FISHER INSTALLED, ROTARY PRESIDENT

Phillips Given Diamond pin On Retiring; Telephone Supervisor Speaks

Earl L. Fisher took over his duties as president of the Salem Rotary club Wednesday. W. L. Phillips, retiring president, reviewed briefly the work of the year past, citing accomplishments of the term. The membership is now 71, a loss of four during the year. Past district governor and past club president, William McGilchrist, Jr., presented Mr. Phillips with a diamond rotary pin on behalf of the club, in appreciation of his services during the year. President Fisher announced his committee appointments for the new year. I. T. Felts, general training supervisor of the Pacific Telephone & Telegraph company of Portland, gave a talk on the telephone company's service and financial problems during the depression period. Remarking that although 1933 promises to be the worst in the company's history, its analysts believed that the bottom of the depression is past, and the upward trend will be resumed. Answering the question, "when will the company reduce rates?" Mr. Felts said rates could not be reduced if the service is to be maintained, and obligations to employees and stockholders discharged. The golden rule of his company, he said, quoting its president, is to provide the most and best service at the lowest possible cost consistent with maintaining and extending the company and preserving its financial health. Rates could not

follow commodity prices, he declared because the company furnishes a service rather than a commodity; and a large portion of its operating cost goes for employees to keep the plant in operation. In Salem 13.6 per cent of gross revenue goes for taxes, or 68 cents per phone. Of the \$235,126 receipts of the local exchange last year, \$210,210 went for operating costs. The exchange lost 481 phones last year. There are 30,000 phone calls a day in Salem and 750,000 in the state. Phone service has improved despite the depression, the percentage of local calls completed on the first attempt being 82.7 last year as against the former figure of 80.5.

Beymers Arrested—W. F. Beymer, charged with assault with a dangerous weapon, pleaded not guilty in justice court yesterday and will have hearing this morning at 10 a. m. He is in jail in lieu of \$1000 bail.

YOUR OWN HOME MADE MAYONNAISE TASTES THE WAY YOU WANT IT TO TASTE

Some folks like a sweet mayonnaise... and some don't want any sugar at all. Some like mustard, and some can't stand it. And lots of people like the taste and healthfulness of fresh lemon juice while others want vinegar. There's only one way to have mayonnaise that is not sweet at all, or that is extra sweet... only one way to have mayonnaise that is made with lemon juice instead of vinegar... and that way is to make it yourself.

Home made mayonnaise is simply choice Wesson Oil, an egg just out of the shell, and seasoning exactly as you like it.
