

Local News Briefs

Tours in Canada—Miss Edith E. Burch, stenographer in the city recorder's office, began her annual vacation this week by settling out with her sister, Mrs. Aurelia Burch, Portland school teacher, on an automobile tour into Canada. Word received from them, written Monday, said they found the weather at Spokane, Wash., "boiling, scorching hot." They will drive into the Rockies to Lake Louise and Banff resorts and return to Oregon around August 7.

Dauer Goes to Tulane—Dr. C. C. Dauer, who served as school physician and assistant health officer with the Marion county health department until over a year ago, has accepted a teaching position at Tulane university, New Orleans, according to word received by Dr. Vernon A. Douglas, county health officer. He will arrive there August 1. During the past year Dr. Dauer has been studying at Harvard university for his master's degree in public health work.

"Chet" Lindley Visits—C. R. "Chet" Lindley, who engaged in the service station business here until several months ago, returned to Salem yesterday for a two-day visit. Mr. Lindley is now employed by the Texaco Oil company at Olympia, Wash.

Vinyls Leaving—Dr. and Mrs. M. D. Vinyard will leave Salem for a two-week vacation trip into southern Oregon. They will spend one week camping and fishing on the North Umpqua river.

Auction sale of furniture Thursday, Route 1, Silverton. Russ Woody, auctioneer.

Payments Cut—Judge L. G. Lewelling yesterday granted Geo. W. Edwards a 10 per cent reduction in payments he makes to Nema Edwards under a decree entered in 1927. Instead of \$40, Edwards hereafter will pay \$36. The plaintiff petitioned for a \$10 a month reduction.

Repealists Spend \$2634.66—The Oregon branch of the Association Against the Prohibition Amendment expended \$2634.66 during the campaign preceding the recent special election, a statement filed in the state department showed. Cameron Squires of Portland, Oregon representative of the association, filed the expense statement. Virtually all of the money was expended in seeking repeal of the eighteenth amendment to the federal constitution and the two dry sections of the state constitution.

Amend Complaint—The First Security and Loan company yesterday filed an amended complaint in circuit court here against Joseph H. Albert. They ask \$325 in principal and \$442 in interest on a note allegedly first made by the Washington Nursery company and later endorsed by Albert when he transferred it to a Yakima bank.

You, too, will like one of Benson's 13-egg Custard Angel Food cakes. They will be fresh at your grocers' Friday and Saturday. Price, 39c.

Haycock Shuts Again—A haycock that blew against a high transmission line near Boring "broke down" the entire Portland General Electric company system yesterday morning. The company cut in on other power plants with but slight delay. It will take some time to repair damage done to the Boring line, according to Manager W. M. Hamilton.

Nineteen Counties Slack—Nineteen counties have sent their returns of the recent special election to the secretary of state, it was announced yesterday. The canvass of the vote is now in progress in the state department but probably will not be completed for a week. No serious errors were discovered in the tallies received from the 19 counties.

Wants Freedom—Gussie Quilhot filed suit for divorce yesterday in circuit court here against Thomas A. Quilhot to whom she was married in 1907 at Detroit, Oregon. She alleges he has treated her cruelly. She asks \$500 lump sum payment of alimony. Their three children are all of age.

Company Sues—The National Securities corporation yesterday filed suit for \$500 and costs against W. E. and Jessie A. Leay.

Muffler Lacking—City police yesterday arrested Victor Meier, route five, on a charge of operating his automobile without a muffler. He was cited to appear in municipal court.

Grass Cutting Starts—The city street department will begin its annual task of cutting or burning grass off vacant lots next week, Commissioner Hugh Rogers announced yesterday. Response from property owners to notices posted by the city ordering the grass cleared has been fair, Rogers said. Wherever possible, Rogers' crew will resort to burning, the quicker process. As much of the tall grass is still green near the ground, danger of serious fires is not as great as at this time of year.

Rummage Sale, Sat. Jly. 29, 411 Court.

Pugh Slightly Hurt—Lloyd Pugh, 17, 333 North Church street, suffered bruises and abrasions about one arm at the result of a collision between his automobile and one driven by L. W. Price, postal clerk, at Miller and Fir streets, he reported to police yesterday. No injuries were listed in two other accident reports: Albert A. Stewart, 383 North Winster, and a Miss Beckett, at Highland and Chemeketa; Chester Sundberg, 1360 Hines, and an unidentified motorist, on Liberty between Chemeketa and Court.

