

# Bearcats Outplay Staters Three Periods, Lose 21-0

## RESERVES GAIN O. S. C. VICTORY

Willamette Squad Finally Worn Down; Sons Lose By Identical Score

By RALPH CURTIS  
CORVALLIS, Sept. 23.—(Special)—Effective demonstration that it is quantity rather than quality of football talent which makes the big college teams stronger than the little ones, was provided here today when Lonnie Stiner's Oregon State warriors handed 21 to 0 defeats indiscriminately to Southern Oregon Normal and to Willamette—but did all of their scoring, save for a safety in the S. O. N. S. game, in the last period of the two contests, after the visiting squads had become weary from much pounding.

And in each case Stiner had to forget his pre-announced plan to send separate squads against the two teams from smaller schools; in the first game he sent in some of the men he had planned to save for the second, and in the latter he returned to the field seven men who had started against the Sons and then rested for a couple of hours.

Bearcats Have Upper Hand, First Period  
Willamette more than held Oregon State even for the first three periods of the second game; with George Cannady packing the ball on sharp dashes off the weak side of the Orange line, they marched to Oregon State's 4-yard line in the first period. Oravec and Williams played important but less spectacular roles in this advance, which was stopped when a nice assortment of scoring plays went wrong. Two other serious threats were made by Willamette.

The Bearcat defense, with Grannis, Williams, Kaiser, Balkovic and Connors perhaps outstanding, was even more impressive than the attack, and Oregon State got no nearer than the 17-yard line in the first three periods.

Then as the final quarter opened Willamette was penalized half the distance to its goal and Stiner rushed in his fresh crew. Franklin and Joslin ripped at the weakening Bearcat line and in five plays Joslin went over. Third Touchdown—

Obtained on Fluke  
Oregon State then opened up with passes and marched down the field for its second score. Pangle carrying the ball over. With only five minutes left to play, the Orangemen started anew and scored on a fluke play to make the total the same as in the first game; Franklin faded far back of pass, saw no receiver and then started a dash that carried him all the way to score standing up.

One of the highlights of the game occurred when "Wienie" Kaiser of Willamette became involved in a fistful encounter with McIntosh and Blaneone of the Staters. "Wienie" more than held his own, but all three were banished from the game.

## Few New Faces at Oregon; Squad of Veterans

A squad of veteran players are expected to shine at University of Oregon this year, and pictured above are a few who will bear the brunt of offense and defense when Oregon meets Gonzaga in their first game. Above, left, big Mike Mikulak, who will hold down the fullback position. Middle, Mark Temple, backfield captain. Center, Stan Kostka, last year's regular back. Below, left, Bernie Hughes, fine defensive center. Right, Shorty Hahn, lineman, and in circle, Chuck Wishard, end.

Boy, it events at Portland and Corvallis haven't made this coming Saturday's game here between the Wolves and the Bearcats a "natural," we don't know our old build-up. It was demonstrated beyond any doubt that both Oregon Normal and Willamette have football teams this year. And how they'll love each other, after that clash a year ago!

The Wolves, we are assured by Salem fans who saw the game in Portland, are up to all of their old tricks, and a well-grounded team to boot, despite the fact that Larry Wolfe lost some of his veterans and has had to do some rebuilding. The old tackle sneak play was worked insofar as the Stagmen were concerned, but the referee spoiled it by being fooled also and calling the imaginary ball in the hands of the wrong man "dead" and blowing his whistle.

And the Bearcats exhibited at Corvallis yesterday some of the tightest defense they ever have mastered, up to the time that Lon Stiner took advantage of their fatigue and sent in a team of well-rested lettermen. Willamette's offense likewise was sufficient to indicated that it will be quite effective when the Bearcats get to playing in their own class, though it needs some working over which it will no doubt get this week. Spec said his squad got through the Beaver game with few injuries.

ship and first flights are in the semi-finals and the lower flights in the finals. Players who have not scheduled their matches, must report between 9 and 10 a. m. or default.

The big wrestling show at the armory is Tuesday night as usual. Ted Thyne and Al Karasick, a couple of thick-necked heavyweight bruisers, will provide the principal fireworks. The mystery one-hour bout is attracting a lot of interest, and we have already received several written guesses as to the participants. Get them to us by 6 o'clock Tuesday night and collect your four ringside seats—if you're a perfect guesser. Bob Philpott and Tuffy Davis are in the 30-minute affair.

Practice sessions will be in order on all of the local gridirons this week. Parrish will start work Monday. Harold Hawk says he has a couple of lettermen, Hoffer who was a fair pint-size half-back last fall, and Hughey.

The football menu this week is attractive; the old grads will court charley horses by playing Salem high Friday afternoon, and as aforementioned, Willamette and O. N. S. will play Saturday.

BOSTON, Sept. 23.—(AP)—Home runs by Babe Ruth and Lou Gehrig, the 31st of the season for each, provided the high spots to play as the New York Yankees slammed out a 16 to 12 victory over the Red Sox. Alameda hit a homer for Boston.

