

# ALUMNI EVENT DRAWS CROWD

### Mrs. Yerkes - Richards is Elected President of Mt. Angel Society

MT. ANGEL, Oct. 9. — Another memorable day was added to the history of Mt. Angel Normal school and academy Sunday when 150 old students returned to their alma mater for the alumni reunion. About 50 more paid tribute through the mail with regrets for their inability to attend.

A business meeting, presided over by Miss Mary Scollard, last year's president, was held at 2 p. m. The library report showed that 1210 books had been added to the school library during the past year, many donated by alumni.

A revised constitution and by-laws were read and adopted unanimously by the association after which election of officers was held. Those elected are: President, Mrs. Evangeline Yerkes-Richards; vice - presidents, Nellie Coles Cox, Helen Keber, Hazel Stone Rex, Pauline Salfield and Anna Erwert. Sister M. Beatrice was re-elected secretary-treasurer, and Sister M. Ida, historian.

A unique little program was presented by some of the Portland alumnae under the direction of Hazel Stone Rex. A piano duet, first played at an academy graduation in 1910 by Hazel Stone Rex and Elizabeth Weber of Portland, was played by nieces of Miss Weber, Elizabeth and Helen Prus. Acrobatic dance was given by Carola May Martin. Evangeline Yerkes-Richards gave a reading. The Mt. Angel alumnae contributed a song, accompanied by Sister M. Beatrice.

The assembly then proceeded to the dining hall, festive with ivy garlands and gold and white streamers. Rev. Alcua Heibel served as an inspiring toastmaster. Mother M. Edith greeted the alumni. A resume of the alumnae association was given by Mary C. Kavanaugh, sister of Judge Kavanaugh and one of the academy's first graduates. Mary B. Scollard gave reminiscences of the days when she attended the academy. Henrietta Horning - Kaiser in her address stressed the advantages of the present normal school and college extension. Rev. Father Vincent ended the addresses with a few short words of appreciation and commendation.

The remainder of the evening was spent in visiting, dancing and playing cards.

# LARGE PRUNE DRIER GOES UP IN FLAMES

DALLAS, Oct. 9. — The George Minty prune drier and warehouse, located on the Orr's corner road about two and one-half miles east of Dallas, were destroyed by fire about 4 o'clock Saturday afternoon. The origin of the fire was undetermined but it was breaking out of the tunnels when discovered.

It was a nine - tunnel drier, built during war times, and was operating at nearly full capacity. Approximately 65,000 tons of dried prunes were in the drier and warehouse and all these were a total loss. The drier and warehouse and all equipment were also a total loss. No accurate figures on the loss were obtainable but it was estimated that the loss would run at least \$10,000 on the buildings, equipment and fruit. Insurance was carried on 45,000 tons of the prunes destroyed, and \$2000 insurance was carried on the drier.

Due to the intense heat, the telephone lines near the drier were broken and no calls could be put through to Dallas for the fire department.

# New York Mayoralty Triangle

JOSEPH V. MCKEE  
MAJ. F. H. LA GUARDIA  
JOHN P. O'BRIEN

Following the dramatic entrance of Joseph V. McKee into the New York Mayoralty race, the greatest three-cornered battle in the history of the metropolis is predicted by political observers. In one corner is Mayor John P. O'Brien, Tammany incumbent, who succeeded to the turbulent throne of former Mayor Walker, after McKee had served as acting Mayor for two months. Opposing him is Mayor Fiorello LaGuardia, former member of Congress, who was defeated by Jimmy Walker in 1929. LaGuardia heads the Fusion ticket, sponsored by Judge Samuel Seabury, inveterate Tammany foe. McKee, in the third corner, opposes both as representatives of different brands of "Bossism," which he promises to eliminate from city government as independent candidate, unfettered by any "leader or party of leaders."

# BEER VOTING TODAY BRINGS EXCITEMENT

MONMOUTH, Oct. 9. — City authorities of Monmouth have scrutinizing the law on municipal voting carefully, and are now united on interpretation that only voters

may vote in the special election Tuesday, October 10, to decide the beer question who have established residence in Monmouth for six months or longer. Persons temporarily living here, but whose homes are elsewhere, cannot be qualified to vote in a municipal election, say the city dads. Last week, City Attorney C. F. Gillette, was of opinion that a more liberalized voting regulation might be recognized such as pre-

parils for state elections, under which students of the Oregon Normal school are permitted to ballot here on state and national measures. It is considered probable that Gillette will be eliminated from voting Tuesday since he maintains his residence at Independence, although his offices are in Monmouth.

There is going to be real excitement in Monmouth over the ballot outcome. It is the first time such an election has been held in Monmouth, this city having been dry since its inception, and voted dry in the state election last July.
