EIGHTY-THIRD YEAR

## SALEM ELEVEN DRUBS ALBANY BY 29-0 SCORE

Nicholson Scores Twice on Successive Scrimmage Plays, Long Runs

Locals' Supremacy Revived After Brief Eclipse; Caps Cause Row

By RALPH CURTIS  
Salem's long-established supremacy over Albany on the gridiron, rudely interrupted a year ago, was reasserted in convincing fashion Friday night when the red and black juggernaut of Salem rolled over the green-shirted lads from the Linn county seat to pile up a 29 to 0 score.

It was a field day for Jimmy Nicholson Jr., Salem quarterback who set something of a record by scoring touchdowns on two successive scrimmage plays, with only a conversion and a kickoff between. The first of these two rapid scores in the third period was a 39-yard run and the second a 55-yard jaunt, and though his teammates helped him get past the line of scrimmage, Jimmy's feet flew so fast that he outdistanced his interference and had to get past the secondary strictly "on his own."

Coach Hollis Huntington announced early in the week that he was planning to "iron out the mistakes" made in the Bend game, and his team's showing Friday night indicated he had accomplished that objective—except that the boys still violated a few rules and suffered as a result. Several goalkick marches were nullified by penalties.

After being stopped in that manner on Albany's 12-yard line early in the game, Salem quickly seized another opportunity when Coons recovered an Albany fumble on Albany's 25-yard line; Wintermute and Nicholson in three plays made it first down on the 7, and Nicholson went over from there. His kick for the extra point was blocked.

Right after the opening of the second period Nicholson passed (Turn to Page 2, Col. 1)

## TEXTILE WAGE AND PRICE PROBE NEAR

WASHINGTON, Oct. 20. (AP)—With data on processing tax costs on hand, the farm adjustment administration today urged the national recovery administration to make an inquiry to determine how much increased labor costs had contributed to sharp rises in the price of textiles.

Dr. Fred C. Howe, consumers counsel of the farm administration, said many clerks in retail stores were attributing high surcharges by manufacturers to the processing tax of cotton and to labor and other costs of the NRA.

The farm administration has investigated to find out what part the processing tax of 4.2 cents a lint pound on cotton has played in the price rise and has come to the conclusion that the tax is negligible.

Dr. Howe said the investigation he proposed was "rightly within the province of the NRA, particularly its consumers' advisory board, except insofar as the processing tax is concerned."

## Navy Man Swims Trying to Catch Vessel; Drowns

SAN FRANCISCO, Oct. 20. (AP)—Arriving at the Fort Mason pier just too late to board the Navy transport Chaumont, on which he was to have sailed for the orient, Stephen Orban, gunner's mate first class, leaped off the pier, swam after the ship and reached his ship was not noted for a few minutes after that hubbub of the sailing, but as the cry went up the transport dove to, and two of the ship's boats put out to pick the swimmer up. The body was not recovered immediately.

## Angelus Temple Asks Court Bar Dave Hutton Out

LOS ANGELES, Oct. 20. (AP)—Angelus temple went to court today in an effort to deal with David Hutton, estranged husband of Aimee Semple McPherson, the evangelist.

A petition was filed in which the temple asked that Hutton be restrained from trespassing upon the church property or creating further disturbance. The action referred to Hutton's visit on Wednesday, when amid some exciting scenes, he moved his piano out of the parsonage.

## HURL GERMANY'S ARMS DEFIT AT GENEVA

Here are members of the German delegation to the Geneva disarmament conference who caused a world-wide sensation by withdrawing from the parley in protest of the treatment accorded their country's demand for arms equality. In top group are State Secretary Baron von Rheinbaben (left), General von Blomberg, Admiral von Freyberg, Ambassador Wolezek and General Schonheinz. Inset Count Rudolf Nadolny, chief of the delegation, but was not present when his compatriots made their decision to withdraw.

## HOWARD URGES AID FROM ENTIRE STATE

Broader Base for Taxes for Schools; View; Principals in Annual Meet Here

State contribution for the operation of the school on a permanent rather than a temporary basis, was urged by Charles A. Howard, state superintendent of public instruction, at the opening of the fifth annual high school principals' conference in the hall of representatives Friday. More than 100 educators from all parts of the state were in attendance.

