to enjoy these crisp, nourishing cereals

Don't put it off. Begin today. Your own grocer has a complete stock of Kellogg's Cereals. Made of wheat, corn and rice. Fresh in a form you like. Flaked. Shredded. Toasted. There is variety to please every one.

Try Kellogg's Cereals. Buy several packages of your favorite. Enjoy them often. Breakfast, lunch or supper. Wonderful with milk or cream. Add fruits or berries for extra goodness. Kellogg's Cereals are always oven-fresh in the patented WAXTITE bag. Made by Kellogg in Battle Creek.

INTERESTING FACTS

The Kellogg Company uses 20,000 bushels of corn every day. An entire year's yield from 675 acres!

6500 bushels of wheat are made into Kellogg's Cereals every day. Equals the yearly yield from 450 acres.

Every week the Kellogg Company uses as much bran as could be raised on 9600 acres of wheat.

Kellogg's Cereals are responsible for the use of 2,500,000 quarts of milk and cream every day.

Hundreds of tons of fresh fruits and berries are eaten with Kellogg's Cereals.

SPECIAL NOTICE!

FROM OUR PURCHASING DEPARTMENT

TE believe in being fair with the public. Wholesale commodity prices have gone up, but we have held our prices down because we bought before the advance. Now, our low-priced stocks are nearly depleted and we do not know how much longer we can advertise such pre-inflation prices as we are quoting here: Therefore, we urge you to stock up this week-end to the full capacity of your pantry shelves.
