Epidemic Fear

Humphrey Declares he Condon School Cannot be Ousted By President

Trade Board Shakeup Is Reason Cited; Charges Made

WASHINGTON, Oct. 7-(AP) -President Roosevelt today ordered William E. Humphrey, an old-line republican, "removed" from office as a member of the federal trade commission, and Humphrey refused to recognize ing instructions to prevent spread the order, saying it was "in direct violation of the law."

After weeks of controversy, the president dispatched this twosentence letter by messenger to the commissioner's office: "I am in receipt of your letter

of September 27. Effective as of this date you are hereby removed from the office of commissioner of the federal trade commission.' A brief announcement from the White House late today made the statement that Humphrey had been removed and that George C. Matthews of Wisconsin, had been appointed in the place. White House officials said Matthews was a republican and that he had voted for President Hoover.

Mr. Roosevelt previously had written Humphrey that he felt their minds did not go along together and thought the aims of the administration would be better served by appointees of his Place Belongs to

Republican, Claim Pointing out tonight that the had held belonged by law to a republican, Humphrey said the new securities division of the commission, which administers the securities law, had been filled with democrats, and that the real reason for his own attempted removal was "fear that would know too much about what was being done, and would

Both legal and political dispute is expected to follow. While Humphrey would not discuss his plans, his friends expect him to take every legal recourse without to be indicted that day, along indulging in physical contest over with John J. "Boss" McLaughlin, possession of his suite of offices in the trade commission building. Republican party leaders, aware of the developing dispute, have indicated they would make a direct issue over presidential authority to remove officials of the

independent commission. Humphrey is an old-timer in politics. Years ago he was a republican power in the house. He

is a Seattle lawyer. President Coolidge appointed him to the commission in 1925, three men and a woman were held and when President Hoover reappointed him in 1932 he was confirmed by the senate over the opposition of democrats and inlependent republicans. His term would expire September 26, 1938. for what cash they would bring,

The decision to remove the led to the arrests. commissioner was a part of a plan for general reorganization of the commission. As another step the White House announced during the day that James M. Landis, a Harvard professor, has been appointed to fill a vacancy due to expiration of the term of Raymond Stevens.

Farmers are Urged to Join, not Hoard

PORTLAND, Oct. 7 .- (AP)-Indications that the North Pacific Emergency Export association, sistance of the government, 40,-000,000 bushels of Pacific northgrowers and seek exportation of the association met here today. Getting off to a swift start, the directors elected officers, recommended two men for important jobs and called a meeting of the executive committee for Monday.

Orris Dorman of Spokane, was elected president of the association. This was looked upon here as an important concession to the grain growers. Preston W. Smith of Portland, an exporter, was from the affair will go toward re- named vice - president. George B. Hayes of Seattle, a grain man without present affiliation, was elected secretary-treasurer. Under the plan exporters will

buy wheat at the domestic price and sell at the foreign market

"These exporters," Dorman explained, "must show a complete record of their transaction and then the comtroller's office here will pay them a handling fee of one cent per bushel and the differential lost by sale at the lesser foreign price." Observing that "many farmers

are sitting on their wheat hoping that this export thing will boost the domestic price of wheat," Dorman stated "we have no reason to beleve it will. I hope that these farmers will export all the surplus wheat in the Pacific north-

Dorman said the price to be offered farmers for their wheat will be one of the big issues at Monday's meeting.

### Fruit Growers Of Eugene Sign

EUGENE, Oct. 7-(AP)-The Eugene Fruit Growers association today signed the NRA walnut code, thus getting in line with the walnut packers throughout Oregon and California.

The fruit growers some time ago closed last year's pool or walnuts and filberts, being the first of the three major walnut associations in the state to do so.

#### Record Crop of Prunes is Grown

KEIZER, Oct. 7 .- (Special)-A record prune crop was that harvested by H. W. Bowden of this community from his five-acre orchard. The harvest, completed today, totaled 49 tons, 1500 pounds. The trees are 13 years old. Bowden today completed delivery of 49 tons to the Producers' can-

Negotiations in Good Faith Pledged at Insistence Of National Chief

Roosevelt Assails Efforts Of Some Employers for Special Privilege

WASHINGTON, Oct. 7-(AP) The pressure of President Roosevelt tonight won an agreement from the steel industry to en ter negotiations "in good faith" with representatives of the miners to settle the Pennsylvania coal strike.

Almost as a preamble to the discussions the chief executive dedicated a monument to the late Sampel Gompers, organized labor's chieftain for many years, with a declaration against some employers "who prefer government by a privileged class" and 'hot heads" among workers "who think that results can be obtained by noise or violence."

Aides of Hugh S. Johnson, re covery administrator, meanwhile, were pulling together the final details of the next distinct phase of the recovery drive: the "Now is the time to buy" movement beginning on Monday.

Employers the nation over have been urged to cooperate in the great merchandise selling campaign, and the administration said today reports "pledging every effort toward a smashing success," were pouring in by ev-