Howard declared that because of the economic measures necessitated by financial conditions and tax delinquencies it had been inculcated upon many school districts in the state to shorten their school terms and that some of the schools probably would have to suspend operations prior to the first of next year. He estimated that \$1,000,000 would be required to meet the school emergency during the year 1934.

"If the schools are to continue on a sound and satisfactory basis it will be necessary to obtain help from the state," Howard said.

Number of Districts in Distress Alarming  
Howard said he based his statements on reports received from virtually every county in the state in connection with the investigations now being conducted by Governor Meier's committee of 22 members. He said he had no idea that so many school districts were in distress.

Rex Putnam, president of the (Turn to Page 2, Col. 1)

## FIRM PROPOSES TO REDUCE GAS RATES

PORTLAND, Ore., Oct. 20. (AP)—Permission to reduce its gas rates in the Portland area was today requested by the Portland Gas and Coke company of the state public service commissioner. The reduction would total about \$100,000 a year, the company said.

The schedule would provide for slight increases in the monthly minimum rates to a small class of users of occasional service. The proposed new rates for general house heating would start at \$1.50 a month, plus 40 cents a 1,000 cubic feet for the first 10,000 cubic feet; 35 cents for the next 40,000 and 25 cents for excess consumption.

## Cabinet Fall In France is Near, Belief

PARIS, Oct. 20. (AP)—The defeat of Premier Edouard Daladier's cabinet loomed menacingly tonight as radical socialists and socialists failed to agree on the part of the premier's budget balancing program providing for a reduction in government employees pay.

The premier warned the chamber of deputies finance committee that if the budget is not balanced inflation of the franc will be necessary in five or six weeks.

And, under the whip lash of the drooping franc, which went to 18.35 francs to the dollar (5.449 cents to the franc) in after-hours trading, compared with an official close of 18.18 francs (5.5005 cents), the main elements of the government's support vainly struggled for a compromise.

## SIAM PRINCE ONE OF REBEL CHIEFS

BANGKOK, Siam, Oct. 19. (Thursday). (AP)—(Delayed by censor)—Prince Sithiporn, member of the royal family and a brother of Prince Bowadaj, today was found to be among leaders of the rebellion captured by government troops.

Two officers for whom large rewards have been offered also were captured. They were found hiding in a temple in Bangkok.

The revolt appeared today to be confined to one province in northeastern Siam.

Retreating rebel forces, hotly pursued by government troops, blasted away railroad bridges to cover their flight. They also poisoned the water at Donmaung airport, near Bangkok, which they captured at the outbreak of the rebellion and which was recaptured.

## Lane Chamber is Opposed to Move To Recall Meier

EUGENE, Ore., Oct. 20. (AP)—The Lane county chamber of commerce last night unanimously adopted a resolution opposing the recall movement against Governor Meier and expressed confidence in the governor's ability to direct the affairs of the state in the present crisis.

Meeting at Junction City, the county group deplored the movement as "ill-advised," stating that they felt full confidence in the state executive and felt he was entitled to the support of the state.

## BANK THEFT MONEY MOSTLY RECOVERED

Jesse Paul, James Ducheano Captured by Rancher Near Enterprise

LA GRANDE, Ore., Oct. 20. (AP)—With the arrest of two men today in the mountainous country north of Enterprise, all but \$20 of the money taken in the robbery last Monday of the Stockgrowers and Farmers National bank of Wallowa was recovered.

Sheriff A. B. Miller said that the two men had been identified as Jesse M. Paul, 44, escaped life-terminer from the Oklahoma state prison, and James Ducheano 39, ex-convict who served a term in Leavenworth, Kan., prison for violation of the Dyer act. Police said they recovered \$2500 in cash, \$1500 in securities and \$15,000 in bonds taken in the bank holdup.

Paul was convicted twice for bank robbery, once for store robbery and finally for slaying an officer, Sheriff Miller said. He escaped from the Oklahoma prison, the sheriff stated, about two months ago.

The capture of the two was effected, the sheriff disclosed, by Clifford McGinnis, rancher, between Troy and Flora. The rancher sighted the pair crossing a clearing, and already warned that the suspected robbers might be in the vicinity, he armed himself with his rifle, mounted a horse and went after them. They surrendered, McGinnis told the officers, when he leveled his rifle at them.

## REVIVAL OF CUBAN UPROAR IS FEARED

HAVANA, Oct. 20. (AP)—Additional machine guns were mounted on top of the presidential palace and hotel and restaurant keepers laid in large supplies of foodstuffs tonight as reports of a new general strike swept through the capital.

