

WOODBURN CHILDREN PRESENT PROGRAM

WOODBURN, Aug. 19.—The annual children's program sponsored by the Federated Women of the Methodist Episcopal church was held at Oak Park Tuesday afternoon with hostesses, Mrs. Elmer Matson, Mrs. F. R. Coleman, Mrs. Chas. Dean, Mrs. H. B. Rodgers, Mrs. C. D. Smith, Mrs. Virgil Wells, Mrs. Louisa Davis, Mrs. John Coleman, Mrs. Paul Coleman and Mrs. Linehart.

Mrs. O. E. Belcher and Charlotte Mae Livesay gave the scripture reading and prayer. A brief business meeting was held at which time standing committees were appointed by the president, Mrs. Paul Pemberton. A program followed and consisted of a vocal duet by Pollard sisters; recitation, Betty Jean Losey; recitation, Yates sisters; song, Geraldine Belcher; recitations, Marvin Matson, Calvin Seamon and Rita Sebern; song, primary department; story, Hazel Haugen; two readings, Mrs. Jack Kennedy; two steel guitar solos, Floyd Matson; reading, Miss Mary Allen and an exercise by the boys and girls. Refreshments were served by the hostesses.

A meeting of the Woodburn Lodge of Rebekahs was held in the I. O. O. F. hall Tuesday night at which time plans were made for the celebration of the 82nd anniversary of the organization of Rebekah and Oddfellowship on September 19.

A committee consisting of Mrs. Addie Dowd, Mrs. Myrtle Hall, and Miss Pauline Livesay was named to have charge of the program.

The next regular meeting will be held September 5, and the following committee has been appointed for the evening: Mrs. Gertrude Adams, Mrs. Gertrude Beach, Mrs. Nora Broyles, Mrs. Bertha Brady and Mrs. Mae Engle.

County Cannery Has Run at Woodburn After Breakdown

WOODBURN, Aug. 19.—Marion county's portable cannery located on the grounds at the Lincoln school has been busy since Tuesday canning beans. Thursday after canning about 750 cans a breakdown occurred which necessitated getting a new bearing from Salem and waiting until Friday to resume operations.

County Commissioner Melson stated that they would probably run all Friday night in order to save the vegetables ready for canning. The plant has a daily capacity of 1500 cans.

Paralytic Stroke Cause of Demise Of Molalla Woman

MOLALLA, Aug. 19.—Funeral services for Amy Bell James, 54, were held at the Everhart funeral home Friday. The Rev. A. P. Troyer, officiated. Mrs. James died early Wednesday morning of a paralytic stroke. She had been a Molalla resident for several years, but at the time of her death she was living in the Maple Grove district near Molalla. Beside her husband, W. E. James, she is survived by her six children, Alard, Garnet, Philip, Harold, Louis and Nona Jean, all at home. She also leaves five grandchildren, one brother, Phil; sisters, Cordelia Coffman, of Aurora, Lulu Catepp, of Granite Falls, Washington, and Viola Tyler, of Salem.

TO IMPROVE LOTS
STAYTON, Aug. 19.—Since the tennis court has been completed a move is on foot to beautify adjoining lots which have been taken over by the city, because of non-payment of street improvements. Fire several years ago destroyed the building on this property. Later the community club house was built there, but the remainder of the block was always an eye sore because of weeds and berry bushes.

Cuban Refugee

Dr. Orestes Ferrara, former Secretary of State in the cabinet of President Machado of Cuba, pictured arriving at Miami, Fla., after fleeing Havana by plane. Ferrara barely escaped with his life, the plane in which he fled being riddled with revolutionists' bullets.

"Crashed" Gang Ride Party

Sheriff Thomas B. Bash (top right), of Kansas City, Mo., and Prosecuting Attorney Thomas A. J. Mastin, look over "armory" Bash captured when he slew Sam Scola (lower left) and Gus Fasone, gangsters, whom he surprised as they were putting Ferris Anton (lower right), a rival mobster, "on the spot." Bash was on his way to a party when he intruded on the killing.

Record Crew Employed at Bean Canning

STAYTON, Aug. 19.—The largest crew in the history of the Stayton cannery, 200 persons, 140 of them women and girls, are now at work during the bean season. The cannery will put out its largest bean pack this year.

Organizations Hold Picnics at Dayton

DAYTON, Aug. 19.—Sixty people, members of Yamhill Lodge No. 29 Odd Fellows and Naomi Rebekah Lodge No. 83 and their families, attended a picnic held in the Dayton City park Thursday

HARVEST IN THIS SECTION OF VALLEY

(Continued from page 3)
heavy. Alfalfa hay is very heavy. James Gentle harvested 45 loads from a 15 acre field in first cutting, running a ton to ton and one-fourth in weight. F. E. Murdock, warehouse manager, thinks more tonnage of oats and wheat will be threshed than in usual years.

Grand Island—The finest crops in the county are found here, recently declared a McMinnville business man. Barley, oats, alfalfa and grapes are all excellent; melons and garden trucks; good; corn, potatoes, hay, clover, walnuts, filberts, good; peaches, fair.

