Interesting Facts

Wheat benefit payments to Marion county wheat growers, under the agricultural adjustment act, will be around 25 cents per bushel, and 25 cents of this amount will be available around September 15, and the remainder next spring after planting time.

Hop picking is just starting in Oregon and as Salem is the center of the hop fields of Oregon it is expected that local business will show a reaction of this industry as it will provide employment for thousands. There is nearly 18,000 acres of hops in Marion and Polk counties.

Hop pickers will do well to read Friday's Statesman and use it as their guide in buying foods and supplies.

One of the members of Dr. Pound's Sunday school class was trying to find out how the doctor behaved on the golf course so he asked the doctor's son if the doctor ever wore a hat when he made a shot. "No, but he can throw his club an awfully long way," was the reply.
