## Pattern

By ANNE ADAMS

For that important in-between age of 8 to 14 here's a frock that will surely win a girl's heart. It's quite "grown-up" with its collared neckline—and the new mode counts necklines first in junior fashions, too. And sleeves—note the perky little puff insets—too adorable for words! The front and back parts of the dress are each cut in one piece—could anything be easier to make?

Pattern 1636 is available in sizes 6, 8, 10, 12 and 14. Size 10 takes 2 1/2 yards 36-inch fabric, 1/2 yard contrasting and 1 1/2 yards 5/8-inch ribbon. Illustrated step-by-step sewing instruction included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.

The smartest fall and winter styles, the newest fabrics, hints on harmonious colorings and jewelry, how to knit a smart sweater, gifts for the ladies, last minute fashion flashes—these are among the fascinating items in the new Fall and Winter edition of the Anne Adams Pattern book. This book will help you save money. Order your copy today! Price of catalog, fifteen cents. Catalog and pattern together, twenty-five cents.