Shelburn—The hay and grain crops of this section are on the average, fair. The strawberries, of which there is a large acreage, were excellent in quality but short on quantity; the blackcap raspberries were excellent; apples will be scarce but a bumper crop of pears is in prospect.

Zena—The thresher owned by T. J. Merrick and operated by Ivan Merrick, is making an exceptionally good showing in the northeastern section of Polk county. The spring grain is reported to be of excellent quality and of good yield. Fall grain is of poor quality and only three or four fields in this section survived the inclement weather.

Oak Point—The grain crop in this community is good. Fall grain, despite the freeze, is good. Early sown spring wheat and oats are excellent; late oats are fair. Alfalfa hay, good; also cheat. The cherry crop was poor; no prunes; hop crop is good, and nuts fair.

Suver—Farmers here have nothing to complain about this year in regard to their crops. The crops ran as follows: Hops, good; grains—wheat, good; oats, excellent; barley, good; corn, fair; rye grass, good. Peaches, fair; hays—clover, excellent; alfalfa, excellent; cheat, fair; millet, good; Sudan grass, good.

Larwood—The chief fruit crops of this district are strawberries and blackcaps. Strawberries were practically a failure, due to the freeze. Hay crops were fair, clover being better than the grain. The grains are good. Both walnuts and filberts are poor.

Pioneer—The hay crop of this place is a fine crop this year. Everybody had more than usual. The fruit crop as a whole is a failure. Prunes, the main industry, are a total failure. Gardens are fine. There are a few nuts grown in this community and they are fair.

Independence — Spring wheat,

West Salem News

WEST SALEM, Aug. 19.—Mrs. Harry J. Carter opened her home to the members of the Women's Foreign Missionary society of the Ford Memorial and Summit churches Friday afternoon. The meeting was held a few days earlier than the regularly scheduled meeting because some of the members are leaving. Mrs. John A. Yantiss was in charge of the study, Mrs. John Evans the devotionals and Mrs. Carter the mite box opening. Thirteen dollars and sixty cents was realized. Those present for the very interesting meeting were Mrs. Grace Bliss, Mrs. Anna Paterson, Mrs. Edwin Brock, Mrs. K. K. Clark, Mrs. Frank Wilson, Mrs. John Evans, Mrs. Frank Forrester, Mrs. John W. Simmons, Miss Helen Bliss and Mrs. Harry J. Carter. Mrs. K. K. Clark will be hostess at the paragon for the next meeting at which time there will be held the annual election of officers. Mrs. Simmons will lead the lesson and Mrs. Brock devotionals.

Workers of the Southern Pacific section leading through West Salem and for thirty miles beyond the Willamette railroad bridge, were again placed on a six day a week schedule this week to last at least for the remainder of the month. It is hoped that they may get a permanent five day week soon. This week the crew was doing repair work within the city limits, helping

place the new water line beneath the track at the Wallace road and replacing many wornout ties on Second street.

Walter Gerth received word Friday of the death of his brother-in-law, Noah O. Pales, of Sheridan, formerly a resident on the present J. T. Hunt place in West Salem and well known here.

Many local fishermen were fishing this week, among them were George Chapman, Bob Miller, Ray Stumbo, Ed Brock and Irv Miller.

The fine exhibit of the West Salem Boy Scout troop that has been shown in the Milo Jensen store for several weeks is now being shown in the Doc Lewis' drug store in Salem. The local lads participated in the troops' drilling and demonstrations given recently on the courthouse grounds. The regular meeting night of the scouts has been changed from Friday evening to Tuesday evening because of the wrestling and boxing matches held Friday night in the Kingwood Post arena.

A very delightful surprise birthday party was tendered Miss Maud Hickman one evening recently when a group of Silverton friends motored over, bringing refreshments and completely surprising Miss Hickman. Mrs. Grover Brown, a sister of the complimented girl, got up the affair and a jolly evening was spent.

Mr. and Mrs. Harry J. Carter, accompanied Mr. and Mrs. Ray Pfister of Salem to Woodland, Wash., for the weekend to visit at the home of a daughter and sister, Mr. and Mrs. Charles Lingens, light crop generally; walnuts, set well but below average because of blight; filberts, bumper.

TRUCK SMASHES 2 CARS AT SHELburn

SHELburn, Aug. 19.—Arnold, 4, son of Rev. and Mrs. Leonard Wilkerson, fell off a log recently and fractured a bone in his right wrist.

T. E. Fleming, while hauling hay on his farm east of here, fell from the loaded wagon and fractured two ribs.

People in this section are being inconvenienced by the closing of Green's bridge for repairs from Aug. 18 for about 10 days. Traffic to Albany has to be by way of Sanderson bridge or to Salem by way of Stayton.

Darrell Montgomery and Elmer Limbeck had their cars parked at the foot of Zurlush hill when a loaded truck got beyond control while coming down the hill. The Montgomery and Limbeck cars were demolished. No one was injured.

Ernest McCrae and family who have lived in this community for a number of years are leaving this fall for a place three miles from Albany.

