

A Two-Day Holiday
Your Last Summer Trip

Today, if you're planning a trip over Labor Day, is none too soon for a final check-up of your car. Tires, lubrication and water systems—all need to be checked. You'll save time if you bring your car here.

We Suggest

SHELL "CERTIFIED" LUBRICATION BEFORE YOUR TRIP

A thorough lubrication job before you leave should carry you the entire distance of the trip.

We can suggest nothing better than Shell "Certified" Lubrication—the system that assures you that the job is done exactly according to the specifications furnished by the manufacturer of your car.

Shell lubricants will stand up under the most gruelling driving conditions — another reason why we feel that we can safely recommend this service to you.

We Go a Long Way to Make Friends

JULIA ANN VAUGHN REACHES 85TH YEAR

Daughter of Jefferson Pioneers is Feted; Cow Steps on Dog

JEFFERSON, Aug. 31.—Relatives and friends called during the day and evening of Monday at the home of Mrs. Julia Ann Vaughn, the occasion being her 85th birthday anniversary. Dinner guests at her home were Mrs. Fannie Butler and Mrs. Florence Canavan of Albany, and Mrs. John Foster of Lebanon. Mrs. Vaughn received many lovely gifts.

Mrs. Vaughn is the daughter of Mr. and Mrs. James Bates who took up the first donation land claim in the early days, at the present site of Jefferson. They also built the first house in Jefferson.

Mrs. Vaughn has a wonderful memory, and it is especially interesting to hear her tell of the early history of Jefferson. She has been a life long resident here and can relate facts, and interesting history.

Tuesday evening a peculiar accident occurred at the Karl Kihns ranch northeast of here. Their collie dog was driving the cows into the barn at milking time, and somehow one of the cows stepped on the dog's hind leg, breaking it above the joint. An anesthetic was given the dog and his leg was bound up.

The break being in such a bad place, it is feared that he may not have any use of it. The collie is a good stock dog.

Mrs. Paul McKee invited a group of friends at her home Tuesday evening to help her daughter Jean celebrate her 17th birthday. Cards and dancing

MACHADO ORDERED TO ARMY "DUTIES"

HAVANA, Aug. 31.—(AP)—An order for ex-President Gerardo Machado and six other retired Cuban army officers to report back for active duty was issued Thursday following upon a cabinet session at which President Carlos Manuel de Cespedes said he would study the question of effecting immediate constitutional reforms and would do "as the people wish."

GIRL TO INGERMANSONS

NEW ARRIVALS BOYS

HUBBARD, Aug. 31.—A baby boy was born to Mr. and Mrs. John Schwanbauer at the Anna hospital Saturday, August 26. A baby boy was also born to Mr. and Mrs. J. B. Yoder Tuesday, August 29 at their home.
