## Woodburn Juniors Swamp Hillsboro 11-3; Race Tied Up

## SLATED SUNDAY

Marion County Boys put up Tight Game Afield and Collect 14 Hits

game will be played here this less after the first. coming Sunday at 3 p. m. The winner will go to Klamath Falls for the state finals.

In contrast to the first game here in which Hilisboro made seemingly impossible plays repeatedly and played air-tight ball, while Woodburn made numerous bobbles especially after Bevens was forced by illness to retire from the mound, the Woodburn boys grabbed everything in sight on the Hillsborp diamond though two excusable hobbles were made, while the home team muffed eight chances, mostly by throwing the ball away.

Jimmy Nicholson starred at bat, getting four blows out of five trips, three of them twobaggers. He and Bonney both turned in some good plays in the outer gardens.

Despite this reversal of form, the race is still much in doubt as Hillsburo saved its strongest pitcher, Davis, allowing him to hurl only two innings today. Bevens went the route and it is understood he will be called upon again Sunday, However, he didn't bear down hard today and should be able to curve them effectively again Sunday with a day's rest, and Coach Pete DeGuire has some other good chuckers to throw in if Bevens falters. The same two 13-year old boys' team that played last Sunday will play again at 12:30.

For consistency, we elect George Bertz, sports editor of the Oregon Journal, Friday in one breath he criticizes the "gamble" involved in 18-hole matches in the British amateur golf championship, contending that such matches do not really test the players; and in the next breath he opposes the seeding of players in American tourneys, urging that nice pitching duel. > It may cheer up some golf duffer to read an excerpt from the hole - by - hole account of the Densmore Shute - Craig Wood playoff for the British open, which Shute won. This excerpt concerns a par three hole which the boys halved in fives. Keep in mind that this occurred on the unusually tricky St. Andrews, Scotland,

"Hole 11, 164 yards, par 3. With the wind from the west and the pin close to Strath bunker, Wood's drive stopped on the very edge of the bunker. Shute's drive was on the right line but too near the edge of the same hazard and the ball took an unlucky kick into it. Wood proceeded to chip plumb into the bunker with Shute. Shute plowed at his, but failed to into it. Wood came out with his Cleveland today.
