Northwest conference at Forest Grove.

HURDLE STAR

Hurdlers from all over Oregon are watching with a certain degree of nervousness the performance of Ken Filsinger of Salem high, who qualified in the district meet here last week to enter both high and low sticks at the state interscholastic meet which will be held at Eugene Saturday. His time in both events has been exceptional, perhaps a little better in the lows than in the highs.

VOLLEY CHAMPIONS BEAT PORTLANDERS

Salem's northwest champion Y. M. C. A. volleyball team proved that the honor was well deserved when it defeated Portland four games out of five on the court here Wednesday night. Purpose of the exhibition contests was to raise funds to help defray cost of the Salem team's trip to Oakland for the coast tournament. Portland won the first game 15-12. It may be that the Portland boys had broken training after the recent tourney at Seattle; at any rate they looked demoralized as Salem swept the next three, 15-3, 15-7, 15-8. The visitors came back and took the lead in the fifth game, but were nosed out 15-12.

ALBANY SQUAD COMING TODAY

Bearcats Have to Play, for Division Championship Must be Settled

One more of Willamette university's baseball games was postponed on account of rain Wednesday, but there is one scheduled for today which will be played in any kind of weather short of a cloudburst or snowstorm. Coach "Spec" Keene said last night. This is the twice-postponed return game here with Albany college, and it will start at 3:30 p.m. Being a Northwest conference game, it just has to be played, and there are only nine more weeks days in which three conference games must be managed somehow by the Bearcats.

The other two are with Linfield, and as a result of Tuesday's split double with Pacific, Willamette will have to take both of them and also the game today with Albany, to win the western division championship on which the Bearcats have had a monopoly for the last four years. The reason the division race must be decided by the end of next week is that the inter-division series at Walla Walla is to start the following Monday, May 29. It will be a three-game series. Whitman has already won the eastern division title.

Willamette's opponent of Albany easily in the first game, but may face a different situation today, especially if Dowling does the pitching. The former Alco outfielder has been doing some tight hurling in recent games. Postponement of the game with Oregon at Eugene Wednesday, probably means that the Webfoot will be met only once this season, here next week. Tomorrow the Bearcats go to McMinnville, Linfield coming here for the return game Monday.

HUBBARD IS WINNER HUBBARD, May 17. In a return game, Hubbard high won a baseball game played at St. Paul from that team by a score of 7 to 4. Hubbard also won a game from St. Paul last week, making it two straight wins for Hubbard.

Ike Wolfer's Federals is New Name of Team Coming Sunday For League Opener

Ike Wolfer's Federals will be the name of the baseball team which faces the Salem Senators here in the opening game of the Oregon State league next Sunday. This team was formerly known as the West Side Babes. Wolfer who is an ex-professional player and who is well known in Salem, was much interested in Ray Brooks' youngsters last season and has outfitted them with complete new equipment. Wolfer who was one of the greatest outfielders in the Coast league several years ago, has been working out with the youngsters and may play an outfield position in Sunday's game. L. H. Gregory, sports editor of the Oregonian, who is also interested in the youngsters, plans on making the trip to watch the opposing pitchers work. He is interested in Delbert Wilson and Ed Demorest who are slated to pitch the game.

CURT COMMENTS

Still and all, we prefer this weather to tornadoes and earthquakes. And it that doesn't convince you, think of poor Klamath Falls, which continues to have its daily snowstorms. Frisco Edwards picked a poor year to move, though we hear he is doing quite well down there, thank you, with a Legion Junior team and a town team and worlds of support for both. The Salem high baseball team is scheduled to visit Albany today, but we wouldn't bet on it. They called off that game Tuesday when it wasn't raining much here. Chemawa is slated to come here next Tuesday. Quite a compact little track team Vernon Gilmore will take to Eugene for the state meet Saturday — They leave Friday to take in the Oregon - O. S. C.

ROOKIE HANDCUFFS PHILLIES FOR WIN

PITTSBURGH, May 17.—(AP)—Harold Smith, Rookie right-handed pitcher, held the Phillies to two hits after French had been knocked for four runs in the second inning to give the Pirates their third straight victory today. The score was 6 to 4. Philadelphia 4 11 1 Pittsburgh 6 13 0 Beryl, Collins and Davis; French, Smith and Padden.

Bowman Hot; Solons Lose To Portland

SACRAMENTO, Calif., May 17.—(AP)—Joe Bowman kept Sacramento guessing tonight and being poor guessers, the Senators were able to find him for but one run to lose the second game of the series to Portland 7 to 1. Bowman whiffed 10 batters, and was deprived of a shutout on a single and double in the seventh after two were out. Lauri Vincini, who was running a shut-out streak last week, was knocked out of the box for the second straight time. Shoenly and Blackerby connected for four hits each. Portland 7 16 1 Sacramento 1 11 1 Bowman and Shoenly; Vincini and Woodall.

SOLONS ALL ALONE NEXT TO YANKEES

WASHINGTON, May 17.—(AP)—Washington today handed Cleveland and Westley Ferrell a 3 to 2 defeat to take undisputed possession of second place in the American league. Cleveland 2 8 1 Washington 3 10 0 Ferrell and Myatt; Crowder and Sewell.

DALLAS HIGH TRACK TEAM WINS HONORS

DALLAS, May 17.—Dallas high school's track team has won honors in two meets during the past two weeks, coming in second in the three way meet at Albany and scoring 18 1/2 points at Corvallis last week. The next meet for the locals will be held here Saturday, May 20, when Dallas will meet some of the smaller schools in Polk county. At the district meet at Corvallis, Dallas captured three first places, tied for first in another event, and took third place in the relay. Bill Cadle won in the discus with a throw of 197 feet 7 inches. Burrell Webb won the 440 in 56.2 seconds, and Bob MacMillan took first in the 220 low hurdles in 28.3 seconds. Dean Cadle tied for