Neighbors Honor Bedfast Pioneer

MOLALLA, Aug. 19.—Honoring Mrs. Margaret Engle on her ninety-ninth birthday, a group of her neighbors and friends gathered at her house Thursday afternoon to offer their congratulations and to visit with her for a while. Mrs. Engle has been bedfast since she fell and broke her hip over a year ago. Very few people have lived in the Molalla valley any longer than Mrs. Engle has, and she has many interesting experiences to tell of the early history of this district. Cake and ice cream were served during the afternoon.

Mr. and Mrs. Solon Erchard have bought the Bud Robbins house on Molalla avenue and have moved into their new home.

JOIN NAVY FORCES
STAYTON, Aug. 19.—Norbert, son of Mr. and Mrs. John Dozier, and Allan, son of Mr. and Mrs. W. L. Inglis have joined the navy. Young Dozier, who has had a year at medical college in Iowa expects to continue his studies along that profession, while Inglis is interested in mechanical engineering.

NEW TAX ON TIRES

Midnight Aug. 31

Still time to save money—if you buy before September 1st.

EVERY tire in dealers' stocks, bought before August 1st and not sold by Midnight, August 31st, is subject to a new Federal tax. We still have a limited supply of Blowout-Proof Generals that are tax free—and were bought ahead of rising costs—a double saving to you—if you act NOW.

Only a **General** CAN RUN AT THE LOW PRESSURE NECESSARY FOR BLOWOUT-PROOF SAFETY

When your tires are Generals, you can run them with air pressure so low—they are PROOF against the blowouts common to higher pressure tires.

For high air pressure is the one great cause of blowouts—and only a low pressure tire can be blowout-proof.

Generals gently absorb the bumps and shocks that break and blow out tires of "standard" high pressure. They speed you in comfort and safety over roads you shudder to take at low speed with your present tires.

Generals' low pressure, blowout-proof construction was perfected years ago. It is patented, and no other manufacturer has been licensed to use it.

A SCIENCE Based on Results

During the past few years many people of the Western world have been amazed at the results achieved by Chinese herbalists. They find it hard to understand why a race so backward in many things should be so skillful in ministering to the sick.

The reason is simple. Chinese Herbal Science is one of the oldest and most complete branches of learning possessed by mankind. While the exact beginning of Chinese Herbal Science is not known, it is believed to have started considerably before 2000 B. C.—over 4000 years ago. Since that time the accumulated experience and knowledge has been handed down from one generation to another. It was found that certain formulas removed certain kinds of sickness and so, the science grew—with the years becoming more exact and more nearly perfect. Today it is preserved in thousands of formulas and treatises written by men who have made herbs their lifetime study.

Modern medical science has made tremendous strides, but it is still in its youth. In many cases it must rely on theories. But Chinese Herbal Science is based on actual results that only years and experience can give. H. S. Low, Directing Herbalist of the Sing Herb Co., has devoted many years to study and research in his profession. His ability is proven by an increasing number of grateful patients. His skill and experience are available to the sick people of Salem.

H. L. Low, Directing Herbalist of the Sing Herb Co., is recognized as one of the leading herbalists in America. He has had over 21 years of successful experience in Oakland, Calif.

In the Salem office of the Sing Herb Co., there are scores of signed testimonials of people who have found new health and happiness through this successful organization. There is no disputing results like these. Face the facts. Give your health a fair chance. Why suffer a single day or night when health is so near at hand?

EIGHT YEARS—NO RECURRENCE

H. S. Low's Treatments Vanquish Asthma!

Long Sought Relief Provided by Herbs After Many Doctors Fail!

H. S. LOW, DEAR SIR:—

About 18 months ago I was taken sick with chronic catarrh, asthma and bronchial troubles. At first I used to awaken about 2 a. m. with a choking feeling and great shortness of breath. I consulted our doctor and he gave me medicines, from which I derived no relief. He advised me to try a change of climate, so I went to the Sierra. While there I gradually got worse and could not sleep at night without the use of asthma smokes. Those relieved me for about one-half to one hour. When I came back to Oakland I went to a specialist on asthmatic troubles and he gave me vaccines. At first these gave me temporary relief. But I was gradually getting run down and my condition became worse, so I had to give up my position.

After going to two other doctors, I sold my home and went to Los Angeles. While there I visited another doctor, but he could not do anything for me. After staying in Los Angeles two months, and not getting any better, I returned to Oakland. I never slept more than one or two hours a night and I used as many as 15 asthma cigarettes during the night. My weight went down to 116 pounds. After suffering all this time friends asked me to try H. S. Low. I laughed at them but they persuaded me to give Chinese herbs a trial.

After one week I began to feel relief. I was certainly surprised. After a short time I found I could do without the asthma smokes. Now I can sleep all night and my weight is increasing. I am entirely cured.

I take pleasure in giving this testimony and trust it will be the means of helping other sufferers of this terrible disease. (Signed) CHARLES F. HOAG, Formerly of 3778 39th Avenue, Oakland, Calif. Now of Santa Barbara, Calif.

CHOICE HERBS FOR EVERY ILL
Others Being Cured—Why Not You?
