Taking advantage of the last Sunday absence of the Senators this season, officials of the Mid-Wilamette Valley Baseball association have arranged for one of the playoff games between champions of this circuit's four divisions to be played here today. It will probably be the only one of the series played in Salem.

In today's contest here, at 2:30 on Olinger field, the Salem Elks, who were adopted into the Yamhill county division and won the title there, will play Mt. Angel. The Elks lost to Stayton last Sunday but are confident that they can reverse the result later on, as various difficulties prevented them from making much of a showing in the first game.

Mt. Angel, which won in the northern Marion county division after a hard struggle with Aurora and Hubbard, has an exceptionally strong team and will probably send a large delegation of fans to today's game here.

Fans here are wondering what the Elks' hitters will be able to do against Wolf, Mt. Angel hurler who held Aurora to four blows in the final northern division game last Sunday.

Swigle, who was not in the best of condition when he started against Stayton last Sunday, is in shape again and will probably start on the mound for the Elks, but Zorn is also a possibility.

Bircher will be behind the bat, Beecher on first base, Kitchen or Mason on second, Burch at short and Heenan on third. The outfield combination will be selected from among Busiek, Zorn, Keber and McCaffery.

Stayton will play at Sweet Home in the other playoff game today.

## Class B Tennis Titles won by Salem Entries

A. tennis singles crown, winning from Bill Sharp, of Longview, in the finals of the class A division. Harold Beal, of Salem, won the class B singles title, and the Salem pair of Kemp and Murdoch captured the class B doubles title.

## Woodburn Fetes Champion Junior Team; Second Tilt With Grant May be Played

WOODBURN, Aug. 12.—Although the hour of their return was not generally advertised here, Woodburn's Legion Juniors were greeted at the station this morning by a fair-sized crowd. The boys, figuratively speaking, wore the state championship crown with little royal grandeur but they willingly displayed the silver trophy presented to them at Klamath Falls to the group of Woodburn baseball fans who entertained them at breakfast in a downtown restaurant.

The chamber of commerce will honor them with a banquet before they leave Wednesday night for Pocatello, Idaho, where they will enter the northwest regional tournament.

Possibilities of arranging an exhibition game with the Grant High Pharmacy players, runners-up in the race for the state championship, were discussed here today. If the Vaughn street baseball grounds in Portland can be obtained the game will probably be arranged to be played Monday or Tuesday.

SAN FRANCISCO, Aug. 12.—(AP)—Scoring two runs after two were out in the ninth inning the San Francisco Seals nosed out the Portland Ducks, 2 to 1, today.

Lee Stine, young Seal right-hander, furnished the hit that decided the contest. Jack Fenton doubled to center field to start the fireworks of Tony Freitas, Portland hurler, in the final frame. He scored a moment later on Bottarini's single to center. Here Stine sent out a long hit to left center and Bottarini romped across the plate bringing victory. Both pitchers were in their best form. Earl Sheely's home run over the left field fence in the fourth was the only score off Stine.

## Editor Critical Of Sport Chief So he is Fired

SEATTLE, Aug. 12.—(AP)—Nelson Cheney, editor of the University of Washington summer school journal, was removed Friday by the A.S.U.W. board of control, as an outgrowth of a disputed editorial.

An issue of the journal yesterday contained an editorial attack on Charles Frankland, director of athletics, and Roy Rosenthal, director of publicity. First prepared for publication last week, it was censored at that time, and did not appear.

The board of control said it "did not approve" Cheney's editorial policy.

On the other hand we know Spec has been expecting big things of some of those few returning veterans. Some of those who were outstanding last season but still in process of "arriving" were Manfred "Ole" Olson, the plunging fullback who should prove to be the greatest ground gainer in the northwest this season; Johnny Oravec, George Canady, Eddie Frantz, Jack Connor and several others—if they make the grade and come back.

## CURT COMMENTS

How time does fly! We can't, as we mop perspiration from our brow, realize it at all, but football season is just around the corner. Four weeks from tomorrow gridmen will begin their annual grind on every college athletic field in the northwest. September 11 is the date for the colleges; high schools have no uniform time for starting work because schools open at different dates.

Spec Keene has been at Klamath Falls the last few days, so we have been unable to find out what he considers his prospects to be. Not of the brightest, we suspect. He lost five regulars by graduation, and they included some mighty valuable men—Erickson, Jones, Houck, Paul and Felton. But that, we suspect, is not the worst of it.

Athletes, like any other persons who might have been cast forth on a cold, selfish world in June, had difficulty in landing jobs for the summer, and a good many of them will not be able to return to school this fall. Those who do take a chance on slender finances, will be more than ever in need of jobs. Keene's squad was small last year, and there are not over 14 experienced men available even if all those who have more years of competition ahead of them do come back.

## SABIN KEEPS NET TITLE IN OREGON

PORTLAND, Ore., Aug. 12.—(AP)—Gracyn Wheeler of Santa Monica won the women's championship in the Oregon state tennis tournament for the second year in succession when she defeated Dorothy Bundy of Los Angeles today in a hard fought three-set struggle, 6-4, 1-6, 7-5.

For the first time since 1920 the men's singles went to an Oregon man. Wayne Sabia of Portland won from Lloyd Budge of Berkeley, Calif., in straight sets, 6-4, 6-1, 6-1. Phil Neer, then of Portland but now of San Francisco, was the last Oregonian to hold the state title.

Miss Bundy and May Doog, also of Los Angeles, defeated Miss Wheeler and Ann Cook of Seattle, 6-2, 6-4, to win the women's doubles title.

Ed Levy and Bob Johnson of Portland took the men's doubles championship, winning from Ken May and Jack Rhine, also of Portland, 6-4, 6-0, 8-6.

Miss Bundy and Sabia teamed to defeat Miss Wheeler and Budge for the mixed doubles title. The score was 2-6, 6-2, 6-4.
