

### ROADS IMPROVED BY FOREST CORPS

#### North Santiam, Breitenbush Vicinities Scenes of C. C. C. Activity

Since the old Santiam forest is now part of the Willamette forest with headquarters in Eugene, news reports of activities in the forest usually emanate from that city. Regarding the work of the new civilian camps which have been moved into the forest in the Santiam river region, the Eugene Register-Guard reports their activities as follows:

"One crew is working on the Elk Horn road on the north fork of the Santiam river where a number of tarmouts are being built and grades are being reduced. Several bridges will also be repaired. Another crew is extending the road up the little north fork of the Santiam over the Battle Axe mountain summit to Elk lake.

"Crews from the Breitenbush camp are working on the Elk lake motor way which will hook up with the road being built over Battle Axe summit. Another crew is beginning work on the Breitenbush springs road, taking it to the junction of the Olallie road. Out of that camp and the Mary creek camp a trail maintenance work is being carried on and a lot of snag falling is being done.

"Men out of the Quartzville camp are working on the Quartzville road which leads to the mining district in that section. The district is now quite active and the new road will provide much better transportation than at present."

### HURT IN ASSASSIN'S ATTEMPT

A recent photo of former Premier Eleutherios Venizelos of Greece and his wife, who were fired upon by assassins near Athens while riding in their automobile. The ex-Premier was cut by flying glass from the car windows and Mrs. Venizelos was seriously wounded by a bullet.

### MRS. O. F. JOHNSON CALLED BY DEATH

#### Pneumonia Complication Is Cause; Funeral Plans Not yet Complete

Mrs. Modjeska Hutchens Johnson, 26, wife of O. F. Johnson of this city, died suddenly at 2 p. m. Tuesday at the family home, 125 West Lincoln street, from a heart relapse following pneumonia. She has been ill for nine days but physicians thought Sunday the crisis was past.

Funeral services had not been arranged last night pending arrival here of Mr. and Mrs. William E. Hutchens of Marion, Ohio, who were to start west at once if Mrs. Johnson were severely shocked by the news, could make the trip. The body is at Rigdon's.

Mr. and Mrs. Johnson came to Salem five years ago when he made substantial investments here and later entered the retail business. Their former home had been in Minot, South Dakota.

Mrs. Johnson leaves besides her husband, three children, Marjorie Ann, 13, John Hutchens, 9, Elizabeth Jane, 2. Her parents survive her as does R. F. Greening, brother-in-law of Mrs. Johnson who makes his home here.

Mrs. Johnson had been under great strain during the past year. Her sister, Mrs. Marjorie Greening died January 26, 1933, after a protracted illness and Mr. Johnson's brother, Carl Johnson of Eugene and Portland, was killed in an auto accident October 24, 1932, near San Antonio, Texas.

During her residence in Salem she had made many friends who were shocked yesterday by her sudden demise.

### THRONES GO BEGGING AS CUPID TRIUMPHS

Two direct heirs to vacant European thrones have recently traded their royal rights for love. Prince Wilhelm of Prussia married his commoner sweetheart, Dorothea von Salfviti, at Bonn, Germany, the other day. Now Prince Alfonso of the Asturias, son of ex-King Alfonso of Spain, has filed notice in Lausanne, Switzerland, of his intention to wed Senorita Elisarda Sampedro y Robato, Havana, Cuba, society girl. The ex-Kaiser, displeased with Prince Wilhelm's choice, forbade any members of the Hohenzollern family from attending his eldest grandson's wedding, and former King Alfonso is reported "unhappy" about his heir's forthcoming marriage.

### FLAG DAY PROGRAM IS SLATED TONIGHT

#### National President of War Mothers Will Attend Elks' Observance

Following out a grand lodge statute adopted in 1908 the Salem Elks lodge has prepared a program in celebration of Flag day to be held in Willson park tonight, starting at 8 p. m. The lodge, through a statement by Warren Jones, exalted ruler, invites the people of the community to join in celebrating the historic event of the birth of the flag.

In explaining the participation of the lodge in the celebration, Jones states: "By grand lodge statute adopted in 1908 it was made mandatory upon each lodge of Elks to observe Flag day on June 14 of each year. Thus the order of Elks was the first and is still the only fraternal organization which formally celebrates the birthday of our flag. It is important that we keep ever present in our mind the history of 'Old Glory' and all that it represents."

The program has been arranged as follows: "America," Elks' band. Introductory exercises, exalted ruler. Prayers, by chaplain. Champion American Legion drum corps.

"Radio Waves," march, Jewell Elks band. Introduction of special guest, Mrs. Lenore Harnsberger Stone, national president of War Mothers.

"Gems of Stephen Foster," Tobin Elks band. "Stars and Stripes forever," Elks band. Address, Dr. P. O. Riley. "Star Spangled Banner," Elks band.

Brazil has placed the maximum interest rate at 12 per cent. Japan now has nearly 800 active labor unions.

### JUNIOR ORCHESTRA CONCERT PLEASING

(Continued from page 1)

ing children who have had private training and giving them ensemble experience for graduation into the principal orchestra. Several of the players in the senior orchestra assisted last night to complete the roster. The personnel of the preparatory orchestra was:

### Slight Gain in Building Noted Early in Week

A slight pickup in building operations is evidenced in building permits issued here the first two days of the present week. To date four permits for new construction and six for repairs and alterations, costing \$2225 altogether, have been taken out at the building inspector's office. Permits for all of last week totalled \$2536. Paul Hardy yesterday took out the second permit of the month for erection of a house, this one, at 1875 Perry street, to cost \$1200.

