SILVERTON, June 1 — Iris Gardens of Dr. R. E. Kleinsorge and Rholin Cooley have been the mecca of many flower lovers both from Silvertown and surrounding cities during the past few days. Sheep's Wind Comes Easier Too, We Bet

DALLAS, June 1 — Sheep men in this vicinity breathed somewhat easier Wednesday when it became known that two yearling cougars had been killed on the Roy Newbill farm near Wallace bridge. A party consisting of Wes Lady and Clarence Wright of Sheridan, Alan and Hubert Dunn of Dallas, and New bill killed one. The second yearling was treed several times before it was captured. This cat was taken alive but died several hours later from the cuts received when the dogs attacked it. The two yearlings have been working in that vicinity for the past winter and have killed 45 lambs in that time. An old female cat and several of this year's cubs are still in the hills near Wallace Bridge but have not been located. Both the cats killed Tuesday measured five feet from tip to tip.

The group was accompanied by a number of men who had lost sheep who assisted in the chase but did not participate in the killing of the cats. The party had four hounds with them belonging to Lady and Alan Dunn.

Irwin is Winner In Mortgage Suit Over Dallas Store

DALLAS, June 1 — Judge Arlio Walker handed down a decision here Wednesday in the case of the McKesson Pacific Drug company vs. Andrew Irwin Jr., in favor of the defendant. The plaintiff was seeking to have a chattel mortgage held by Irwin against the Stajin drug store here set aside in favor of their own claim against the store. The store was placed in the hands of a receiver some two months ago and has been operated by him since then. In his decision, Judge Walker stated that he believed the mortgage held by Irwin to be valid and that he saw no reason for setting it aside. It is expected that Irwin will resume operation of the drug store within a few days.
