

# NEED CONGRESS TO END STRIKE

### Members Mostly in Hiding And new President not Able to get Quorum

(Continued from page 1)

out-were-street car men, bus men, railway workmen and bakers. The labor federation there planned a meeting and communists prepared for a demonstration.

In Camaguey street car men remained on strike and workers of the consolidated railways refused to back until salaries were restored to former levels and the eight-hour day installed. Employees at the Cuba kept the ports of Antilla, Puerto Tarifa and others along the north coast closed.

Legislation to satisfy the increasing demands of organized Cuban labor is likely to be of primary importance when congress gets back to work. The Havana dock workers demanded that the weight of sugar bags they carry be reduced, that ferries be abolished, and that all ships anchor in midstream instead of docking.

# EMBRACING HINDUISM FOR LOVE

A dramatic moment at Chalk Farm, London, as Miss Jessie Womack-Medley, British girl, was received into the Hindu faith. At left is G. R. Patkar, son of a wealthy Indian millionaire, whom she married a year ago. At right is Dr. Moonga, president of the Hindu Maha Sabha who performed the ritual that made the girl a full-caste Hindu.

it officially represented Oregon, is expected to arrive home the first part of next week.

Its present whereabouts is given as "somewhere in Colorado."

# LINDGREN TO HEAD WHEAT PLAN HERE

(Continued from page 1)

plaining the plan. Wheat growers are not compelled to sign up. The allotment from the proceeds of the process now being raised will amount to about \$100,000 for Marion county growers, to be paid two-thirds in September and one-third in the spring.

Mr. Lindgren will open his office today. He is anxious to meet the wheat growers of the county and to get their assistance through forming local committees to interview growers and get their decision on whether they will affiliate or not. Those signing agree to reduce their acreage for the past three years by 20 per cent.

# MISSOURI LEADER URGES WET VOTES

JEFFERSON CITY, Mo., Aug. 16—(AP)—Governor Guy B. Park today urged Missouri citizens to vote Saturday in the state election on the proposed repeal of the 18th amendment.

"I was elected on and I will stand on the democratic platform," he said, forecasting returns favoring repeal 3 to 1.

Lack of interest of the average Missourian has caused anti-prohibition chiefs their only expressed concern. Dry leaders have made no forecast of the result.

Missouri is the 22nd state to vote on the question. The 21 which have balloted all favored repeal.

# Higher Penalty On Tardy Taxes Urged by Labor

PORTLAND, Ore., Aug. 16—(AP)—A higher penalty for tax delinquency was favored in a resolution adopted by delegates to the annual convention of the Oregon State Federation of Labor here today. An amendment to the resolution suggested that the burden on the small home owner, however, be lightened.

Other resolutions adopted favored the principles of free speech and civil liberties, and a reduction of bonded indebtedness by governments in good times so that credit may be established for use in times of emergency. The latter resolution suggested the refunding of bonds with issues drawing a lower interest rate.

Opposition to further reduction of expenditures for education and further reductions in teachers' salaries was voiced in another resolution.

# GARMENT WORKER STRIKE MEDIATED

### Whalen Selected to Confer With Leaders as U. S. Steps Into Case

NEW YORK, Aug. 16—(AP)—The first major industrial strike in the metropolitan area since creation of the NRA—a walkout of 60,000 garment workers—was only a few hours old today when the government stepped in to mediate.

Former Police Commissioner Grover A. Whalen, chairman of the city committee of the NRA, was authorized by the national labor board at Washington to negotiate a settlement. He said he would confer with leaders of the workers tomorrow.

Whalen said that he had been in telephonic communication with General Hugh S. Johnson and that the N. R. A. administrator was in full accord with his mediation endeavors.

The strike, which has as its objective higher wages and the end of the sweat shop, according to labor leaders, affected garment workers in New York, New Jersey, parts of eastern Pennsylvania and Connecticut.

The strike started at 10 a. m., although the busy garment district between 30th and 40th streets was crowded with strikers, police reported only minor disturbances and only six arrests.

Fourteen halls in Manhattan and Brooklyn where the strikers assembled to register were crowded to capacity.

The walkout was reported by labor leaders to have been 100 per cent successful in New Haven, Conn., and in New Brunswick, South River, Lodi Passaic and Patterson in New Jersey.

# BASIC INDUSTRIES URGED TO SIGN UP

WASHINGTON, Aug. 16—(AP)—President Roosevelt tonight was moving the administration and four of the nation's great basic industries toward an open showdown upon the force of the national recovery organization.

Out of significant conferences at the White House, NRA headquarters and in scattered hotel rooms there came definite indications that the full pressure of the government was being exerted to bring steel, coal, oil and automobile under codes of fair competition at the earliest possible moment.

Also moving into position for an interpretation by the administration, which may find its way into the courts—was the troublesome collective bargaining guarantee for labor upon which virtually all major disagreement between capital and workers has centered.

President Roosevelt took personal command of the campaign by conferring at the White House with Myron C. Taylor, chairman of United States Steel, and Charles Schwab, chairman of the Bethlehem Steel corporation, summoning them after steel's open break with William Green, president of the American Federation of Labor.

# DECREASED RELIEF PROGRAM IS CITED

PORTLAND, Ore., Aug. 16—(AP)—A decrease in the number of families receiving relief from public funds in Oregon has been noted, a special dispatch tonight from Washington, D. C., to the Oregonian stated.

