

OLD GRADS FROLIC AT REUNION DINNER

MT. ANGEL, June 8 — The halls of Mt. Angel academy resounded with mirth and happy talk Tuesday night when the old grads gathered to renew old friendships and to welcome into

the alumnae association the 28 graduates of 1933. Theresa Dehler, one of the vice presidents of the association gave the address of welcome, after which a short entertainment, consisting of humorous songs and a mock awarding of degrees and diplomas was given by some of the former students. The alumnae then proceeded to the dining hall for the banquet.

Father Alcui was toastmaster and called for speeches from Mrs. John W. Ebner, of the first grad-

uating class in 1893, Mary Soolard, president of the alumnae association, and Robert Koppert, director of the school, and Inga Goplerud, of Silverton, normal graduate of 1933.

NEW POST

O. S. C. ENGINEERS HEADED FOR FAIR

An orange painted bus with black lettering to announce it was from Oregon State college, passed through Salem Wednesday morning. It carried 18 college men, students in agricultural engineering, who are going to attend the national convention of agricultural engineers and visit the world's fair at Chicago. W. J. Gilmore, head of the department at the state college, and Clyde Walker, associate professor, have charge of the party.

The trip is a self-financed journey, yet is costing each man only \$10 cash. A year ago the students rented land, raised corn and sold it, clearing some \$300. Some farm equipment manufacturers made contributions to the fund.

Various implement factories in the middle west will be visited. Literature advertising Oregon and its educational advantages will be handed out. Manager C. E. Wilson of the Salem chamber of commerce gave the men copies of "Come to Oregon" for distribution.

One of the students in the party is Everett Davis, noted as end in football at O. S. C. and guard on the basketball team.

ALUMNI DINE, ELECT PERRYDALE, June 8 — The Perrydale high school alumni held

the annual picnic and basket dinner Sunday in the gymnasium. At one o'clock dinner was served, after which a program was enjoyed. Following the program, election of officers for the coming year were elected. Those chosen were Dan Van Otten, president; Percy Zumwalt, vice president; Viola Houk, secretary.

The loganberry crop will probably be ready for harvest early in July.
