

K. HANSEN HEADS COUNTY VETERANS

Louisa King, Salem, Senior Vice - President; Next Meeting to be Here

SILVERTON, Aug. 3—Kenneth Hansen of Silvertown was elected president of the Marion County Veterans' association at its annual meeting held today at the Knights of Pythias hall here. Other officers elected were senior vice-president, Louise King of Salem; secretary, Mrs. Laura Livezey of Woodburn; treasurer, Mrs. George Jaeschke of Silvertown; marshal, Harrison McWhorter. The new president appointed Mrs. Lewis Hall to act as chaplain.

Over 100 were present at the noonday luncheon at which Mrs. Lida Usher acted as toastmistress. Responding to the toastmistress' s were Mayor E. W. Garvey of Silvertown, who welcomed the convention visitors; Mrs. Helen Southwick of Salem, responding to Mayor Garvey; Mr. Lewis Hall; Dr. A. J. McConnell. Dr. W. O. Livingston gave invocation and Raymond Hall sang a group of solos.

Mrs. Francis Gourlie introduced the two members of the G. A. R. who were present, Glendon Stolz of Salem and William Church of Woodburn. Mr. Stolz spoke briefly, saying he had attended every meeting but the first since the Marion County association was organized 19 years ago at the Silvertown park. At that time, he said, there were 150 G. A. R. members present to the 14 who were now left.

Mrs. Southwick, outgoing president, who has been a member since the Sedgwick Post No. 1 was organized at Salem 50 years ago, in opening the afternoon meeting expressed regret that the first organization to suffer in the present government economical program was that composed of those who defended that government at the risk of their own lives. She expressed the hope that this would be remedied.

A vote of thanks was also offered to Silvertown business houses for displaying the flags on the streets. Flowers were presented to Mrs. Southwick, Mrs. Hilda McEachren of Portland, department president of the W. R. C.

HERE'S A BANK THAT'S LIQUID

What to do with all the busted banks? Philadelphians solved the problem in the case of the once prosperous Bankers' Trust Co. by turning the banking offices into a tavern. It now deals only in liquors of 32 content. Note the vault in the background, formerly housing frozen securities and now used as a refrigerator.

and to Mrs. Florence Shipp, Salem, department counsel.

Other visiting officers were Mrs. Rose Hagedorn of Salem, department senior vice-president; Louise King, Salem, National I. of I. officer of the auxiliary to Sons of Union Veterans; Lulu Boring, department inspector of auxiliary of Sons of Veterans and Meta Schramm, press correspondent.

Mrs. Lida Usher, for the eighth consecutive year, acted as chairman of the afternoon program consisting of a piano solo, Richard Nelson readings, Mrs. Addie Curtis, Mrs. Bertha Ray and Mrs. Rose Hagedorn, violin solos by F. J. Henson, and singing by the audience.

EXPENSES CUT AT STATE'S SCHOOLS

EUGENE, Aug. 3—Student expenses at the state higher educational institutions of Oregon will be the lowest in several years, according to data just issued in a circular on entrance information for new students by the division of information of the Oregon state system of higher education. Realizing the financial plight of the majority of students, the state board of higher education at its last meeting took action reducing the registration fee at the college and university \$6 a term or \$18 a year. This is a reduction of about 15 per cent and comes on top of a \$5 reduction in the deposit for breakage and loss which was ordered by the board at a previous meeting. The total student fee at the college and university during the coming year will now be \$32 a term instead of \$38, and the deposit will be \$5 a year instead of \$10.

The board also approved a reduction of \$3 a term at the three normal schools, reducing the tuition and fees from \$17 a term to \$14 a term.

In addition to the reduction in fees, the living costs have been lowered during the past year until at the present time the dormitory board and room charges at the college and university are about \$30 a term or \$90 a year less than last year. This is a reduction of about 15 per cent and comes on top of a \$5 reduction in the deposit for breakage and loss which was ordered by the board at a previous meeting. The total student fee at the college and university during the coming year will now be \$32 a term instead of \$38, and the deposit will be \$5 a year instead of \$10.

The board yesterday approved traveling expenses for six ex-service men from the eastern Oregon state hospital at Pendleton to the government hospital at American Lake. At the same time, the board authorized expenditure of \$155.13 from the highway department restoration fund for reconditioning a truck damaged last year by a fire at Alkali lake maintenance quarters.

