

# We'll Do It Or Bog Down Trying—

We are going to comply with the President's Reemployment Program, and are right now making such arrangements, that is if you can call setting in a chair frantically clawing at what little hair there is remaining atop our noble, but fast shrinking head, and if our hat, the one we bought before prices went

up, (same bein a big one you know. Big hat we mean) Now let's see, where were we? Oh, yes--if our hat doesn't slip down over our eyes we'll be seein all of you at the market (meanin of course we'll be seein everybody) at
