SILVERTON AWARDED FIRST AT FESTIVAL

SILVERTON, June 14 — Silvertion citizens were rejoicing to learn that the first newspaper report giving Silvertion school band third place in the Rose Festival band contest in the parade, were incorrect and that Silvertion placed first in her division, making the fourth successive victory for the Silvertion band of which Hal Campbell is director.

The local band was awarded the highest points given for music of any school band irrespective of grade or size of city. The highest score was necessary to win since uniforms, equipment and parade concomitant played an important part in the awarding of the prizes and these accessories are not in the possession of the local school band. After the floral parade at Portland Friday Hal Campbell, director, and his son Bruce, who acted as drum-major during the parade, were the guests of the Floral parade committee at a banquet given at the old Heathman hotel to representatives of the organizations participating in the parade.

Campbell Forming Community Band in Silvertion Area

SILVERTON, June 14 — A Silvertion community band has been formed under the direction of Hal Campbell who has been director of the Silvertion school band for the past few years.

The personnel will consist of the members of the original school organization now graduated, and a few of the more advanced players from the school band. Adult players from Silvertion and Mount Angel are also being invited to join the new organization.

The first appearance of the new organization will probably be at the Molalla Round-up where it has been invited to participate.

ALLUVIAL HOP FARM UNDERGOES REPAIRS

Three new Kilns Being Built; Power Extension to Bottoms Talked

INDEPENDENCE, June 14 — Three 32-foot hop kilns are in the process of construction at the Alluvial ranch southeast of Independence. The houses are to be the modern type, with motor driven fans. In addition to the kilns a large dairy barn is being remodeled into a store room. Charles Moyer is directing the work.

Other improvements on the place have been made, the dwelling house was remodeled and wired for lights; a series of new camp houses is being constructed; and a vigorous plan of camp improvement is being carried on.

The Mountain States Power company's line is to be extended from the Sloper Bros. ranch, and will in this way provide service for A. J. Haener and the Werline estate ranch. Another power line extension will lead to the bottom lands northeast of Independence. In anticipation of this Mrs. W. H. Walker is having two 34-foot kilns built on her ranch. There will be power driven fans, and large store room. These kilns will replace obsolete ones. Homer Wood is in charge of construction.

Negotiations are underway for the extension of the Mountain States Power company line to the Walker & Walker ranches on the Marion county side of the river. Officials of the company from Albany have been here conferring with the interested persons, which in addition to the

Dan Cupid Steals March to Surprise Group Surprisers

INDEPENDENCE, June 14—And they turned the tables!

Saturday night a group of young folks got up a surprise party complimenting Carmel L. Osmundson and Sylvester W. Taylor on their coming wedding June 15. In some way the young couple got an inkling of the party and decided to reverse surprises.

So when the young folks went to the Osmundson home to yell out "surprise," they found Rev. Aschenbrenner reading the simple service that made the young couple man and wife. And were the surprising folks surprised! Carmel was one of the graduating class of this year.

Walkers includes Virgil DeCoster, J. C. Collins and others. There are a number of smaller growers on the Marion side of the river who would like to have electric service, making it possible that such an extension would develop considerable power business.
