

### SILVERTON PEOPLE SIGN FOR CANNERY

#### Folks Aided by Welfare Store and who got Seeds Entitled to use

SILVERTON, July 27—Registration began today of those who will benefit by the county portable cannery which will come here the first week in August. Registration is being taken care of by Mrs. J. Worley and Mrs. J. Ballantyne at the local welfare store and will continue Friday and Saturday.

Mrs. Ballantyne, in speaking of the matter, offered the following explanation: Mrs. I. L. Stewart of Silverton will go with the county cannery and supervise the preparation of the vegetables to be canned. Two experienced canners will also accompany the "wagon." Those who can benefit by it are those who received assistance from the local welfare store last year and those who received seeds for planting. The latter were promised that their surplus would be taken care of.

The people who are bringing the vegetables are instructed that they must be absolutely fresh or they will not be canned. They must be picked no earlier than in the cool of the evening previous to the day they are to be canned and they must not be put into sacks over night but must be spread out no thicker than six inches. The beans will be snapped at the cannery under the supervision of Mrs. Stewart. Tomatoes will be canned later. Cans number two and a half will be used. They

### FAME PALLS

It's fun to be a movie star and all that but a fella wants some privacy. Just when I was taking my afternoon nap a photographer from the studio came around and said you wanted to see some new pictures of me. Well here they are and now I hope they'll let me get some sleep.

will not be labeled but each can will be numbered and the number will designate the product. Also the can will bear the stamp of the county relief unit to guard against the possible sale of the canned goods. A toll will be extracted, one can out of each five going to the county. Each family is allowed 25 cans for each member of that family over one year of age. Thus a family of five will be allowed to have 125 cans put up at the county station.

Canning at Silverton will be done for the Scots Mill district, the Silverton Hills district, from halfway to Sublimity and halfway to Salem.

### SCIO CALLS VOTE ON UNION SCHOOL

SCIO, July 27—With a view to testing the sentiment of the legal school voters of district No. 98, which includes the town of Scio, the local district board has called a special meeting for 3 o'clock Tuesday afternoon, August 1, to vote on the proposal of forming a union high school district to include with the Scio district about 17 outlying districts which are adjacent to the Scio district.

Organization of a union high school at Scio has been considered by progressive educators here and in adjacent rural communities for several years, although the matter has never been put to a vote of the Scio unit, as provided by state school laws.

Rural districts considered in connection with the movement are Gaines, Richardson Gap, River-

view, Billye Den, Jordan, Arnold, Munkers, Shelburn, Oakview, Bergen Hollow, Franklin Butte, Shindler, Rodgers Mountain, Crabtree, Lourdes and parts of Cole and Mount Pleasant.

Advocates of a union high school district have been contacting people in rural districts for several weeks and report that considerable favorable sentiment has been found. Accordingly, the Scio school board held a special meeting Saturday afternoon for the purpose of taking the required preliminary steps.
