

### BUCKEROO PROSPECT WILL BE DISCUSSED

By Molalla Business men at Meeting Called for Next Tuesday

MOLALLA, Oct. 5.—Plans for a meeting of Molalla business men to discuss prospects for continuing the Buckeroo were made at the Tuesday night meeting of the Buckeroo association. The rally meeting will be October 17 and the business men will be encouraged to express their opinions about the Buckeroo and to make suggestions for its betterment, according to F. M. Henriksen, president of the association.

Buckeroo sponsors are hoping to find out at the meeting whether Molalla people want to continue putting on the annual show.

Attending Institute Meet  
The Rev. Harold Miles, pastor of the First Methodist church here and business manager of the Falls City Institute, and Opal Fogelson of Molalla, student council-elect, will attend the fall meeting of the institute Friday afternoon at the First Methodist church in Portland.

Mrs. Glen Kirkwood and Don Hartung were winners of first prizes at the Eastern Star card party following the regular chapter meeting Tuesday night at the Odd Fellows hall.

### FINANCIAL REPORT OF Y. ENCOURAGING

Report for the Y. M. C. A. which closed its fiscal year September 30, was made to the board of directors Thursday noon and showed that the Y. had balanced its budget during the year. It met all its expenses during the year, paid over \$1000 on overdue notes, and over \$1000 on previous year's bills, closing the year with a book overdraft of \$463.83. President W. I. Staley of the board expressed himself as well pleased with the showing made during the year of severe depression. Most of the saving came in the salary list where drastic cuts were made.

With this record for the past year the board feels heartened to go ahead with the annual membership campaign which will start next Wednesday. Teams have been chosen and a kick-off dinner will be held Wednesday night which will feature founders of the association.

Physical Director Dwight Adams reported that fall classes in gym work are now being formed for men and boys, women and girls.

### SUNSHINE STARTS MILL'S ACTIVITIES

AIRLIE, Oct. 5.—Cooper Brothers have started their mill again after three weeks of rain. Frank Cooper is hauling slab wood to Monmouth, bringing back a load of tiles for J. F. Wienert, who is putting in a tile drainage in his fields.

Mr. and Mrs. Norton and family moved to Salem Tuesday and their place will be taken by a Salem family.

Lyle McKibbens, who is in the Deaconess hospital at Salem, suffering from the loss of three fingers cut off by a wood saw, is reported doing well as can be expected.

MONMOUTH, Oct. 5.—Student body officers for Monmouth high school were elected this week as follows: Cyril Wilson, president; Al Snider, vice-president; Birdine Derby, secretary; Mabel Schirman, treasurer; Annetta Schwetzer, editor of High Times.

### 30-Year Celebration For Stayton Catholics Gets Crowd of Old Residents

STAYTON, Oct. 5.—St. Mary's church, Stayton, commemorated its 30th anniversary with real solemnity. At 8 o'clock the first mass was offered and a large number received holy communion. Time set for pontifical high mass was 10:30, with Rt. Rev. Mesgr. A. Lane officiating. Many friends

and old acquaintances came from Albany, Sublimity, Salem, Seaside, Jordan Shaw, Silverton, Mt. Angel and even Portland.

A very inspiring sermon was preached by Mesgr. A. Lane on "Blessings That Come to Us Through the Church." After mass, benediction with the blessed sacrament was given, followed by "Te Deum."

Nearly 400 at Dinner  
Following the services at the church the congregation and friends went to the pavilion in the city park, where an excellent meal was served by the women of the parish. It is estimated that between 300 and 400 were served. During the dinner and afternoon the Kerber orchestra played.

From 5 to 7 p. m. the women served lunch and following this an interesting program was given. Mayor George A. Smith acted as chairman and introduced, first, George Spaniol, who lived here for many years before the Catholic church was built and who told of incidents before the church here was built and also of the delegations sent to Portland to intercede with Archbishop Christie that a Catholic church might be built here. One thing Mr. Spaniol did not bring out, was that for the past 30 years he has led the choir, rain or shine, which indeed is quite a record.

Mr. Smith introduced Andrew Perry, who was in charge of erecting the church. The next speaker was Rt. Rev. Mesgr. A. Lane of Portland, who well remembered the efforts 30 years ago of the Catholic church here. At the time he was pastor at Albany, and also had charge of parishes at Lyons and Seaside later.

Early History Told  
Father Francis Scherbring of Sublimity spoke of his work at

Salem, Silverton and Shaw, and how later he was called to Sublimity to take care of the parish there with Stayton, as a mission which had been cared for for many years by Father A. Lanick. He told of his work in the parochial school here, the ready response of the Catholics of the section and the splendid work being done by the sisters since then.

The last speaker was Father J. Scherbring, present and first permanent pastor. Since his arrival the fine home has been built, which is acknowledged to be the best in the diocese.

Catholic membership here has increased greatly until the first church will soon be too small. Already additional ground has been secured for new construction when conditions warrant.

Administrator Named — Harry West has been named administrator of the estate of William West, deceased, succeeding the Bank of Woodburn, insolvent, which is retiring from its trust capacity.
