

Announcing Now the Most Important Clothing Event Ever Offered the People of Salem & Willamette Valley

MEN!

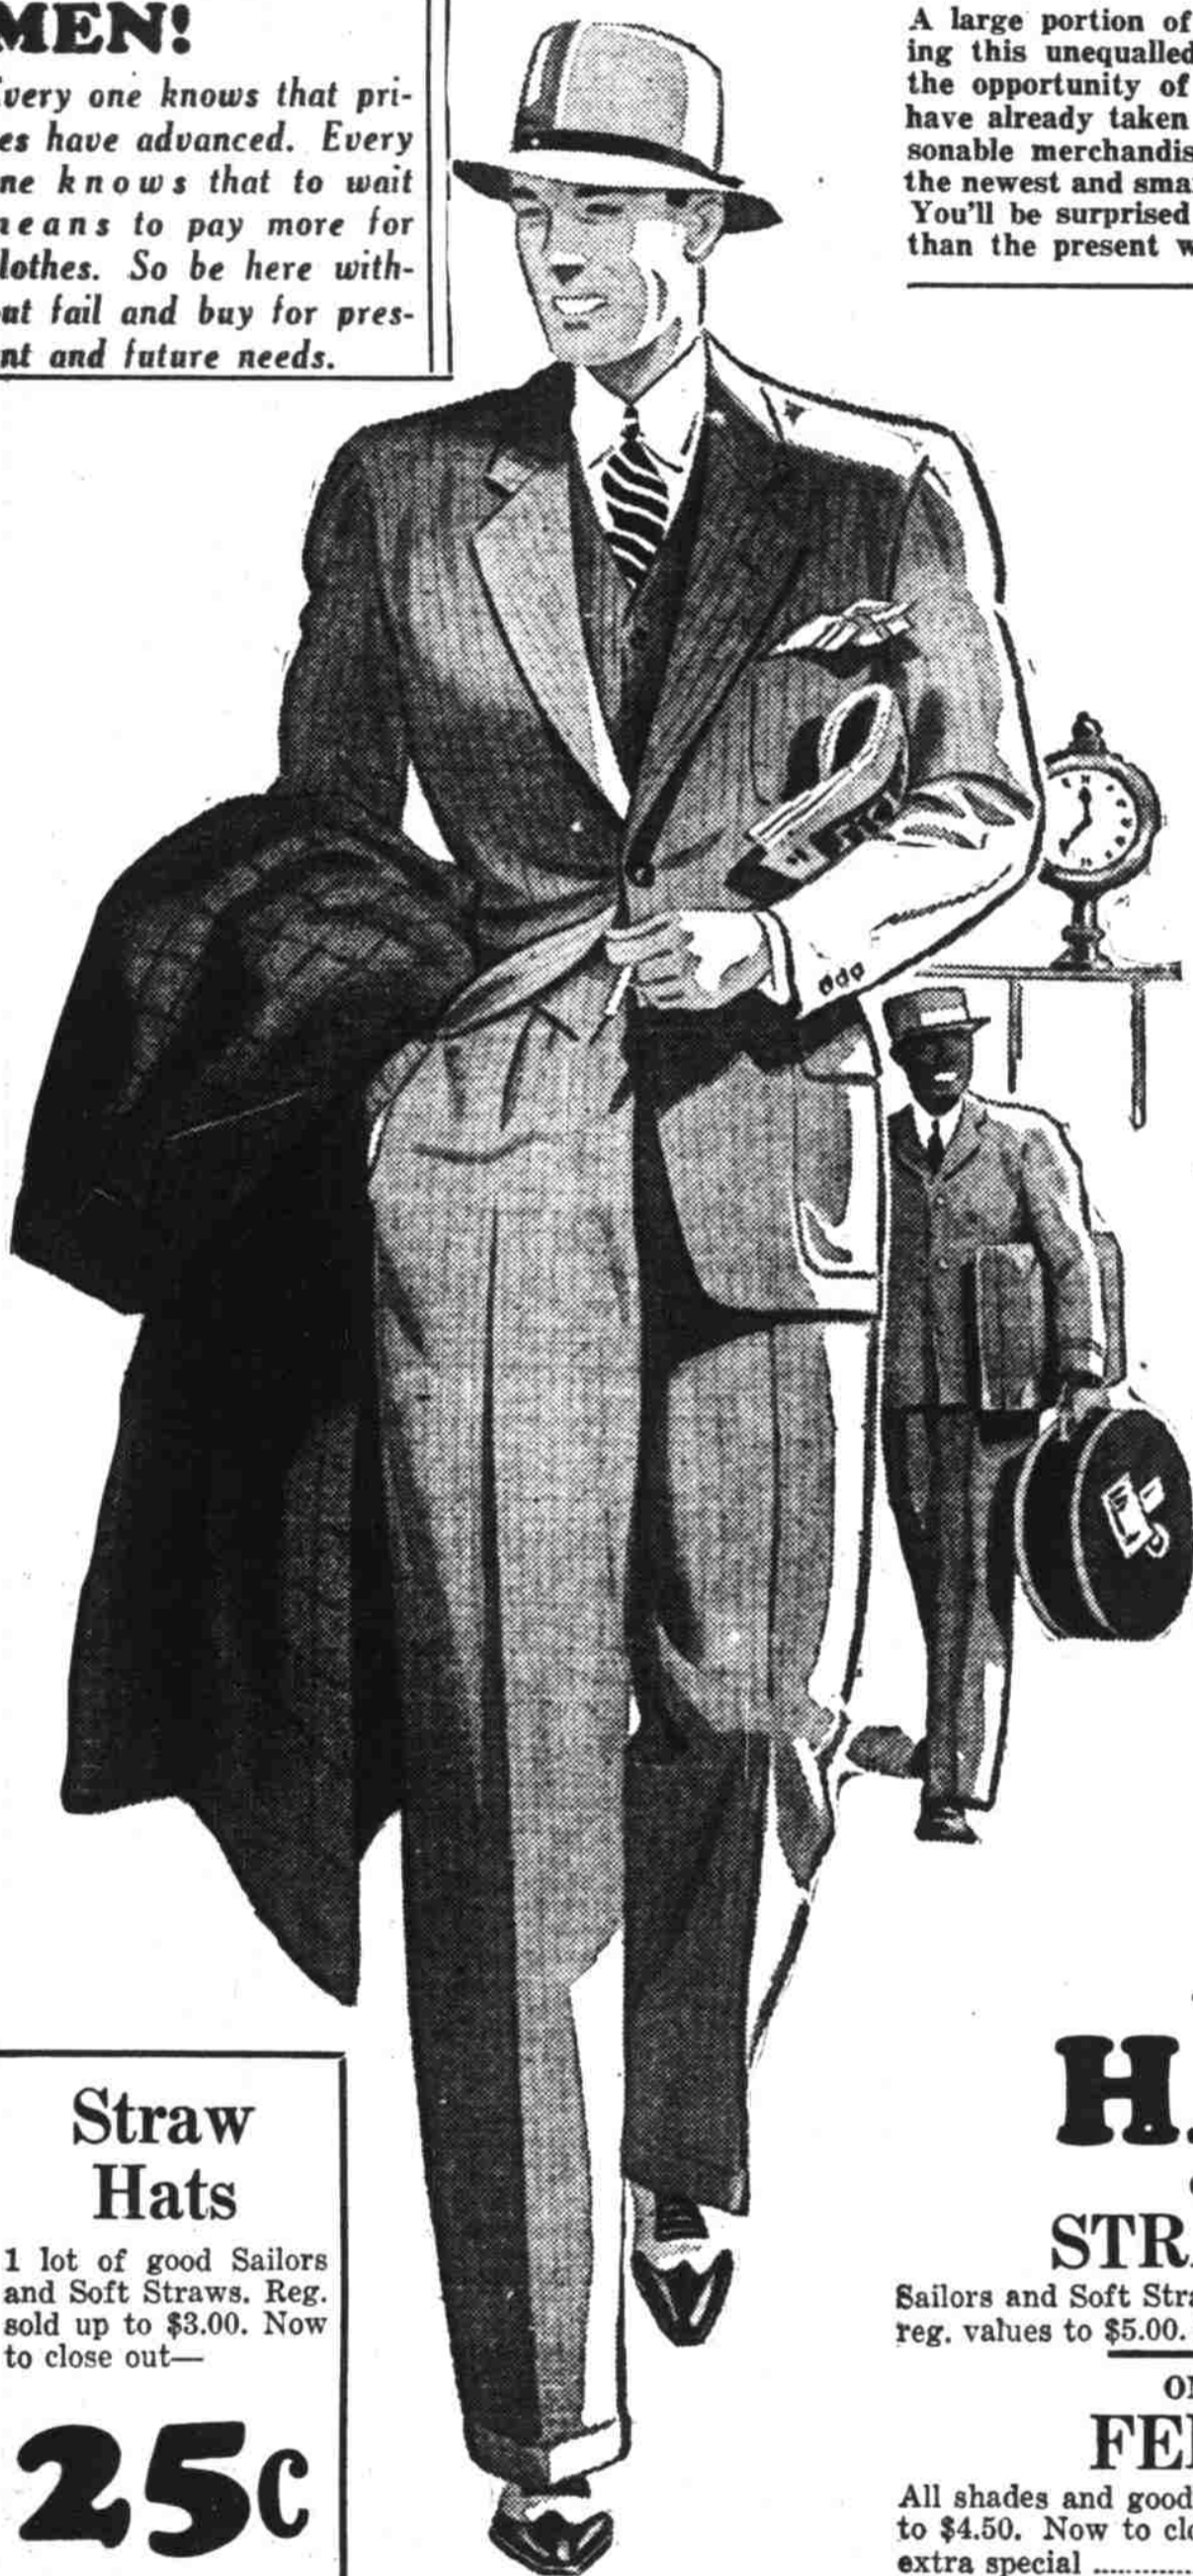

Every one knows that prices have advanced. Every one knows that to wait means to pay more for clothes. So be here without fail and buy for present and future needs.

Bishop's Greater Bargain Days and Pre-Inflation Sale

Starting Friday, June 23rd For 9 Days Only

ATTENTION

A large portion of this enormous stock of highest quality clothing and furnishings (for which this store is famous) is offered during this unequalled event for two bona fide reasons—First: to give our thousands of loyal customers throughout Willamette valley the opportunity of taking advantage of our immense purchases at the lowest levels; to protect you against the great advances that have already taken effect; and to give you now the saving that every one needs. Second: to clean our stock and to close out all seasonable merchandise and all broken and discontinued lines. In keeping with the Bishop policy of always having and showing only the newest and smartest merchandise. You'll be surprised at the savings, for in many instances during this great event, you are offered prices on this fine stock at less than the present wholesale costs.