Whether the strengthening of the palace fortifications was the result of the strike reports or of an assortment of rumors of anti-government activities was not explained.

Reports of anti-government activities ranged from a story printed in morning newspapers that former President Gerardo Machado was plotting a counter revolution to rumors that the communists, after being routed by army forces on September 29, were about ready to open a new attack on the Grau San Martin. Army circles also denied the reports.

## City Wins Case Against County Over Taxes Due

THE DALLES, Oct. 20. (AP)—The city of Baker was today awarded a \$24,705.40 claim against Baker county in a decision rendered here today by Circuit Judge Wilson. The city sued the county for \$26,192.85 which it claimed was due on road taxes the county collected but did not turn over to the city under statutory provisions requiring counties making special road levies to turn back 50 per cent of the amount collected to incorporated municipalities.

## RECOGNITION OF RUSSIA MAY BE EFFECTED SOON

Litvinoff Will be Sent to Washington for Parley With Roosevelt

N. Y. Banks Plan to Extend Added Credit to Russia And Revive Trade

WASHINGTON, Oct. 20. (AP)—President Roosevelt suddenly opened the way today for relations between the 16-year-old communist government of Russia and the United States.

In a matter-of-fact letter to Mikhail Kalinin, president of the soviet republic, Mr. Roosevelt ten days ago invited him to send a representative here "to explore with me personally all questions of standing between our countries."

On Wednesday, Kalinin cabled acceptance of the invitation and designated M. Litvinoff, commissar of foreign affairs to come to Washington to talk to Mr. Roosevelt. A date for the conference remains to be set.

(Copyright, 1933, by the Associated Press)  
MOSCOW, Oct. 20. (AP)—Russia announced tonight its acceptance of President Roosevelt's proposal to negotiate for the American recognition of the soviet union, believing such action will serve the cause of world peace.

In the most cordial steps the soviet president, Mikhail Kalinin, replied to a message to the United States executive sent him on October 19, and announced he would send the foreign commissar, Maxim Litvinoff, to Washington.

A foreign office spokesman, who gave out copies of the messages between the two presidents, said (Turn to Page 2, Col. 5)

## 70 CENTS OFFERED FOR EXPORT WHEAT

PORTLAND, Ore., Oct. 20. (AP)—Action to export the Pacific northwest's wheat surplus of 40,000,000 bushels was definitely started today with the offer of the North Pacific Emergency Export corporation to pay 70 cents a bushel for the grain in the northwest market.

The bid was the first actual step of the association to carry out the marketing agreement reached by grain growers, millers and exporters after several months of conferences with federal representatives. Under the agreement the association will pay the growers the domestic price for wheat, and sell it to foreign markets at foreign prices. The government has agreed to pay the difference.

Grain men here expressed the opinion tonight that the 70-cent offer would find many "takers" and that the association would have a substantial amount of wheat accumulated by the first of next week, when it will be receptive to offers from buyers in the world market.

## Late Sports

CORVALLIS, Oct. 20. (AP)—Corvallis high school defeated Eugene high, 19 to 0, in their annual gridiron clash here tonight. Corvallis scored two touchdowns in the second quarter and one in the fourth. Brown carried the ball over on the first and last touchdowns, and Patterson accounted for the other one.

LEWISTON, Idaho, Oct. 20. (AP)—Although showing flashes of defense power, Lewiston Normal proved unable to stop La Grande, Normal's heavier eleven and was defeated here today 26 to 0.

TACOMA, Wash., Oct. 20. (AP)—After threatening repeatedly during the game, Pacific Lutheran's defense was finally broken down with four minutes to go in the last period to defeat Albany college 6 to 0 today. Winston "Tuffy" Smith carried the ball over after Marvin Hansen had blocked a punt to put the Gladiators in scoring position.

PHILADELPHIA, Oct. 20. (AP)—A last minute touchdown after a 85-yard advance gave Glenn "Pop" Warner's Temple university eleven a 13 to 7 victory over West Virginia's football team before 20,000 fans in Temple stadium tonight.

## Booked for Many Talks on Campus

Dr. Bruce A. Baxter of U. S. C., arrives in Salem today for a week on the campus at Willamette university. While denials have been made that he is a "candidate" for the presidency of Willamette, it is definitely known he is one of a number of men considered as a successor to Dr. Carl G. Doney.

