

Director Walter Minier asserted posed buildings, we'll find we can get along, using buildings not now full.'

"When we do go ahead with new buildings," Minier added, "we should have a definite plan and should cut down the number of school buildings."

Dr. B. F. Pound, holdover director, defended the proposed bond issue, declaring additions and new buildings were needed, that four per cent government money should be taken while available, and that the matter of employment relief should be considered

Portland bond attorneys, Dr. Pound reported, hold that the Salem district is in condition to seek (Turn to Page 2, Col. 3)

OREGON CITY, Ore., Aug. 8 .- | validity of the election. (AP)-Donald J. Ryan arraigned in circuit court here today on indictments charging him with larceny by bailee and "wrongfully state repeal convention, but voted converting money to his own use, possessed by him as a trustee," entered a plea of not guilty to

4