### Olinger Field to Be Improved is Board's Decision

Expenditure of from \$400 to \$600 annually for improvements at Olinger athletic field was made possible last night when the school board on the motion of Director F. E. Neer decided to set aside for this purpose all income derived from rental of the field. This income includes \$15 or more from baseball games, and from \$200 to \$600 from circuses. In past years improvements to the field have largely been made only by athletic organizations using it.

### Economy, But Not Too Much Favored by Most of School Board Candidates, Learned

Asked yesterday for his platform in the school board race, which will end with the school election June 19, Dr. H. H. Olinger, present chairman and candidate for re-election, stated: "I'll stand on my record. If the people want me to, I'll serve another term."

Dr. Olinger has served four terms and part of another on the board, or slightly over 12 years. He is generally conceded to be one of the best informed persons in the district concerning school affairs, and finances in particular. In his capacity as chairman of the board, he has overseen re-arrangements in the budget the past two years and in the tentative one for 1933-34.

"Economy to a certain point" is favored by Mrs. Frank H. Spears, another school board candidate and one who is said to have the support of the younger citizens who last year sponsored the candidacy of Kenneth C. Perry.

"It is false economy when we get past giving the best in education to our children," Mrs. Spears said. "We should economize as much as possible without injuring our schools. I believe art, band and the other so-called 'frills' give our children advantages we didn't have."

As a businessman, Walter B. Minier, stated: "If elected school director, I shall give the schools to the best of my ability a business administration. I believe in maintaining the schools as best we can, yet economically, not crippling them."

Mr. Minier is a native of Marion county and attended Salem schools, as did Mrs. Spears. He was for 10 years connected with the United States national bank and since 1922 has engaged in the abstracting business. He is active in parent-teacher work at Leslie junior high school. A comparative newcomer, but the only candidate besides Dr. Olinger who has served on a school board, is E. A. Bradford, candidate from the Hollywood district. He advocates that "economy be practiced so far as can be without injuring the schools."

Before coming to Salem eight years ago, he served one term on the Pocatello, Ida., school board. He is a member of the Hollywood Community club. Fred A. Legge's policy, if elected, will be "retrenchment wherever possible within reason."

Mr. Legge declared, "I will stand firmly by our teachers and give them my hearty support. I will not ask them to accept a lower wage than they can afford to accept. I believe that other means can be devised to lower our taxes without taking it out of the teachers' pay."

While Mr. Legge declined to reveal how he believed further retrenchment could be achieved in the school district's budget, he answered, "It is apparent that our tax levy during the last five years has more than doubled what it was 20 years ago and the enrollment has only increased a little over 40 per cent." He already has plans formulated for school tax reduction and for payment of its fixed obligations as well, he said.

Mr. Legge was architect for several of the Salem school buildings during the past 25 years.

### THROUG TURN OUT FOR CHORUS EVENT

(Continued from page 1)

cycle all combined for an excellent mixed chorus. The Salem Madrigal club is without doubt a beautiful credit to Salem. A chorus of women's voices offers difficulty in achieving balance so that each part may stand alone with strength and beauty and then be combined into a well blended whole. Prof. Hobson is fast achieving that goal with this singing organization.

The Civic Male chorus has for some time been a joy to the city and it proved itself no less of one in its offerings Tuesday night. It is still growing in precision and with each concert greater possibilities are perceived by the critical listener, and for the uncritical there is splendid musical delight in its every concert.

Mrs. Kenneth Rich as accompanist for the group Tuesday night, gave commendable support.

### CLAUDE WATERS IS SUMMONED BEYOND

SILVERTON, June 13.—Claude Waters, 54, resident of Silverton since 1912, died at the Silverton hospital this afternoon. Funeral arrangements, in charge of the Ekman mortuary, have not been completed.

Born in Norton county, Kansas, July 12, 1879, Claude Waters came to Oregon at the age of 12 with his parents, Mr. and Mrs. John Waters who settled in the Stayton vicinity. Later he went to eastern Oregon and returned here 21 years ago.

He was never married. He is survived by five sisters, Mrs. Myrtle D. Young of Lebanon, Mrs. Alta Runyan of Pendleton, Mrs. Nellie McLean of Stayton, Mrs. Minna Mitchell of Cottonwood, Ida., and Mrs. Dean Jackson, Detroit. Two brothers, Arthur in Mexico and Lee of Pendleton; seven nieces and three nephews.

### 6 POLICEMEN TAKE PROMOTION EXAMS

Six city policemen will prepare for future promotions at 2:30 o'clock this afternoon when they go before Alderman O. A. Olson, special examiner for the civil service commission, and take the comprehensive promotion examination. Names of the successful applicants will be placed on the promotion list from which vacancies in the commissioned personnel will be filled.

Subjects for the examination will be spelling, mathematics, legal terms and their definition, geography of the city, law of arrest, practical questions and duties, ordinances regarding police and traffic regulations.

Signed up for the exam are Patrolmen Harry Smart, Don Nicholson, C. A. Kuykendall, Louis Burgess, Walter Kestley and Atlee Wintersteen.

### GENE GOSSER FOUND GUILTY, FINED \$50

Jury sitting in justice court yesterday in case of Gene Gosser, found the defendant guilty of assault and battery. The court levied a \$50 fine and costs, which Gosser was unable to pay, so is serving the fine out in the county jail.

Herbert Martin, private prosecutor, testified that Gosser entered another's property and demanded use of a house, upon refusal of which Gosser called Martin vile names and attempted to start a fight. Gosser denied picking the fight. Martin claimed he would not scrap over the matter pending a forcible detainer suit which is pending.