## BAXTER COMING TO LOOK OVER SCHOOL

U. S. C. Leader Known to be Among Possible Choices As University Head

Shortly after the conclusion of the Oregon State-Southern California game today, Dr. Bruce B. Baxter, assistant to the president of U. S. C. will arrive in Salem for an intensive week to be spent on the Willamette university campus. Loyal to his own school, Dr. Baxter was scheduled today to attend the big game in Portland.

While university officials, notably President Carl G. Doney, have indicated Dr. Baxter's visit is nothing more than a friendly call, it is definitely known he is under consideration as a future president of the school here. Dr. Doney has announced Dr. Baxter has made no formal application for the presidency but members of the trustees board which will designate a new president have stated that Dr. Baxter is one of a number of men "being considered."

Baxter, an ordained minister in the Methodist church, is head of the school of religion at the University of Highburg Quadrant Congregational church in London. He is a member of Phi Beta Kappa and the holder of several academic degrees including those of D. D. and LL. D. For the first four days of next week he will speak daily at the chapel services and Wednesday night will address a gathering of Methodist men here. Tomorrow he will speak at the morning service at First Methodist church here. Numerous student engagements have also been made for Dr. Baxter.

## LIQUOR EMBARGO DISLIKED ABROAD

NEW YORK, Oct. 20. (AP)—A pessimistic reaction was evidenced abroad today to the United States embargo on medicinal liquor imports.

In London, trading in distillers' shares on the stock exchange fell sharply.

It was pointed out that English investors have been warned frequently against too much optimism over the effect of prohibition repeal in America on English liquor exports.

The embargo threw a scare into French wine and liquor exporters. Dispatches from Paris said they are particularly worried as to how long the embargo will be in effect. Already about 1,000,000 cases of champagne have been invoiced to Bermuda as await repeal in America.

## Hobbs Says Printing Job Of State is Non-Political

The people are served best and efficiency is greatest when the state printing plant is entirely outside the pale of political administration, and because of this State Printer E. C. Hobbs hopes it will continue to be a non-political proposition, Hobbs told the Salem Retail Credit association yesterday noon.

## Crop Loans Discussed By Administration to Head off Farm Strike

## VANDALS DEFEATED BY OREGON 19 TO 0

Idaho Does Well on Passes But Lacks Power to Follow Them Up

By CLAYTON V. BERNHARD  
HAYWARD FIELD, Eugene, Ore., Oct. 20. (AP)—Oregon's charging line, coupled with the Temple-Mikulak-Gee backfield combination, proved too much for Idaho tonight as the Web-foot defeated the Vandals, 19 to 0, in their Pacific Coast conference clash.

The Vandal passing attack in the second half that thrilled the spectators was not sustained by follow-up plays, and the Oregon goal was never seriously threatened. Idaho made three first downs from passes, but only one from scrimmage, while Oregon tallied 14 first downs from scrimmage and one on a penalty.

In the first period an offside penalty gave Oregon a first down on the Idaho 17 after Temple had returned Idaho's punt to the 37 yard line and the Web-foots had backed through Idaho's light nine for 15 yards. A delayed reverse, with Temple carrying the ball, advanced Oregon to the two yard line where Temple took the ball again to go over for the first score. Mikulak's kick for the extra point was wide.

Hardly had the second period opened when "Butch" Morse, Oregon end, blocked an Idaho kick on the Vandals' 13, and Pozzo, the other Webfoot end, caught the ball on the fly and returned it to the Idaho six. On the first play Mikulak, Oregon's star fullback, ran through guard on a delay down for the second touchdown. Temple's place kick for extra point was wide.

In the final period, after Idaho had kept the play mostly in midfield throughout the third quarter, Bobbitt carried the ball over from the Idaho 12 for the final touchdown. Milligan, replacing Temple at half, place kicked the extra point.

## PROTEST IS FILED OVER ELK KILLING

HOQUIAM, Wash., Oct. 20. (AP)—Two days of elk hunting, that sent between 600 and 700 hunters into the Olympic hills today, resulted in slaying of many bulls and a protest to President Roosevelt.

The state game commission permitted four days of elk hunting and though Regional Forester C. J. Buck of Portland and 100 rangers with dogs sought to drive the elk toward the protection of the Mount Olympus national monument, established by congress for protection of elk, rifles crashed through the timber, and a steady stream of cars carrying carcasses passed through Hoquiam.

