WOODBURN, Sept. 28. — Definite assurance has been given that Woodburn will have some sort of a sign at the Pacific highway junction soon. Dr. Gerald B. Smith and Ray Glati have been delegated by the Woodburn chamber of commerce to buy some kind of a marker that will indicate to persons traveling along the Pacific highway that the city of Woodburn is located 11 blocks to the west.

The men have only \$100 to spend for the marker, that amount having been received from the state highway commission for the old arch that stretched across the highway before the new road was put in. Smith and Glati have tentatively planned to have a Neon sign installed somewhere near the junction of Young street and the highway.

The men have been dickered for some time for a sign, but could not do anything definite till the highway was completed.
