

Tight Game Expected Today as Senators Meet Schapp's

BECK, HELLNER TO DO HURLING

Ex-Coast Leaguer Recovers From Sore arm, Likely To Show old Form

Johnny Beck, who held the House of David team to nine hits, will be the Senators' starting pitcher against the giant Schapp's team of Portland at 2:30 o'clock this afternoon on Olinger field.

Either Hellner or Hatch will be on the mound for Schapp's, which has improved its offensive and won its last three games, including a 9 to 6 victory over Bend.

Beck was so engrossed in setting down the House of David's mighty sluggers here that he overworked his arm which had bothered him previously this season. Now after a complete rest he declares he is ready to show the State League team his offerings.

Deibert "Sneak" Wilson will probably pitch part of the game, as Manager Frank Bashor does not wish to overwork Beck and be again without his services.

The meagre reports from Bend last Sunday told of a six-run assault on Wilson, but failed to mention that Bend would have been retired scoreless except for an error. Also one of the reported home runs was a ground-er between an outfielder's legs.

Kenneth Manning will be on first base again today. From his vantage point in right field Manning has been able to learn a number of things about first base. As for his stick work Manning is outshooting Jimmy Fox and Lou Gehrig, prize first sackers of baseball, who of course are in slightly faster company.

Johnny Oravec will continue on second with Wood and Gribble on short and third. Bill Moye, the fire eating catcher, will be behind the plate.

In the outfield Bashor will rely on the speed of Foreman, Scates and either Colgan or Pemberton, depending on whether Manager Harold Repp starts Hellner or his southpaw pitcher Hatch.

Schapp's team is considered one of the smartest in the league, gaining much experience in the industrial mid-week league in Portland. Smith on second base is one of Nig Borleske's prodigies from Whitman who helped in winning from Andy Peterson two years ago. He figured in nine putouts here before, several of which would ordinarily have been hits.

Repp on short, Abbott on third, and Roberts in the outfield, are among the league leaders in hitting, and all play brilliant ball.

Carl Wood, who has a higher batting average than any other league regular, this season is leading the Solons at bat. The averages are:

Player	AB	R	Pct
Wood	24	10	.417
Manning	49	19	.388
Beck	3	1	.333
Gribble	17	3	.176

Hoss' Office Golfers Top News Hounds

The secretary of state's office proved to have too many real golfers for the Statesman squad, previously undefeated by a commercial or business team, and the state employees won their team match from the newshounds, 5 1/2 to 4 1/2 points.

Herb Lange saved the Statesman from a complete rout by halving his match with Carl Gabrielson. Some of the other matches were close, and the Statesman has asked for a rerun match to be played when one or two members return from vacations.

Pacific Northwest's Oldest and Biggest Water Show

The 1933 Astoria Regatta established in 1894 will be presented this year on August 31, September 1 and 2 at Astoria, Oregon, oldest white settlement in the northwest. Top—outboard speedsters skimming over the Columbia estuary; center, sail boat race in a thrilling finish. Lower left—aquaplaning stunts; lower center—life boat capsize drill by U. S. coast guard lifesaving crew; lower right—one of the numerous visiting cruisers.

60 BOATS ENTER ASTORIA REGATTA

ASTORIA, Ore., Aug. 19.—Astoria, Oregon, the oldest community in the Pacific northwest has plans nearing completion for the staging of the northwest's oldest and largest water sports show, the annual Astoria regatta to be presented on August 31, Sept. 1 and 2 of this year.

Over 60 outboard drivers have already entered for the races to be sanctioned this year by the American Power Boat association. Outboard racing over the wind ruffled surface of the Columbia river presents one of the most thrilling spectacles imaginable. Spills are numerous and clever piloting is necessary to keep the tiny craft safely skimming at express train speed over the difficult course.

Aquaplaning, swimming races, sail boat races, fish boat races, diving exhibitions, lifeboat capsize drills by the U. S. coast guard lifesaving crews; deep-sea diving demonstrations, marine parades, fireworks, dances and recreational activities of all kinds are listed on the three days program.