## STANFORD POUNCES ON SAN JOSE TEAM

PALO ALTO, Calif., Sept. 23.—(AP)—Gradually wearing down their opponents, Coach Tiny Thornhill's Stanford footballers made their debut under their new mentor here, this afternoon by turning back last year's far western conference champions, San Jose State college, 27 to 0, before 50,000 fans.

The Spartans, coached by Dud Degroot, former Stanford center, put up a stiff resistance in the first half allowing but one touchdown, that by Jack Hillman, Indiana fullback, who broke through left tackle, cut back and west 33 yards to a score. Bill Corbus, the all-coast guard, converted. Stanford scored once in the third period when half back Bobby Maents cracked through tackle from the two yard line to culminate a 30 yard drive.

Getting the Spartans on the run, the Cards rang the bell twice in the final quarter, once on a 17-yard pass from Jack Hillman to Bill Sim, and the second time a few minutes later when Bob O'Connor, Indian right guard, blocked Embury's kick on the 20-yard strip and fell on the loose ball over the goal line.

## Harris Resigns As Tiger Boss; Navin Is Sorry

DETROIT, Sept. 23.—(AP)—Explaining that he felt somebody else should have a chance to see what he could do with the Detroit Tigers, Stanley R. "Bucky" Harris today submitted his resignation to Frank J. Navin, the club's president.

Navin reluctantly announced his manager's resignation at the close of today's game with the St. Louis Browns, adding he had been unable to persuade Harris to change his mind.

## Huge Gallery Watches Dunlap Win Amateur

George Dunlap, Jr., new amateur champion of the United States, is shown putting on the 17th green near the close of the near-perfect morning round which clinched the title for him in the final match with Max Marston. He shot a 68 to break the course record, getting four birdies. He was not off the fairway at any time, and the round failed of being perfect only in that he missed a green on one approach, though only by two feet. He defeated Marston 6 and 5. There is no record of anyone ever having played a perfect round on a championship length course, and Dunlap's record undoubtedly ranks nearest to it.

## BULLDOG GIVES HUSKY TROUBLE

Gonzaga's No-Shutout Game Record Ended Despite Strong Showing

WASHINGTON STADIUM, SEATTLE, Sept. 23.—(AP)—Without uncovering their tricks to a small army of scouts, it took the brute power of the University of Washington first team to score a 13 to 0 victory over a courageous Gonzaga university football team in the first intercollegiate gridiron tussle in Seattle this season. It was a non-conference contest.

The Washington Huskies kept the Bulldogs backed up against the goal line throughout the 60 minutes of play, and spoiled their record of scoring against 18 consecutive opponents, but it was the gallant blue and white trimmed gridders from Spokane who made the tilt interesting for the 4,000 blanketed spectators who braved the raw rainy weather.

Washington opened up like it might run away with the ball game when it scored a touchdown in three minutes. The second time the Huskies got their hands on the ball, Art Ahonen, triple-threat halfback, hurled a pass straight down the middle of the field, and Orsa Pedersen, subbing for Matt Muszynski at the other half, cut into the open, hauled down the pigskin over his left shoulder and romped 10 yards to the goal line. The play was good for 35 yards.

But after Paul Sulcoski, broad shouldered fullback, failed in his attempt to score the extra point from placement, the Bulldogs fought off further Husky charges time and again.

Only once did Gonzaga reach the 50-yard line on its own offensive drives but the Bulldogs showed lots of fight and a strong defense.

Washington made victory safe in the third when Ole Hanson, substitute halfback, put his men within scoring distance by running back a punt 23 yards to the Gonzaga 12-yard line, and Ahonen slipped around left end to score standing up on the third play. Bill Smith, famous pass-snatching end, booted the extra point from placement.

## CHAMPS TRAMPLE TWO SMALL FOES

LOS ANGELES, Sept. 23.—(AP)—Southern California outnumbered outgained and outscored two opponents today to open the 1933 season with a double victory. Occidental college was defeated 39 to 0 and Whittier college fell 51 to 0 in the double header.

A crowd of 35,000 saw the Pacific coast conference champions get off to a flying start. The victors cleverly mixed an assortment of running and passing plays to confuse their opponents. Against Occidental the Trojans did comparatively little passing but in the second game half a dozen passers found just as many receivers ready to grasp flying footballs from the air.

Irvine Warburton, diminutive Southern California quarterback, suffered a cracked nose in the Whittier game and was removed to a hospital for observation but the injury was reported as not serious.

In the two games Coach Howard Jones sent two score Southern California players into action.

Harris today submitted his resignation to Frank J. Navin, the club's president.

Navin reluctantly announced his manager's resignation at the close of today's game with the St. Louis Browns, adding he had been unable to persuade Harris to change his mind.

