MINNESOTA PICNIC HELD AT CHAMPOEG

M. B. Stegner is Elected Vice - President for Salem District

CHAMPOEG—Aug. 17—Former Minnesota folks met at the park here Sunday for the annual picnic. After a bountiful 1 o'clock dinner a program was held in the pavilion, with President J. L. Torrness presiding.

Early history and events of interest at Champeog were told by Rufus Holman, state treasurer, and musical numbers were given by Arthur Hutchings and the gospel jubilee quartet.

Officers elected were: President, C. W. Stegner, Albany; vice-president, Arthur Baumann, Carlton; secretary-treasurer, Mrs. M. A. Klaypotz, Albany; vice presidents for districts: Turner, S. P. Rowley; Woodburn, Rodney Alden; Independence, O. B. Travis; Silverton, Mrs. George Hubbs; Lyons, Albert Ring; Dallas, W. D. Fuller; Mt. Angel, Lois Kober; Scotts Mills, Mrs. W. A. Saucousis; Gervais, S. A. Harris; Hubbard, Mrs. B. F. Wells; Sublimity, J. D. Hoffman; Salem, M. B. Stegner.

The Minnesotans were organized 13 years ago with U. G. Boyer as president and E. A. Shaver, secretary. The 1934 meeting place will be decided later.

are being installed to carry off the peeling and refuse into two large reservoirs some distance from the plant.

The machinery has been overhauled and repaired in preparation for the fall run and a box conveyor to carry empty boxes from the peelers to the cars to be reloaded, has also been installed.

Bakers and Fuel Dealers Gather

Salem bakers and fuel dealers held meetings Wednesday in connection with NRA regulations. Little actual business was transacted by the bakers, who are waiting to receive reports on the national code being drafted in Washington, D. C., this week. The fuel dealers' association appointed a committee to wait on dealers who have been reported as cutting prices, and will urge the price cutters to swing into line with other dealers.

DR. MAGIN TO PREACH

SILVERTON, Aug. 18.—Dr. Louis Magin, district superintendent of Salem district, will deliver the services at the Methodist church Sunday in the absence of the Rev. C. J. Hall, who is vacationing in Kansas. The Hall plans to return to Silverton before September 1st.

WEST GATE SALEM ENTRANCE TO FAIR

Under a new arrangement this year, all Salem people attending the state fair are urged to use the west entrance off the Pacific highway, according to Albert Bouffleur of Salem, appointed as head of the ground police and parking force for the 1933 event. He held the same job last year.

Double ticket takers at the west entrance will allow a dual stream of cars to enter the fairground, Bouffleur says. Those entering by this way, he explained, will be allowed to drive nearly to the grandstand where a new parking area has been provided. The new lot has accommodations for 2000 cars.

"We urge Salem people to use the west gate because the north entrance is primarily for out-of-town people," Bouffleur said. "Then, the parking near the north gate is limited."

Following his appointment, Bouffleur began laying plans for the record-breaking crowd expected on Labor Day, the opening day. From 8 a. m. Labor Day until the fair is concluded September 9 he and some of his crew will be continually on duty.

ARREST SUSPECTS IN CASHIER HOLDUP

VANCOUVER, B. C., Aug. 17—(AP)—R. A. Pearce, a cashier for a mercantile concern, was set upon by three bandits today while on the way to a bank, and robbed of between \$11,000 and \$12,000 in checks and \$70 in cash.

Near the bank, he said, the men jumped from parked automobile and knocked him down, pulling the bank book containing the checks and cash from his pocket. He was not badly hurt.

Later, the bandit's car, which had been hired, was found about five blocks away, and within two hours two men, one of them Allan M. McDonald, were arrested as suspects, police said. McDonald was found in a hotel.
