Engineer to Study Light Plant, City

MONMOUTH, June 24—As result of an investigation made by Monmouth's city council and lighting committee, S. C. Halladay and George Cooper, which included a careful study of the municipal plants of McMinnville and Forest Grove, the council will employ an engineer to make a preliminary survey for a plant in Monmouth. Costs, income and expense will be scrutinized, and if the report is favorable an application will be made to the Reconstruction Finance corporation for a loan. The project would have to pay for itself in a few years and make a profit from the beginning, and citizens would need to support the home plant in full to make it a success. The council proposes to be very sure before taking any definite action in such a venture.

DICKEY CLAN HOLDS FOURTH GATHERING

PERRYDALE, June 24—A hundred members of the Dickey clan met at the Buell hall June 18 for their fourth annual reunion. The oldest member present was Mrs. Lizale Dickey Nairn, aged 79; the youngest, Emma Jean Rosenbalm, age one year.

Officers for the coming year are: President, Holt Stockton; vice president, Walter Dickey; and secretary, May Scroggins Hutchinson.

The community club held its last meeting Tuesday night, with Doolittle's service station entertainers and Salt Creek band putting on the major part of the program. Eleanor Massey of Amity sang two numbers as did the small Vincent sisters. Earl Wyatt, Jake Van Staaven, Eugene Morrison and Jean Mackey sang.

Mr. and Mrs. Godfrey Beck celebrated their 37th wedding anniversary June 21. A 6 o'clock dinner was enjoyed at the home of their daughter, Mr. and Mrs. Walter Muller at which all the children of Mr. and Mrs. Beck were present. They are Dr. and Mrs. Wm. Beck of Portland, Mr. and Mrs. Fred Beck of River-ton, Walter Beck, and Mr. and Mrs. Floyd Nairn.

More Beer Cheer For Monmouth as Staves Are Made for Barrels

MONMOUTH, June 24—The oak stave block business is enjoying a boom with return of beer requiring oak kegs as shipping containers. Chris Hess, Monmouth wood sawyer, has had a rip saw carriage added to his wood saw and is operating it as a miniature sawmill to trim away the sap wood—unfit for keg manufacture—saving only the sturdy oak heart blocks.

Reunion for Early Dallas Schools 8th

DALLAS, June 24—Saturday, July 8, has been set as the date of the annual reunion of former students of LaCreole Academy, Lafayette Seminary, and Dallas college. The affair will be held in the Dallas city park as in the past.

The reunion attracts former students of the three institutions from all parts of the Pacific coast and several from as far east as New York state. LaCreole academy and Lafayette Seminary were founded here in the early days of Dallas and served as a finishing school for those who had completed the work of the grade schools. In February, 1901, the two schools were merged and renamed Dallas college, which was later closed for lack of support.

Later, the building used by the college was used for a grade school and this building was used as part of the present high school building when it was built. All that remains of the old college is the part of the high school housing the study hall and one roll room.
