Acclaimed by millions

Now on sale here

To get its premium mileage, its hair-trigger starts, its knockless power, eastern motorists paid three cents a gallon extra for 283 million gallons of Super Shell!

THEN CAME SHELL'S "NEW DEAL"

A new, improved Super Shell—developed here in the West—and recently introduced to eastern motorists without the former three cents premium.

The first week on sale, this new Super Shell at the price of ordinary gasolines took the East by storm. Millions of motorists have changed to it. Today you can get the same premium-quality Super Shell here. It is made on the Pacific

Coast by Shell's newest refining processes. All the half-efficient parts are removed.

Super Shell is everything you want your gasoline to be. It gives you unusually good mileage. It starts your motor quickly, provides flashing pick-up, power to spare. And it has the highest anti-knock rating of any fuel to which ethyl has not been added. Super Shell has the Shell golden color—for your protection.

Try it today. Ask for Super Shell at any Shell Service Inc. station or Shell dealer's.