## Bronco's Kicking Triumphs Over Bear, 7 to 1, in First Major Upset on Coast Grid

MEMORIAL STADIUM, Berkeley, Calif., Sept. 23.—(AP)—Striking in lightning fashion when a break of the game put them in possession of the ball twenty yards from the goal, Santa Clara's Broncos galloped down the touch-down trail for a few brief moments today to score a 7 to 0 victory over California's Bears and start the season on its way here with an upset.

Some 60,000 fans, the largest opening day crowd ever assembled here, saw Coach Clipper Smith's fleet footed squad match a brilliant and well earned win from the Golden Bear team Coach Bill Ingram had predicted would be the best he had developed at Berkeley.

The game was generally one of too much foot in football. Joe Paglia, Santa Clara's kicking ace, teed off one of his noted "coffin corner" punts in the first minutes of the game and from that time on, California's Bears were in a hole they were not able to clamber out of until the early part of the last period.

California's kicking was at the other extreme and it was a misbooted ball in the early minutes that proved the undoing of the blue and gold warriors.

From his own 4-yard line, Bertoli, starting left half for the Bears, kicked a ball that traveled 16 yards before it went out of bounds.

Sobrero, sub Santa Clara left half, went around left end to put the oval fifteen yards from goal. Kalkki, right half, rounded the line for four yards. Paglia, fullback, was stopped at the line but Kalkki came back for a nine yard run around right end.

From the two yard line, Sobrero plowed a cross the goal. Paglia added the extra point with a place kick.

## MARSHFIELD RIDER WINS WORLD TITLE

PENDELTON, Ore., Sept. 23.—(AP)—A brilliant ride through a cold, drizzling rain brought the world's bucking horse championship to Floyd Stillings of Marshfield, Ore., as the 24th annual Pendleton Round-Up came to a close here today.

Stillings entered the finals with three other bronco twisters. Norman Cown, Jack Myers and Erwin Collins. After a good ride on Dempsey, in the semi-finals, Stillings drew Russ Hawkings, a big sorrel.

Straight across the arena he rode the pitching, snorting outlaw, spurring him at every jump. His ride was a feature of the closing day that won the acclaim of 20,000 spectators.

Bob Crosby, Round-Up entrant from Kenna, N. M., thrice all-around cowboy winner at Pendleton, won the steer-roping contest when he threw his animal today in 22 seconds flat, to give him a grand total for three days of 65 5-seconds, or an average of 21 4-5 seconds.

## Cougars Flashy At Times; Beat Whitman 48 to 0

PULLMAN, Wash., Sept. 23.—(AP)—Washington State's Cougars showed flashes of great power as they bowled over Whitman 48 to 0, in a practice game today.

At the end of the regulation four quarters the teams went on for two quarters more for practice. The Cougar warriors pulled up four touchdowns in the opening period with a straight running attack.

Coach O. E. Hollingbery used his full Washington State squad, making substitutions by full teams. "Big" Borleski, veteran Whitman coach, likewise used every man he brought to Pullman.

LOS ANGELES, Sept. 23.—(AP)—Los Angeles advanced another step toward the Pacific coast league pennant tonight by defeating Hollywood, 10 to 2.

The Stars started promisingly with a run each in the first and third innings, but Buck Newsom tightened and held them scoreless the rest of the game.

Miljus blanked the Angels until the sixth, when he walked Gudat, Stainback and Oglesby, filling the bases, whereupon Lillard slammed his next offering over the left field fence, a few minutes later Newsom touched him for a double to score two.

And Angels added another run in the seventh and three more in the eighth to make sure of victory. It was Newsom's 15th straight win and his 31st for the season.

## Uclans Fail To Impress in Win Over San Diego

LOS ANGELES, Sept. 23.—(AP)—After they had won in a romp from Los Angeles Junior college's reserve team, 34 to 0, the U. C. L. A. Bruins were hard pressed to score a 13 to 0 victory over San Diego State college today in the second half of a double header.

Coach Bill Spaulding shuffled his first string frequently in the nightcap and they outplayed San Diego by a wide margin, insofar as the statistics are involved, but it was quite evident that the punch was lacking and that there are quite a few rough spots to be polished off, both in line and backfield.

## Students Crack Up Marks' Car, Tear Out Fence

Don Thomas, university student of Eugene, ruefully appeared at the district state police headquarters in city hall early Saturday morning to report that he had completely demolished an automobile belonging to ex-State Senator Willard Marks of Albany on the Pacific highway at the Sunnyside bridge south of Salem. Thomas suffered only minor cuts and bruises while Robert Marks, son of the ex-senator, escaped injury.

Thomas, who was driving, apparently did not understand use of the free wheeling mechanism with the result the car got out of control, hit a fence on one side of the road, then veered to the other side and tore out 50 feet of fence, according to state police report.

Johnny Fischer, of Cincinnati, O., and the University of Michigan, who not only won the medal for the qualifying round of the national amateur golf championship, but in so doing set a new record for the tournament qualifying round and also for the Kenwood Club course at Cincinnati.
