NU BORA is a refined soap blended with pure borax. It makes clothes clean, sweet, and white because its borax content softens the hardest water and makes fast, creamy suds that last. Use NU BORA for fine fabrics, dishes and laundry. NU BORA cleans quickly and easily and makes 50% more suds than light weight puffed-up soaps even in the hardest water—yet it is as tender to your hands as it is to the delicate colors of your finest fabrics.