Famous Astor street, once named in the same breath with the old Barbary coast and the waterfront lanes of Alexandria, Egypt, will be brought back for a time in the "Pirates' Den" spectacle which will be one of the big fun features of the Astoria regatta. Roulette wheels, faro layouts, chuck-a-luck games, dancing girls and singing waiters who will wear their trays of foaming steins for a moment to warble a few of the sentimental ditties of the gay old days will be among the Pirates' Den attractions.

REPEAL CARRIES BY BIG MAJORITY

since August 1 to arouse Texas voters to a defense of prohibition. The dry cause also has received aid from former Governors Pat M. Neff and Dan Moody and an organized group of protestant ministers.

Joseph W. Bailey of Dallas, congressman-at-large, has been active in support of repeal.

C. N. McDonald of Wichita Falls, chairman of the repeal group, predicted the anti-prohibitionists would be victorious on all issues.

TRUCK MAN KILLED

BAKER, Ore., Aug. 19.—(AP)—Dexter Jackson of LaGrande, 37, was fatally injured today while unloading logs from a truck onto the docks at the Oregon Lumber company sawmill pond at Bates, Jackson, a contract hauler, died in an ambulance en route to Baker about four hours later. He had been working at the Bates plant for two weeks.

CURT COMMENTS

The summer sport season is drawing to a close but there is no falling off in activity, and with various intercity kitball contests in prospect, it appears that there will be no dearth of attractions right up to the start of football, which is only three weeks away.

Salem Golf club will start off the week's activities by meeting the Tillamook 20-man team at 9 o'clock this morning. This afternoon at 2:30 the Senators and Schapp's will renew their feud on Olinger field, and about the same time Mt. Angel and Sweet Home will be playing at Sweet Home in a Mid-Willamette Valley Baseball association playoff contest.

The Salem Kitball league play-off will start Monday night at 8 o'clock, with those well matched rivals, Pade's and Parker's on the firing line. They will play again Wednesday and Friday nights at the same hour on Sweetland field, and the admission price is one dime, the same as has been charged all season since the night contests began.

Tuesday is wrestling night as usual, with the only Eskimo professional grappler in captivity, Steve Oaki, meeting Salem's new favorite, George Bennett. Martin Barrackman, long absent but not forgotten by the fans, returns to the other half of the double main event. Jess McCann of Portland will meet Prof. Newton of Oregon City in the 6-manu opener.

A real treat is in store on Thursday, when Van Dyke's Colored House of David ball team comes here to play the Senators. These scions of old Africa are said to be just as strong and just as colorful as the white Daviddites, and their "shadow" game is as intriguing as the "pepper" game which the other team puts on as an added attraction. This will be a twilight game, giving employment to a large number of youngsters, and may be the next to the last ball game of the season here, unless the Senators wind up their undecided rivalries with the Elks and Silverton.

Silverton Beats House of David

SILVERTON, Aug. 19.—A large crowd of Silverton defeat the Negro House of David ball team 12 to 2 tonight. Burch for Silverton struck out seven men and Williams for House of David struck out four men. The visitors put on an exhibition of pepper ball which was well received. Batteries: Silverton; Burch and C. Johnson; House of David; Williams and Gray.

A game will be arranged with the Salem Senators here soon to settle the score between the two teams.

Tennis League Being Planned For Next Year

Plans for a tennis league covering the Willamette valley and southwestern Washington, each city entering a six-man team, are in the making and the league probably will blossom forth next spring. Salem, Eugene, Portland, Longview and Olympia are expected to enter teams and other cities may also participate.

A Salem team is going to Longview today to play the six-man aggregation there. Salem players making the trip are Jim and Harold Beall, Stayner, Saunders, Murock and Kemp.

BEAVERS CLEAN UP ON HOLLYWOOD 10-4

Doubles and Home Runs Give Portland Game; Missions Win

LOS ANGELES, Aug. 19.—(AP)—Spencer Abbott's busy Beavers from Portland, refused to collapse tonight after gaining an eight run lead and humbled the Hollywood Shieks 10 to 4 in a baseball game with an effusive exhibit of base hits that included mostly doubles and home runs.

