COOPERATING WITH THE

NATIONAL RECOVERY ACT

AND NOW WE HOPE YOU'LL LIKE IT

After weeks of working and planning, re-arranging, installing new fixtures and in a hundred different ways modernizing the whole store we are inviting you to visit us during our three days opening sale, we believe you will be proud that you yourself have had a part in bringing Salem a store featuring as it does so many advantages to the thrifty people of this community. Prices to be sure are an important consideration. That feature we are sure you will admit is one attraction this store has always had, especially so since this store is purely a local store. Yet there's another feature of this store one senses the instant the store is entered, that is important to every one, and that's the sanitary features. Large, roomy, well-lighted, conveniently located display counters add to the pleasure of shopping in this, Salem's newest store.
