

SCHOOL BONDS ALL PAID OFF

So District Patrons Hold Special Ceremony; Teachers Honored

MOLALLA, Sept. 25.—Twenty-eight \$500 bonds that had been paid off at the rate of \$1000 a year were set fire to Friday night at the reception for the old and new grammar school teachers, commemorating the fact that the school building is now completely paid for. The reception was in the school auditorium.

O. G. Foglesong, chairman of the school board, officiated at the ceremony, which was in memory of W. A. Shaver and Earl Engle, chairman and clerk respectively, at the time the school house was built. The total cost of the school building, Mr. Foglesong told the large audience, amounts to \$23,435. The bonds were for \$14,000 and the interest totaled \$9355.

Other numbers of the program included the introduction of old and new teachers; welcome from the community by the Rev. Harold Miles; welcome from the parents by Mrs. E. G. Miller; talk by Forrest Dunton, the new principal; introduction of Boy Scouts, Camp Fire girls and their leaders; piano solo, Vera Kester; dialogue, Macy and Lenore Elkins; vocal solo, Marguerite Miles; and a piano duet, Mrs. Catherine O'Connor and Marie O'Connor. Mrs. J. J. Waller, president of the P. T. A., presided at the meeting. Refreshments were served.

Boy Scouts Active

MOLALLA, Sept. 25.—New headquarters for the Boy Scouts will be in the grammar school, according to the plans of the scoutmaster, Olin Shaver. Previously, the scouts had been meeting in the Grange hall, but a special room will be prepared for them in the school. Mr. Shaver has procured as his assistants in scout work this winter Forrest Dunton, J. J. Waller, and Gerald Dicken. Dr. F. E. Hume, Frank Dicken, Harry Harvey, Harry Frazer and Wally Boyd have also agreed to help the boys in special project work. A group of eight or ten boys is preparing to advance to second class scouts during October. The troops are also planning one evening and one over-night hike for this fall.

To Plan Quilt Show
MOLALLA, Sept. 25.—Plans for the annual quilt show will be discussed at the next business meeting of the Ladies' Aid, October 4, says the president, Mrs. O. Foglesong. The meeting will be held as usual in the Methodist church. The quilt show replaces the bazaar the Ladies' Aid sponsored for many years.

250,000 Farmers Celebrate At The Chicago World's Fair

Farmers Week at "A Century of Progress" attracted one of the largest groups of farmers ever assembled. They came from all parts of the country to witness the exhibits and displays. A spectacular feature of the week was the Farmers' parade, staged from downtown Chicago through the fair grounds. Some of the views above show types of farm equipment to which the pneumatic tires has been adapted. These displays likely will have an important influence on 1934 farming operations.

"I USE HYDRAULIC BRAKES 600 TIMES A DAY!"

AN INTERVIEW WITH JOSEPH PRENER, DIV. CIRCULATION MGR., LOUISVILLE (KY.) HERALD-POST

"No more of the old kind for me... after owning a Plymouth"

NINETY-FIVE news-stands wait eagerly for Joe Prener to come rushing around every time a new edition hits the street. He's got to make time... keep a split-second schedule... claim on brakes 600 times a day. Working his brakes so hard on his former car cost him plenty for adjustments and re-lining. But with Plymouth's hydraulic brakes, it's a far different story. They're always equalized. And brake linings last longer! Brakes are not the only thing that must stand up on Joe Prener's cars. For he puts 50,000 miles a year on the speedometer. His car is still "tight as a drum" at 12,000 miles. Floating Power engine mountings helped do this. It stands to reason, too, you'll avoid rattles with a welded safety-steel body that has no joints to loosen.

Look at the things that make a car stand up when you look at "all three" low-priced cars—and we think you'll pick a Plymouth.