Protest Klamath Application—Directors of the Klamath Irrigation district yesterday filed with the state engineer here a protest against the application of the city of Klamath Falls to appropriate 1500 second feet of water from the Klamath river for power purposes. The district alleged that approval of the application might interfere materially with the existing water supply for irrigation.

CODE IS SOUGHT BY TRUCKMEN'S GROUP

Litigation Settlement not To end Strife, Avers Leader Anderson

Asking Governor Meier to call together competing transportation interests for adoption of a working code for their government, in accord with the spirit of the times A. C. Anderson, president of the truck owners and farmers' protective association, yesterday mailed a letter to the governor. Anderson states that while legislation pending over the transportation law of the last legislature, a decision on this will not end the conflict in which small motor carriers, big trucks and railroads are all striving for existence. His letter proceeds:

"We believe that the tendency

Recall Attempt Fails—The attempt to recall V. S. Howard, district attorney of Jefferson county, at the recent special election failed, according to the official tabulation of votes received at the state department yesterday. A total of 126 voters supported the recall, while 423 opposed.

Radio Sets Record—City police yesterday were elated over a report received from the Hood River police department saying the Salem police radio station's calls are being heard regularly in the Columbia river city. This, they said, is the farthest away the KGZR calls have been reported.

of the times is against the extreme policy of the 'survival of the fittest' and that economic wars should give place to a fair consideration of the relative rights of all concerned, including the public. . . . The federal government has inaugurated the policy of substituting economic agreements for competition, with the result that codes are being adopted governing various industries throughout the country. No industry is more in need of such an agreement than the various transportation interests. May we suggest therefore that you call together representatives of the various transportation interests of this state with a view to the adoption of a code governing their affairs."

Anderson pledges the cooperation of his organization which now has a membership of from eight to ten thousand.

ousting AT SILVER EAGLE HELD FALSE

Ross B. Clark and Charles F. Pabst, proprietors of the Silver Eagle tavern, east of Salem, denied yesterday that they had "pusted" anyone through a window during a riot which occurred at their establishment early Sunday morning. They did agree that they had lowered one man through a window to the ground in order to protect him from enraged rioters who might have done him harm.

The tavern operators criticized police protection which they received and said they were going to ask help from Portland if

local area officers could not assist them.

Each man said the riot Sunday was the first of its kind and attributed much of the trouble to secret fraternity youths who were in attendance at the tavern.

IT TAKES
HEALTHY NERVES
TO CATCH THE PLAY-BY-PLAY
— AND NEVER MISS!

● ABOVE—SAFE...OR OUT? Millions hang breathlessly on the words of Edson Brewster, master telegrapher for Western Union, as he taps out each exciting play for the tickers and bulletin boards that reach from Maine to Tokio! Before the crowd in the grand stand knows what has happened, Brewster has reported the play.

● LEFT—THERE GOES YOUR OLD BALL GAME! You wouldn't be human if you didn't get excited and wrought up when the home team puts the game on ice. It's a time when you want to smoke a lot. You will find Camels milder, and your nerves will be grateful!

● EDSON BREWSTER, veteran of every World's Series for over 20 years, says: "Camels never disturb my nerves."

Steady Smokers turn to Camels

"It's some strain being the public's eyes at big sporting events," says Edson Brewster, who clicks out the play-by-play for Western Union. "I have to see everything and I have to see it right. I've got to keep my eyes on the field and a steady hand on the telegraph key every second. No wonder I am a steady smoker! But I do not worry about my nerves. I have smoked Camels for years. They are mild, and never disturb my nerves. I like them better."

Camels, being made from finer, MORE EXPENSIVE tobaccos than any other popular brand, have brought new smoking satisfaction to thousands of men and women who had never known that a cigarette could be so mild...so rich and pleasing. Try Camels. Your own experience will soon reveal why steady smokers turn to Camels.

IT IS MORE FUN TO KNOW

Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand. They have given more pleasure to more people than any other cigarette ever made. "It's the tobacco that counts!"
