PROGRESS MADE IN BANK LIQUIDATIONS

Schramm Files Semi-Annual Report, Scotts Mills, Hubbard, Aurora

Six months' reports on the liquidation of the state banks at Aurora, Hubbard and Scotts Mills were filed in circuit court here Friday. A. A. Schramm, state bank superintendent, is in charge of the liquidations which followed closure in 1932. The period reported on was from November 15, 1932 to May 15, 1933.

The Aurora State Bank liquidation showed total receipts of \$9485 for the six months, \$1587 being received on interest and \$7363 on loans. Expense was \$669 or less than half of the current income to the bank. Fifty per cent dividends have already been paid in the commercial and savings departments. Cash on hand now totals \$8000.

Income to the Hubbard State bank totaled \$5253, largely received through sale of bonds and warrants. Expenses totalled \$1733 while interest received was \$423. A 50 per cent savings department dividend has been paid and a total of over 30 per cent paid in dividends on the commercial department.

The Scotts Mills bank received a total of \$12,631 in the six months. Largest source of income was \$6000 recovered on surety bonds of the officers of the bank. From loans paid, \$1129 was received while income on bonds totalled \$3905. Interest received was \$649 while expenses were \$387. Dividends totalling \$5575 were paid during the period and \$7779 in secured claims were cleaned up.

C. M. T. C. STUDENTS BEGIN TARGET WORK

VANCOUVER BARRACKS, July 14—Busy on their program for the third week of the course, students at the Citizens' Military Training camp here left Camp Hurlburt at this post Wednesday for Camp Bonneville, the army target range nestled in the eastern Clark county hills. They were to remain three days. The Oregon and Washington youths will get a good taste of "roughing it" in an army, for they were scheduled to pitch shelter tent camp themselves and occupy it, while "chow" will be served from those prosaic but dependable perambulating restaurants, the good old army field kitchens. Making the most of a limited ammunition supply, the students will use rifles and machine guns over special courses for qualification as C.M.T.C. marksmen or sharpshooters.

Athletics, always a big part of the camp program, are being carried through on a full basis this time as in past years, although there are less students in camp, and finals in the nine sports offered are to be run off next week, in time for the concluding event, the annual track and field meet on the morning of July 21, which will be visited by a large contingent of campers, with camp ending the next day.

BREWERS PAY BULK OF REPEAL COSTS

Brewers paid approximately three-fourths of the cost of circulating petitions for the repeal of the two dry sections of the state constitution, a report filed by the state department Friday shows. Cost of circulation, postage, notarial expenses and checking of petitions aggregated \$2,513.18, of which brewers contributed \$1880.18. Contributions received equalled expenditures.

Among the larger contributors were the Henry Weinhard company, Portland, \$1380.18; California State Brewery association \$500, Multnomah Hotel Operating company \$100, John W. Blodgett Jr. \$100, Portland Hotel company \$50, Imperial hotel \$50, Heathman hotel \$50, New Heathman hotel \$50, and Western Stopper company \$50.

The report was filed by Bylander under an act of the 1933 legislature which provides that the names of all contributors, amount of contributions and expenses of sponsoring initiative and referendum petitions shall be filed with the secretary of state 10 days prior to the election.

The petition circulators received amounts ranging from \$20 to \$150 each.

TRUCK LINE DENIED PERMIT UNDER LAW

The state motor transportation department today denied the application of the Charthaw Motor freight for a common carrier permit to operate a fleet of trucks in the Albany-Corvallis-Waldport district. This was the first application considered by the department under the new 1933 legislative act.

The hearing was conducted by Herbert Hauser, supervisor of transportation. He held that the applicant was not financially responsible and that the territory covered by the application already was adequately served.

An application of Peden & Rankin for a common carrier permit to operate a passenger line between Portland and Oak Grove, was taken under advisement. This application was protested by the Portland Electric company.

Willard Marks, Albany attorney, appeared for the companies protesting the Charthaw application.

BANK EXTENSIONS CONSIDERED TODAY

Members of the state banking board will meet here today to consider extensions or closing out of state banks which are now operating on a restricted basis. It was announced Friday. The time for restricted operations expires at midnight today.

A number of banks have requested extensions of time in which to place their affairs in order. Three courses are open for action. A. A. Schram, state superintendent of banks, said. Extensions will be granted, liquidations ordered, or the banks will be opened on a full basis. Many of the banks now operating on a restricted basis probably will have to be liquidated, officials indicated.

The state banking board is composed of Governor Meier, Secretary of State Hoos, State Treasurer Holman and Schramm. In case it is not possible to have a meeting in Salem, Schramm said he would transact the business by telephone.

CATHOLIC DAY AT CHAMPOEG CHANGED

July 30 new Date; Public Invited by Knights Of Columbus

Catholic Day at Champoege park, now an annual event, will be observed this year on Sunday, July 30, instead of the previous Sunday, which was the appointed time. This change was made at a meeting in Salem of the Grand Knights of the Salem, Mt. Angel, St. Paul and Sublimity Councils of the Knights of Columbus on Wednesday night, in order that the celebration would not interfere with the big celebration at Silver Falls under auspices of the Salem chamber of commerce.

Catholic day at Champoege is sponsored by the state council of the Knights of Columbus and the four Marion county councils are expected to attend to the details. The observance this year is expected to be an interesting and enjoyable event. Clarence W. Brown, of this city, district deputy of the Knights, is general chairman on arrangements and each of the four local councils is to provide features for the day's program. Mt. Angel council will furnish the band music.

The public is invited and may come to the park as early as convenient, bringing picnic lunches and enjoying social intercourse. The regular exercises will commence at 1:30 p.m. and the principal speakers are expected to be Judge John P. Kavanagh, Portland; Rev. Francis P. Leipsig, Eugene, and Rev. L. A. Sander, Portland. State Deputy George Wilhelm of Eugene and other high officials of the Knights, besides several church and state dignitaries will be present.

Independence, July 14—"Ye old swimming hole" has become a very popular place for the young and old of Independence during these hot summer days. Most of the swimmers go to "Island field" where the Oregon Normal students hold swimming classes each week day. Lessons in swimming are being given to the students of the Training school and the young people who swim well enough are being given instruction in life saving.

The swimming place by the ferry is also a popular place but it is used mostly by the hop workers on both sides of the river.

Beall to Speak—Speaker for the Sunday night worship service at the Jason Lee church will be Hayes Beall.
