A Hallwe'en program and party was held in the auditorium Tuesday afternoon by the primary and intermediate school children. The program was under the direction of Helen McMillan of the primary room and Kenneth Ramey of the upper grades. Many mothers were present to enjoy the afternoon with pupils and teachers.

During the afternoon the children put on masks and costumes and paraded over town reminding the older ones to beware as goblins and witches were about.

IDAHO WARDEN READY TO QUIT

BOISE, Nov. 2. (AP)—With two of the three members of the state prison board expressing the belief it was necessary, George Rudd announced Wednesday he would submit his resignation as warden of the penitentiary as the outgrowth of disclosures he and his wife had

taken Lyda Southard, Twin Falls poison slayer, and other prisoners on pleasure trips about the state. Advised that two of the board members, Attorney General Bert H. Miller and Secretary of State Franklin Glard, considered his resignation necessary, the warden said:

"I don't know of anything I can do about it. Certainly I will resign if they want me to."

"I do not feel I have been guilty of any improper action whatever. However, if the board feels that way I have no alternative."

Firemen Display Inhalator's Use

City firemen were called on last night to demonstrate their use of their inhalator for members of the first aid class being conducted at the Y. M. C. A. A. V. White and Charles M. Charlton, Jr., firemen delegated to the task, explained the operation of the machine, lifesaving methods and demonstrated resuscitation.