A six run rally in the sixth salted the game away for Portland. Abbott's help hammered Buzz Wetzel and George Buchanan lustily to pile up nine runs in the first five innings.

SAN FRANCISCO, Aug. 19.—(AP)—San Francisco's Missions scored an easy 10-4 win over the Seattle Indians today to take a three to two edge in the series.

The locals pounded Phil Page all over the lot and drove him out of the box in the sixth on a four-run rally, "Junk" Walters relieving. Orv Mohler, Mission shortstop, hit a home run over the left field fence in the third with a man on base. Lloyd Johnson, Mission southpaw, pitched steady ball for eight innings. He eased up in the ninth when the visitors bunched hits with an error and a walk to score three runs.

SACRAMENTO, Aug. 19.—(AP)—Repeating his three-hit shutout of last Tuesday night, Buck Newsom pitched the Angels to their fourth victory here tonight by scoring a 2 to 0 victory. In the 18 innings he faced the Solons here, Newsom struck out 20 men, ten in each game, and hung up his 22nd victory of the year. He allowed six hits in both games, evenly divided and two of the hits in each game were of the infield variety. It was the third straight shutout victory as Newman had shut out Seattle August 12, 15 to 0. Previous to that he had three scoreless innings so that he had now pitched 20 perfect frames, within six innings of Jimmy Whalen's record of 36 frames scored for San Francisco in 1905.

A run in the fifth on singles by Cronin and Stutz sandwiching a sacrifice and a double by Stainback after Gudat singled infield to French in the eighth was all the Angels could do with Beryl Horne who hurled a fair game himself.

OAKLAND, Aug. 19.—(AP)—Art Garibaldi's two bagger, scoring Elias Funk, broke up a deadlock in the ninth inning today and gave the San Francisco Seals a 7-6 win over Oakland.

The Seals came from behind in the sixth to tie the count with a four-run rally that drove Bill Ludolph to the showers. The Oaks pitcher had started out with a comfortable lead. In the second inning his team mates bunched hits on Lee Stine for a five run lead, the tallies coming from four hits and two walks.

Sacramento.....7 13 0
Oakland.....6 9 3
Stine and Bottarini; Ludolph, Sallansen, Gabler and Veitman.

KIT BALL FINALS START TOMORROW

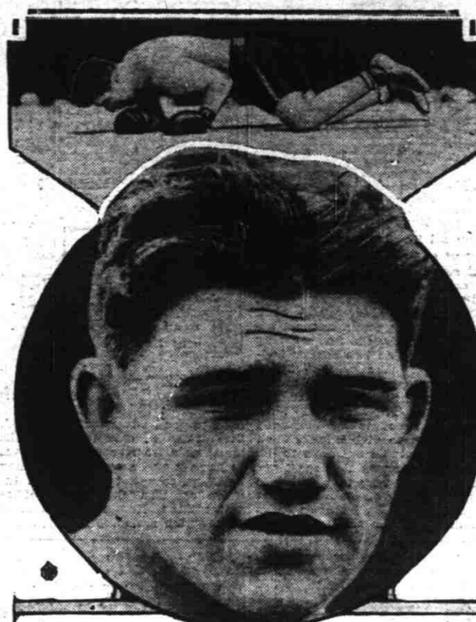

Tomorrow night the first of the championship series in the local kit ball league will be played on Sweetland field between Parker's and Pade's teams who are leading the league. The second game will be Wednesday; and the third, if it is necessary, to decide the series, will follow on Thursday. Games start at 8 o'clock. Same admission price will hold, and proceeds go to Willamette to apply on cost of installing the lights.

The following shows the record of the players on both teams during the series to date. The positions indicate the starting line-up on Monday night's game.

Tillamook's Golfers to Come Today

Golfers from Tillamook will be entertained by the Salem Golf club on the course here today, the team match being scheduled to start at 9 a. m. Tillamook is bringing 20 men and the local club has lined up a team of that size to meet them.

