Devine Blocks Punt, Safety Results: Muddy Game is Otherwise Deadlock

By CLAYTON V. BERNHARD BALL FIELD, Corvallis, Ore., Oct. 28. (P)—A blocked punt which rolled behind the end zone gave Oregon State college a 2 to 0 victory over the Cougars from Washington State college here today and smashed a jinx the northerners had exercised for five years over the Beavers.

The narrow victory kept Coach Lon Stiner's Oregon Staters at the top of the ladder leading to Pacific coast conference supremacy. They have yet to suffer defeat

The eleven "iron men" who last week fought the University of Southern California Trojans to a standstill, battled together through another period before a spine injury took out William Tomscheck, Beaver left tackle, just after the winning play in the second period. - He was replaced by Stanley McClurg. It was the only substitution for O. S. C. during the game.

Ten thousand spectators who watched the game played on a slippery, slimy gridiron in a heavy downpour, saw the two-point score made directly after the opening of the second period. Franklin punt-ed to the Cougar 15-yard line. On the next play Sarboe made nearly five yards. Then Devine, Beaver center, blocked Sarboe's kick and the ball rolled behind the goal line and over the end zone, with two Beavers and Sarboe diving after it. The ball was grounded by an Oregon Stater.

The only near-scoring attempt by Coach Babe Hollingbery's Cougars came in the third quarter when a field goal try by Dahlen on his 17-yard line was blocked.

At no other period of the game was either team in actual scoring

territory. The Cougars' famed passing offensive was stopped both by the weather and an injury to Ted Christofferson, Hawaiian halfback, who was hurt early in the game. The northerners attempted but one pass. This was in the closing minutes of play and it was incomplete. The Oregonians tried three overhead plays. One of them was good, but only for two

unable to check the dashing plays and nimble feet of Sarboe and Magness, Cougar quarters, however, and Norman Franklin, star Beaver halfback, continued to dazzle the customers. These three men repeatedly broke through for long gains or for dangerous punt

The downs, yardage and other statistics, gave the Beavers the 122 by the Cougars. Oregon State booted 22 times for an average of 32 yards, while the Cougars kicked 17 times for a 40-yard average. Lineup and summary:

Let it go down in history that the Bearcats, 1933 edition, can "take it" and that they have worlds of fight when it is aroused. The battle they put up in the mud and rain over at McMinnville Saturday left nothing to be desired, with every man who got his suit dirty en-titled to a big slice of the glory, even though the "iron man" performance of Johnny Oravec took the front rank.

Wrestling fans who have followed the game in Salem for any length of time need no introduction to this fellow. For the benefit of any new converts, he is Wildcat McCann who was for a couple of years the best drawing card who ever refused to stay inside the ropes at the armory arena. Sometimes he was popular, sometimes the fans hated him, but he always gave them a run for their money. Now he's back, making his home here again and ready to meet all comers. While away, defeated Jack Reynolds, holder of the welterweight belt, but they didn't give it to the Wildcat, claiming some technicality. Tuesday night he meets Mickey McGuire, West Salem's pride; and the fans from the communities facing each other across the Willamette river will turn out to root for their

combination to work. Even in the slop, they completed nearly every toss in two goalward marches early in the game.

two sparkling field goals planted between the Stanford uprights by Bill Smith, Washington's candidate for All-American end honors.

Smith booted the first in the opening quarter after the Huskies had been stopped on the Cardinals' six-inch line on the fourth down, and the second in the third quarter. Jay Hornbeak, Washington quarterback, held the pigskin for both attempts.

Both kicks traveled approximately 35 yards, counting the 10 vards between the goal line and the uprights and the distance Smith went back to swing his ac-
