Prizes to the four high players in each section were awarded by the tournament conductor, Mrs. Quinn, through the courtesy of Miller's and Bishop's. Mrs. Quinn also awarded runner-up prizes to each of the four next to high players in each section.

Door prize awards went to Mrs. Prince Byrd, to Mrs. Roy Simmons, to Mrs. C. W. Paulus and to Mrs. W. W. Baum.

On display in the hotel lobby last night were the grand prizes to be awarded at the conclusion of the tournament.

Door prizes were furnished last night through the courtesy of the Oregon School of Beauty Culture, 218 N. Commercial street, the DuBois Barber shop, Masonic building, the management of the Warner Bros. theatre and The Oregon Statesman.

Dr. and Mrs. Baum, in section one, took the undisturbed top on the play of hand 18, one of the most interesting deals of the evening, according to Mrs. Quinn.

On this hand the Baums made more than 2200 points on a bid of seven diamonds which was doubled by their opponents.

Dr. Albrech and Dr. Blatchford and Mrs. Quisenberry and Mrs. Hixon at two other teams bid and made six hearts on this hand.

The hand was:

North ♠-K-8, ♠-Q-10-8-7-6, ♠-J-2, ♠-A-K-10-5, ♠-10-6-5-4-2, ♠-9-7, ♠-K-9-8-3, ♠-10-8-7-5, ♠-9-4, ♠-9-8-7-3-2

South ♠-A-Q-J-3, ♠-A-K-Q-6-5, ♠-8, ♠-A-Q-J-3, ♠-A-K-Q-6-5, ♠-8

Mrs. Quinn, after the tournament, expressed herself as well pleased with the showing of Salem players.

"Obviously many players had never entered a tournament before and play and scoring was new," she commented.

"After last night's games this feeling of strangeness will pass. As a result next Tuesday's play will be faster and more accurate."

The majority of players indicated they looked forward to the next week with the view of building up one or more additional sections.

The play was somewhat slowed up Tuesday by the novelty of the contract game at duplicate for most players. In addition, one section had 11 tables which forced the play of four more than the regulation 12 hands.

While each evening is complete in itself, scores made last night can be counted towards the grand prizes. If players wish to discard these scores they may do so, applying only their six best evening's scores to the grand prizes.

This allows players to obviate the drag which an evening's play brings and also to start one or two evenings after the first play was held.

Hands played Tuesday night were arranged before the tournament by Mrs. Quinn and each section had identical hands except that section two had four more than section one. Whether hands will be arranged or dealt next Tuesday night depends on the wishes of the players.

Any prizes not received by winners last night are available at the hotel today. Scores will also be available to all players upon application at the desk. Duplicate boards may be borrowed from the Statesman for practice play any night this week.

If you want to GET RID of Constipation worries—

Science says Today use a LIQUID Laxative

- 1. Control intestinal action exactly—no "purging"
2. Measure to suit your individual needs to the drop
3. Banish Bowel Fatigue and the laxative habit

Here's Why: Any hospital offers evidence of the harm done by harsh laxatives that drain the system, weaken the bowel muscles, and in some cases even affect the liver and kidneys.

A doctor will tell you that the unwise choice of laxatives is a common cause of chronic constipation. Fortunately, the public is fast returning to the use of laxatives in liquid form.

A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to take "a double dose" a day or two later.

In buying any laxative, always read the label. Note the claims, but the contents. If it contains one doubtful drug, don't take it. Dr. Caldwell's Syrup Pepsin is a prescription preparation in which there are no mineral drugs. Its ingredients are on the label. By using

it, you avoid danger of bowel strain. You can keep the bowels regular, and comfortable; you can make constipated spells as rare as colds.

The liquid test: This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics:

1. First, Select a good liquid laxative. 2. Take the dose you find is suited to your system. 3. Gradually reduce the dose until bowels are moving regularly without any need of stimulation.

Syrup Pepsin has the highest standing among liquid laxatives, and is the one generally used. It contains senna, a natural laxative which is perfectly safe for the youngest child. Your druggist has Dr. Caldwell's Syrup Pepsin.

Announcing by loud speakers in autos in the downtown district of Salem was banned Monday night by the city council when it modified and passed an ordinance restricting such broadcasting introduced several weeks ago. Originally the measure prohibited all loud-speaking broadcasts about town, except those deemed of general importance.

A delegation of theatre men were at the council meeting and through their protests made before the session, secured the amendment, made by the council in committee of the whole.

The council advanced through three readings and passed an ordinance which will ban walking marathons and similar enterprises from Salem. Councilmen stated that such an amusement was being projected for Salem by a southern California promoter.