Federal officials seeking to afford all possible protection to the animals under United States game protection laws, were unable to patrol thoroughly the headwaters of the Queets, Quinalt, Humpulps, Satsop and Wynoochee rivers.

## Slayer Goes to Death Blithely

SAN QUENTIN, Calif., Oct. 20. (AP)—With a swig of whiskey under his belt for a "bracer" and a jazz tune from a phonograph for his death march, Dallas Eagan 40, walked blithely up the thirteen steps to the gallows of San Quentin prison today and was hanged for the murder of William J. Kirkpatrick, of Battle Creek, Mich., in a Los Angeles holdup last July.

It was the second time in less than a week that desperadoes had raided Indiana city police stations in search of arms. Last Saturday night three men obtained a machine gun, rifles and a number of revolvers from the Auburn police station.

Patrolman E. M. Chittum, one of the officers who met the gunmen in the station here tonight, described one as tall and the other as short in stature and said both were about 30 years old. Both wore light hats and topcoats.

"There was nothing much to it. They just came in and told us what they wanted, and covered us with revolvers," Chittum said, "and I told them to go ahead and take what they wanted. I was sitting there with my coat off and didn't even have my gun on me."

## Holiday Scheduled to Start Today Noon; Move Spreads

Cost of Production is Demand; Business Men to Back

(By the Associated Press)  
Milo Reno, president of the National Farmers Holiday association, yesterday spread the call to a farm strike through midwest states while President Roosevelt and his cabinet discussed a plan to offer crop loans to farmers.

The strike was set for noon today as a climax in protest against low prices of farm products which already caused Governor William Langer of North Dakota, to order an embargo on wheat shipments.

As Reno, the militant leader of the farm strike movement, raced from St. Paul to Omaha to obtain support of business men for the movement and then to Des Moines to look over the Iowa situation, Governor Charles W. Bryan of Nebraska, extended his sympathy to the purposes of the strike, and Governor A. G. Schmedeman of Wisconsin, pledged his administration to assist "in a forceful but dignified demand which will immediately put agriculture in Wisconsin on the road to restoration to its former high position."

Announcements of cooperation were received from various state branches of the holiday organization.

The Omaha business men with whom Reno conferred acceded to his request with the pledge: "It is the sense of this meeting that we favor guaranteeing the farmer cost of production."

To fortify his embargo order, its effectiveness still unproved, Governor Langer ordered North Dakota sheriffs to stop shipments of wheat from the state by refusing to permit elevators to load grain. The aid of the national guard was promised in enforcement of the decree. Railroads persisted in their stand that they would not observe the order, contending federal laws governing interstate commerce demanded they accept shipments of grain when offered.

The administration at Washington was manifestly concerned over the restlessness in the middle west and the situation was discussed at length in the cabinet meeting. The White House afterwards gave out word there would be no change in the government's policy seeking to bolster prices of farm commodities.

Secretary Wallace of agriculture said that "we may have something to announce shortly."

Specifically, the cabinet talked of making available federal loans to farmers which would enable them to hold their crops during the period of sagging prices.

## BANDITS GET GUNS IN POLICE STATION

PERU, Ind., Oct. 20. (AP)—Two gunmen invaded the Peru city police station late tonight, herded three officers into the basement, and escaped with a machine gun, a rifle and two revolvers.

It was the second time in less than a week that desperadoes had raided Indiana city police stations in search of arms. Last Saturday night three men obtained a machine gun, rifles and a number of revolvers from the Auburn police station.

Patrolman E. M. Chittum, one of the officers who met the gunmen in the station here tonight, described one as tall and the other as short in stature and said both were about 30 years old. Both wore light hats and topcoats.

"There was nothing much to it. They just came in and told us what they wanted, and covered us with revolvers," Chittum said, "and I told them to go ahead and take what they wanted. I was sitting there with my coat off and didn't even have my gun on me."

## Three From This Vicinity Called On Federal Jury

PORTLAND, Oct. 20. (AP)—The names of 60 persons to report for jury duty in federal court here Monday, November 6, at 2 p. m., were drawn today on the court of Federal Judge McNary.

Included in the names of those drawn were James D. DeHarport of Salem, Frank W. Mahoney of Gervais, Charles Sullivan of Eugene and E. E. Tripp of Independence.
