

Local News Briefs

Fire Costs \$1175—Fire which recently destroyed a portion of the garage at the rear of the Roberts apartments, 147 South Winter street, will cost \$1175 in repairs, a building permit taken out yesterday by John Roberts, owner, indicates. Other permits went to Arthur Moore for store alterations at 235 North High street at cost of \$250; S. R. Kennedy to re-roof a dwelling at 1545 North Capitol street, \$135.70, and E. Overgard, to re-roof a dwelling at 1575 North 21st street, \$50.

Shingle Dust Burns—City firemen spent two hours early yesterday morning extinguishing fire in the sawdust pile at the foot of Bellevue street, site of the old shingle mill. The blaze was believed to have spread from fires built by transient men who use the old mill structure for a camp. A fire starting from a similar source there last year for a time threatened to destroy the old building.

Wanted—Women and girls to operate ice cream and drink stands at the State Fair. References and deposit required. Apply now to Ed L. Moore, Supt. of Concessions, at Fairgrounds office.

Savings Released—Release of an additional five per cent in the savings deposits of the Troutdale State bank was announced here yesterday by A. A. Schramm, state superintendent of banks. The order is effective tomorrow. The bank will then have unrestricted deposits of 20 per cent in both its commercial and savings departments.

Guests of Walker—C. G. Walker, district manager here for the General Petroleum corporation, yesterday had as his guests at golf on the Salem club course H. W. Taylor, Los Angeles, Pacific coast manager of the corporation's lubricants department; M. D. Leh, Oregon division manager, and W. F. Carper, Oregon lubricants manager, the latter two from Portland.

Watts Given Summons—City police yesterday gave Loren Watts, route 7, a summons to appear in municipal court to answer to a charge of reckless driving. Milton McKinney of Turner also was arrested on a charge of speeding through an intersection, police records show.

Obituary

Caswell
At the residence five miles east of Salem, August 31, Clark Caswell at the age of 72 years. Survived by brothers, Lewis and Perry Caswell of Salem and sister, Mrs. Marion Burris of British Columbia. Funeral announcements later by W. T. Rigdon and Son.

A Sale Dedicated to LABOR

Pay'n Takit dedicates this sale to the achievements of labor . . . the great edifices of stone and steel . . . the iron monsters of road, rail, and water transportation . . . the graceful spans that bridge the waterways . . . the generation and harnessing of electric power . . . radio and wire communication . . . science and invention. All are monuments to labor, achievements of the workingman, and worthy of honor.

Opening Hours
935 South Commercial Street Open Until 9 p.m. Daily
Court and Commercial Street Open Until 9 p.m. Saturday Only

Last but not least, Pay'n Takit dedicates this Labor Day Sale to Labor because Pay'n Takit Stores in themselves are dedicated to the workingman. Convenient shopping facilities, wide variety of merchandise, and low, everyday prices, make a direct appeal to his requirements. And now, during this sale, he will find an out-of-the-ordinary opportunity to stock up heavily for future needs at lowest prevailing prices. For his immediate needs he will find he can save materially on supplies for the double holiday.

Assure Yourself a Trouble Free LABOR DAY TRIP

NO TIRES COMPARE with the new fatigue-proof Kelly-Springfields

. . . and they cost no more than ordinary tires

6 TIMES FORTIFIED against wear and failure

- 1 CORKSCREW COTTON—A Kelly-Springfield discovery . . . scarce, expensive, far kinder than ordinary cotton . . . used only in these tires.
- 2 GUM-FORCED FLIES—an enormous improvement in tire building. Pure rubber compounds, under tons of pressure, are forced right into the weave!
- 3 PRIME FIRST RUBBER—only used in these tires (there are 5 grades of raw rubber), none of the cheaper, inferior grades used in other tires.
- 4 VITALIZED RUBBER TREADS—bigger, deeper, thicker . . . New vulcanizing agents . . . New secret processes . . . Never-before-known mileage.
- 5 ALL NON-SKID—95% more non-skid than best leading make—also, the most silent tires ever made.
- 6 Made by the new MONITOR SYSTEM—that controls every material and every process—then tested by mountain fleets on the world's toughest testing grounds.

DONT BUY TIRES until you've seen these