BONUS COMMISSION COLLECTION BETTER

Collections of loans made by the state bonus commission have increased measurably the last 30 days, Jerry Owen, commission secretary, reported yesterday. A \$5,000 gain in cash income was reported in July.

Owen said no new loans were being made at present and any loans made within this or next year would be at a six per cent rate as provided by the last legislature. The commission is refusing to grant loans to any veterans who have received a cash bonus. While the legality of this move has been challenged, no party has as yet brought a mandamus suit to compel the commission to make such a loan.

Each month sees a number of loans paid in full, Owen reported, although the maturity date on the final payments is not until 1958. Since the original loans were granted, 897 have been paid in full.

HOP GROWERS WILL FETE REPEAL GROUP

The Oregon Hop Growers association has arranged a 12 o'clock lunch for Monday at the Marion hotel in compliment to the 116 repeal delegates which will be in Salem that day for the prohibition repeal question.

Invitations have been issued to about 250 persons, including the convention delegates. Mayor Douglas McKay has been invited to extend welcome to the honor guests and a special musical treat will be singing of the national champion American Legion Auxiliary trio, directed by Lena Belle Tartar. Other entertainment features are being worked out.

Dean Walker of Independence, president of the state hop growers will be toastmaster.

Funds Allocated To Both Routes, Santiam Highway

Allocation of further funds for both the North and South Santiam highways has been tentatively made by the state highway commission it was announced Thursday at the state capital. The commission held a special session early this week and discussed a number of projects with the engineer of the bureau of public roads, with the United States forest service and with its own engineers.

The allocations must be approved by the federal government. A call for bids on the project is expected soon with the likelihood that more work will be let about August 25.

Dividend Ordered For Hubbard Bank

A 10 per cent dividend totaling \$88,333 and receivable by commercial depositors in the now insolvent State Bank of Hubbard, was ordered paid yesterday in circuit court here. The dividend with two former dividends to commercial depositors brings the ratio of payments to 45 per cent since the bank was placed in the hands of the state banking department for liquidation February 10, 1931. Approved commercial department claims amount to \$82,511.

OFFICIALS OUSTED CHICAGO, Aug. 3—(AP)—The Chicago Tribune said in a special dispatch from Washington, D. C., today that three officials had been ordered suspended at the Leavenworth, Kan., federal penitentiary following disclosure that Terry Druggan, Chicago "beer baron" had been flaunting prison customs.

Initiative Aimed At 1933 Bus Law; Petitions Filed

Preliminary initiative petitions aimed to repeal the 1933 truck and bus act and the county civil service act were filed Thursday at the secretary of state's office.

Attack on the truck law was filed by H. S. Blackler and Clarence P. Wagner, both of Portland. The attack on the county civil service act, applicable only in Multnomah county, was filed by George Bylander, Portland.

Both petitions were turned over to Attorney General I. H. Van Winkle, who will prepare a ballot title. Sponsors must then obtain 26,666 signatures by July 5 next, to place the measure on the general election ballot November 6, 1934.

Maruny Resigns Champoege Park Caretaker Job

J. W. Maruny, caretaker of Champoege Memorial park, sent in his resignation to the board of control Thursday. The resignation was said to have the approval of Park Superintendent Frank J. Smith. Methods of conducting the park recently was a point of controversy between Governor Meier and Treasurer Rufus C. Holman. The board yesterday approved traveling expenses for six ex-service men from the eastern Oregon state hospital at Pendleton to the government hospital at American Lake. At the same time, the board authorized expenditure of \$155.13 from the highway department restoration fund for reconditioning a truck damaged last year by a fire at Alkali lake maintenance quarters.

HOP HOLDOVER LOW AS SALES REPORTED

Sale of 263 bales of hops the first four days of this week has reduced the Oregon 1933 holdover to 1062 bales, an extremely low figure. With about 20 days remaining until first of the 1933 crop is picked, there is probability that the reduction will be still greater as the 1933 crop enters the market.

The 1062 bales are grower holdings, and bring the total of all hops in growers hands to 1229 bales.

Sales so far this week have been for 48 and 49 cents, a cent lower than last week. John Morley sold 29 bales to Hart and Williams for 49 cents; T. B. Jones sold 94 bales to Wolf Hop company for 48 cents; and Wolf company bought 50 bales from J. Fish at Eugene, for 49 cents per pound. The largest sale was to Bishop Sloper Bros letting 189 bales go at 48 cents.
