

SILVERTON LEGION PLANS CELEBRATION

SILVERTON, Oct. 17. — Planning for the Armistice day program was the principal feature of the business session of the local post of the American Legion Monday night in their club rooms at the armory. Kenneth Hansen, commander, appointed Dr. A. J. McCannel and C. J. Towe as program committee members; Harry Riches and C. E. Higginbotham in charge of the parade; and F. M. Powell, George Towe, James Scarth and Larry Austin to supervise the dance plans for the evening.

Reports were made of the progress of the employment bureau recently put into action at George's Place, with several applicants for jobs registered.

A vocal quartet was organized and will hold the first rehearsal Tuesday evening at the home of Mr. and Mrs. C. J. Towe.

The issuance of more scrip for the benefit of those who are paid in school warrants was discussed in reference to the petition circulated among the business houses by the teaching force of the schools, but no definite action was voted.

The members enjoyed a supper and social hour as guests of the auxiliary in the social rooms following the business session.

TUESDAY IS PAY UP DAY, CITY'S COURT

The \$100 fine was paid by N. K. Kiefer, route four truck driver who was arrested October 12 on Marion street near 12th on a charge of driving while intoxicated. The charge to which he eventually pleaded guilty was reckless driving.

Morris Jones of Brooks pleaded guilty to speeding and paid a \$5 fine. The other penalties, listed as forfeited bail, were: H. D. Jones and Lewis Rycraft, cutting corners, \$2.50 each; Marshall Woodell, failing to give right of way, \$2.50, and W. J. Bishop of West Salem, failing to stop, \$1.

Process Tax on Field Corn Due Soon, Is Word

That "processing and other taxes with respect to field corn will probably become effective about November 1, 1933" was the surprise revelation in the mail received at the internal revenue offices here. The notice from the federal treasury department lists the proposed taxable corn products and a group proposed to be tax-free. However, the notification is purposely vague since the tax is still in mid-air.

Should the processing tax on field corn become a reality in November it will mark the fourth agricultural product to be so taxed within the past few months. The tax was placed first on wheat, second on cotton and only recently on tobacco, officials here said yesterday.

Lee Hurt, Can't Oppose Wallace

PORTLAND, Oct. 17. (P) — The 10-round fight between Ah Wing Lee, Portland's Chinese lightweight fighter, and Billy Wallace of Cleveland, O., scheduled for tonight, was called off today because a groin injury, suffered by Lee in a sparring bout, had not yielded to treatment. A future date for the match was not set.
