TEACHER SERIOUSLY INJURED WITH NAIL

MONMOUTH, Nov. 1.—Phillip Dodds, 19, teacher of the North Salt Creek school, eight miles from Dallas, received a serious injury to his left eye Sunday night when struck accidentally, by a nail thrown by Billy Brown, 12, a pupil.

Young Dodds had gone to the schoolhouse after dark to arrange some new books. Some schoolboys saw lights in the building and brought in cantaloupes which were dispensed. It was about 10 o'clock when Dodds locked the building. The boys, meanwhile, engaged in a friendly scuffle among themselves, and Billy threw a nail which caught the young teacher as he emerged from the vestibule shadow.

Dodds plans to resume his school work Monday, but the eye will remain protected probably for three or four months. It is believed that vision will not be permanently impaired, although the cornea was pierced. He is the only son of Mr. and Mrs. Homer Dodds of Monmouth, and was graduated last summer from the Oregon Normal school. His father is a member of the teaching staff of the normal.

Almost Instant Relief From Neuralgia

For Quick Relief Say BAYER Aspirin When You Buy

Here is quicker relief from pain—the fastest safe relief, it is said, ever known. This is due to a scientific discovery by which BAYER Aspirin starts "taking hold" of pain a few minutes after taking. The illustration of the glass here tells the story. A Bayer tablet starts to disintegrate or dissolve—go to work—almost instantly. This means quick relief from pain—fewer lost hours from headache, neuritis, rheumatism. And safe relief. For genuine Bayer Aspirin does not harm the heart. When you buy, see that you get the genuine Bayer Aspirin. The best way is never to ask for aspirin by the name "aspirin" alone. But if you want Bayer Aspirin's quick relief always to say "BAYER Aspirin."
