YOUR OWN HOME MADE
MAYONNAISE TASTES *fresh*
BECAUSE IT *is* FRESH

When you make your own mayonnaise you use an egg just out of the shell and choice Wesson Oil. Perhaps you use freshly squeezed lemon juice instead of vinegar.

These fresh ingredients are whipped to a creamy smoothness and served while you know they are fresh . . . so your own home made mayonnaise always has that delicious "just made" taste . . . and there simply isn't anything to compare with it.

WESSON OIL for making good things to eat