The Salem team includes Woodmansee, Flannery, Cline, Priener, Bonesteel, Skelley, G. Prime, Crews, Day, Starr, Higgins, Hammond, Armprist, F. Prime, McFarland, Kuhn, Bernhardt, Hill, Burch, Wolgast.

Salem was entertained royally at Tillamook a few weeks ago, and is planning to do as well for the visitors today. Salem won by a narrow margin in the first contest.

Shurst is Named Klamath Manager For Home Loans

PORTLAND, Ore., Aug. 19.—(AP)—Edward E. Shurst of Klamath Falls was today appointed manager of the branch office of the federal home owners' loan corporation in that city.

The announcement was made by H. E. Walter, assistant manager of the state organization, who was advised of the appointment in a telegram from J. P. Lipscomb who was today at La Grande.

The message did not mention what progress had been made in selecting a manager for the La Grande branch of the Home Owners' Loan corporation although this announcement was expected to be made today.

WHEAT PROBLEMS HOLD ATTENTION

to be required of American farmers in order to become eligible for benefit payments of up to \$135,000.00.

Representatives of the chief wheat producing nations gathered at London for the reconvening of the world wheat conference Monday. Several important decisions affecting American wheat policy may be secured.

Representatives of farm administrators and the grain industry prepared for another meeting Monday at Portland to explore the possibilities of a trade agreement among exporters to move surplus wheat out of that region to the orient with government support.

Meanwhile, in school houses, court rooms and country auditoriums throughout the four major wheat producing areas in the United States farmers were being brought together in meetings to develop arrangements for application of the voluntary domestic allotment plan to the grain.

Wallace and his aides said their minds are "open" on the decision as to the acreage reduction to be required up to a maximum of 20 per cent covering planting for harvest in 1934.

In event an international agreement to reduce production is arrived at for the United States, Canada, Australia and Argentina the administrators are willing to reduce American production more than if this country alone embarks upon a production curtailment program.

If there is no agreement, administrators are inclined to require a reduction of no more than 10 per cent for 1934 plantings; in case an international agreement results, some of them believe that the country could offer a reduction of 15 per cent.

GETS JUDGMENT IN GRAIN CASE

INDEPENDENCE, August 19.—In an action brought against Carl and Chester Dodson of Monmouth by L. L. Hershberger of Canby, Mr. Hershberger was awarded judgment for a bill of \$152.30 incurred by the Dodsons two years ago, for storage and cleaning grain while Hershberger operated the mill here. The trial was held in Judge McIntosh's court this week.

A counter charge entered by the Dodsons stating that they had delivered clover seed to the mill to an amount exceeding \$600 which sum was never paid, was filed at court, with the added specification from the defendants that they would be willing to settle the entire claim for \$245.

A previous check on Mr. Hershberger's revenues revealed the sum due the Dodsons for a delivery of clover seed, nor did the Dodsons introduce any papers substantiating the claim.

The jury included E. A. Dunckel, Joe Guild, F. W. Berry, C. L. Carey, L. W. Porterfield and O. B. Travis.

Adopted by the National Editorial association, the code provides a standard minimum wage for all mechanics or shop workers of 40 cents an hour for men and 30 cents for women.

A sub-code relating to publisher-printer relations and exempting from the working hour limitations all employees classed as professional persons such as members of editorial and photography staffs was adopted also.

Fear Two Boys Drowned in River

THE DALLES, Ore., Aug. 19.—(AP)—Fear that two 9-year-old boys, Merrill R. Pratt and Edward Atchley, had drowned in the Columbia river was expressed today when their clothing was discovered on the river bank near Lyle, Wash.

The boys, who had been missing all night, were believed to have gone in swimming after dark. Marks on the sand near the clothing indicated they had gone in the water several times. The river was dragged late today.

Fathers of the boys are Mr. and Mrs. Arlie Pratt of Colville, Wash., and Mr. and Mrs. Frank J. Atchley of 813 Grant street, Vancouver, Wash. The men were at Lyle for construction work on the Evergreen highway.

Georgia's first bale of 1933 cotton was sold at Savannah for 20 cents a pound.