The dispatch said this indicated improved conditions and "a greater degree of employment and self-support."

In April, 50,920 families received relief and this number decreased to 44,166 in May and to 30,253 in June, according to the dispatch, which said that obligations incurred for unemployment relief from public funds was reduced from \$770,417 in May to \$456,635 in June.

# Fog Blamed for Death of Three, Seaplane Crash

VANCOUVER, B. C., Aug. 16—(AP)—Fog lying low over Anderson lake, 115 miles north of here, was believed responsible today for the death of three persons, one a woman, and serious injury to other occupants of a seaplane which crashed into the lake at dusk last night.

The machine, piloted by Gordon K. Mackenzie, left Vancouver for Bridge River, carrying five passengers.

Earnest Dean, 33, his wife, a bride of a few months, both bound for Bridge River, and W. J. Butt, 50, of Vancouver, a business man and proprietor of McGillivray Lodge, lost their lives, while Pilot Mackenzie and Ollie

# Plan Dedication For Irrigation Project Friday

OREGON CITY, Ore., Aug. 16—(AP)—One of the largest local irrigation projects in the Willamette valley, that of the Colton Irrigation company, will be dedicated Friday.

The project comprises 340 acres, and the company is composed of 24 farmers of the Colton district.

Paul V. Maris, director of extension work at Oregon State college, will deliver the principal address at the dedication.

# RELIGIOUS ZEAL IS CAUSE OF ARRESTS

HOMEDALE, Idaho, Aug. 16—(AP)—Accused of beating his daughter, Florence 13, for refusing to attend religious services, Ole Cox of Marsing, was in jail here tonight on an assault and battery charge and Mrs. Cox was facing a charge of disturbing the peace.

The girl is in a Caldwell hospital in a serious condition but she was expected to recover.

L. N. Smith, Owyhee county prosecuting attorney, said he was investigating the affair. Preliminary evidence indicated, he said, that the parents sought to have the girl attend revival services Sunday night but she refused, and her father beat her severely.

Last night, the attorney was advised by neighbors, the parents sought to compel the girl to attend and when she refused, the assault was renewed.

Breaking away, she escaped her parents and was taken, evidently by friends, to the hospital in Caldwell.

Charges against the mother were filed by neighbors who, Smith said, objected to the woman's search of their homes and business places for the missing girl.

# Chemeketas to See Multnomah, Waukena Falls

Under direction of Beale Smith, Salem Chemeketas will make a trip to Multnomah and Waukena falls next Sunday. After arrival at Waukena falls, the hike will start out over the upper Waukena trail and continue to the junction with the Larch Mountain trail, thence on the Larch Mountain trail to the head of Multnomah falls, and from there back to Waukena falls by the Perdition trail. These trails have a reputation of being the most scenic in the mid-Columbia district. The to-

tal distance of the hike will not exceed five miles.

Cars will leave from the Senator hotel at 8 o'clock Sunday morning. Registration for the trip should be made at the hotel before Friday night in order to facilitate arrangements for transportation.

# QUADRUPLE POISON KILLING CONFESSED

HOT SPRINGS, Ark., Aug. 16—(AP)—A woman's demands for money under threat of using information confided to her to cause his prosecution on a criminal charge brought Mark H. Shank, 41-year-old Akron, O., attorney, on a secret trip to Arkansas with poison which killed four persons, he said in a confession today.

Shank, cut and bruised by underbrush as he fled through woods ahead of a bloodhound after giving poison in grape juice to Alvin Colley, his wife and three small children at a picnic lunch, was held in jail here tonight facing quadruple murder charges at Benton in an adjoining county.

Breaking down after long hours of questioning, he asked only that officers recommend leniency. To this, Prosecuting Attorney Millar Halbert, replied he would ask for the death penalty.

Colley had been charged with the theft of papers from the prosecuting attorney's office at Wootter, O., which papers were to have been used as evidence against a client of Shank's, the Akron attorney said in the confession. The

Electrical dealers will meet at the chamber of commerce tonight at 8 o'clock in connection with further work under the N. E. A. code.

# Wears Lovely Dresses Now Since Losing 49 Pounds of Fat

Get That Youthful Feeling of Spirited Activity—That Glorious Kruschen Feeling

A roly-poly, overweight woman can't possibly wear the new flattering styles—besides the best bargains and most charming dresses come in the smaller sizes.

So get busy, girls, with Kruschen Salt—get rid of double chins, chunky legs and ugly bulging rolls of fat above the corset line—without starving and without loss of strength or pep.

As a matter of fact when you faithfully take your "little daily dose" of Kruschen first thing every morning in a glass of hot water—you gain in energy and vitality—you increase physical charm (skin clears, eyes grow bright) all while you're achieving your goal—a youthful, slender figure. Attention to diet will help—cut down on pastry and fatty meats—go light on potatoes, butter and cream.

Mrs. Di Salvo of Woodhaven, L. I., writes: "Only a few months ago I weighed 187 and never could get a nice dress to fit. Now from a 44 dress to a size 20—weight, 133. Many thanks to Kruschen. I've recommended it to all my friends."

A Jar of Kruschen that lasts 4 weeks costs but a trifle at any drug store the world over. Money back if not joyfully satisfied with results. But for your health's sake—make sure you get Kruschen—It's the SAFE way to reduce—prescribed by physicians.
