

Wolfer's Federals Come Today for State League Opener

Five New Records set as Washington Wins State High School Meet

PORTSIDERS TO VIE UPON HILL

Solons in Same League as Previous Year, First Time Since 1926

This afternoon at 2:30 o'clock the Salem Senators will break a record. They will start play for the second consecutive year in the same league, or the first time in seven years or more. The effort which won their allegiance two years in succession in the Oregon State League, an organization in which the younger ball players are avowedly "given a break."

Practically all of the Senators are local boys just out of high school or college or still students—one still a high school student. And the same in general is true of Ike Wolfer's Federals, formerly known as the West Side Babes and last year's champions, who will furnish the opposition today. Though the renowned Wolfer is sponsoring the team, it is still under the command of Ray Brooks.

None of the time-honored "opening ceremonies" have been arranged, but additional interest is lent to the contest by the list of prizes hung up by local merchants for the home players; 20 prizes in all at latest report with more merchants threatening to join the crowd. The game will have all the modern inventions to supplement it, including the loud speaker, to be presided over by Gardner Knapp, the equipment being furnished by the Cherry City Baking company.

This opening game is to be a battle of southpaws, for "Squeak" Wilson of the Senators will be opposed on the mound by Ed Demorest, of Legion Junior fame. Demorest held Hood River hitless and scoreless several Sundays ago.

Manager Frank "Burry" Bashor of the Senators has announced his batting order as follows: Foreman, 1st; Adams, 1b; Keber, 2b; Seales, cf; Gibson, ss; Mason, 3b; Colgan, rf; Bashor, c; Wilson, p.

WEST, THE EX-SENATOR, HAS FLASHED SOME GREAT SLUGGING THIS SPRING FOR THE BROWNS!

IT is a well-known fact in baseball circles that a change in surroundings will often cause a big improvement in a player, and this spring has furnished several noteworthy examples of the beneficial effects of being traded to new pastures.

In the American League the early season batting sensations have been none other than Sammy West of the Browns and Fred Schulte of the Senators, both leading figures in the Washington-St. Louis trade of last winter. Since changing their uniforms both West and Schulte have played far better ball than they exhibited in their old surroundings; and while nobody expects them to keep up their early spring pace, it is nevertheless undeniable that the shift has been a tonic for the boys so far.

In the National League there is the noteworthy case of Owen Carroll, who was pretty much of a bust with the Reds last year, and who has now blossomed out as one of Brooklyn's most dependable hurling aces. A change of scenery has certainly seemed to work wonders with the erstwhile Holy Cross marvel, who has come through splendidly this spring for Max Carey.

The West-Schulte exchange seems to have turned out well for both Washington and St. Louis. Lots of critics shook their heads when Clark Griffith let the speedy West go to the Browns, but Schulte's sensational slugging has vindicated the judgment of the Senators' Silver Fox.

Manager Cronin has pointed out that one of the reasons why the Senators had to let West go was because they needed a right-handed hitter to lessen the hold that southpaw hurlers have exerted upon the

SCHOOL TAX UP AT ELECTION MONDAY

DALLAS, May 20.—Members of the Dallas school board have called a special election for Monday, May 22, to vote on the proposed levy for the local school for 1933-34. The amount to be voted upon is \$12,229, the amount asked for in the budget above the 6 per cent limitation. This special election will be held in the junior high school building from 2 until 7 p. m.

The special election was called by the board in order that a definite decision could be reached regarding the budget before the board grants teachers contracts for the following year.

Expenditures called for in the proposed budget amount to \$68,595, of which \$34,725 comes from sources other than direct tax and \$33,870 from a direct tax. According to the 6 per cent limitation, the board can only levy a tax of \$21,640.04 without a vote of the taxpayers. This leaves a balance of \$12,229.94 to be submitted at the election.
