MOLALLA, Nov. 11.—Gilbert Harris of Portland, was elected president; William Dehler, vice-president; George Overjorde, secretary, and William J. Avison, treasurer, at a Molalla Buckeroo association meeting Tuesday evening. P. M. Henriksen, outgoing president, George Case, outgoing treasurer, E. R. Wallace, outgoing secretary, all declined to take their offices for another year. Harris was formerly vice-president.

Nobles Play Santa
MOLALLA, Nov. 11.—All past noble grante of the Molalla Odd Fellows lodge have been dressing up this week and making their way down to the photographers to have their pictures taken. The lodge is planning to have the enlarged pictures framed and hung around the walls of the lodge room. The past grante say they think the idea is fine and the photographer says he thinks there is a Santa Claus after all.

Honor Pioneer Woman
MOLALLA, Nov. 11.—Children and relatives of Mrs. Edith Robbins gathered at the Robbins farm near Molalla Sunday to enjoy a dinner in honor of Mrs. Robbins' 91st birthday Saturday. The event was planned by Mrs. Nettie Kayler, daughter of Mrs. Robbins.

It has been over 80 years since Mrs. Robbins first saw the Molalla valley. She and her brother rode horseback across the plains from Missouri when she was 11 years old. Her family came through Molalla, which then consisted of only two houses, on their way to Linn county. When she was only 16 years old she married Levi Robbins, son of Sarah and Jacob Robbins, Molalla pioneers, and came to Molalla, where she has lived ever since.

In spite of her 91 years, Mrs. Robbins leads an active life. She is never so happy as when she can put on her big sunbonnet and get out and work around her flowers. Her health is excellent. She is the mother of nine children, six of them living, the grandmother of 22 children, and the great-grandmother of 25 children, many of whom visited with her Sunday.

Dr. Anderson Speaks To Woodburn Pupils

WOODBURN, Nov. 11.—In recognition of Armistice Day a program of interest was given Thursday afternoon at Woodburn high school. The program was given by members of the senior class. Dr. E. H. Anderson of Lintfield college at McMinnville spoke on "International Good Will Under Fire."

A chorus reading by six boys of the poem "In Flanders Field," a vocal solo by Mrs. Howard Miller, blowing of "taps" by Harold Schooler, national guard musician, and singing by the assembly completed the program.

In the contest for sale of tickets to the student body play "Chintz Cottage" the sophomores won first place, seniors second, freshmen third and juniors last. Points toward winning the inter-class rivalry cup will be awarded on that basis.

Beryl Kelley Margold President for Year

INDEPENDENCE, Nov. 11.—The Margold "T" club of the high school met Wednesday to perfect plans for their organization. Officers elected were: president, Beryl Kelley; secretary, Myrtle Sweringer; treasurer, Paul Carey. They will have a potluck dinner at the home of Beryl Kelley next Tuesday night.

Last year's Margold "T" met at the home of Miss Dorothy Young for a potluck supper Wednesday night.

STRIKE UP THE BAND!

MILE after mile of hot white road, and the beat of army boots in a haze of dust. No shade. No rest. A nightmare of thirst and weariness... And then, somewhere down the column, a band strikes up. A thousand throats pick up the refrain. Heads come up. Tired backs straighten... The battalion marches like itself again!

Down on the levee at New Orleans... on the tow-paths of the distant Volga... on the decks of departing liners... wherever hearts are heavy, or the spirit fails... music comes like a ray of sunshine through the gloom. It is the great restorer, the great comforter.

Human beings need music. We need it in our hearts and in our homes. And we need instruments to provide it. Radio... talking machine... piano... it doesn't matter, just so the music is there. With music life becomes brighter, cheerier. With music we can get through a lot of trouble and hard luck.

And music has never been so easy to enjoy as it is right now. Prices on

musical instruments are lower today than they are likely ever to be again.

The same quality radio that would have cost you \$160 in 1929 is selling today for \$125—a decline of 22%!... and the smaller models of today represent values never dreamed possible a few years ago. The \$950 piano of 1929 now costs only \$600!

The last four years have been particularly hard on the music trades. Many people have had the mistaken idea that music is a luxury, easily to be dispensed with. And that false notion has destroyed almost all the basic value which music and musical instruments normally should have.

This Government believes that the laborer is worthy of his hire, and that his hire should yield him at least a decent living. Professional musicians... radio and talking machine workers... piano makers... band instrument craftsmen... to say nothing of the manufacturers with their good money invested... all have something worth while to offer, and they are entitled to a fair return.

That is what the NRA codes are designed to bring about. The largest item in the cost of a radio is labor cost, and payrolls are up 62%. Raw materials are up. Cabinet woods have risen 65%. Copper wire is up 45%. Therefore retail prices must go up, too. Musical instruments and music are coming back to somewhere near their true value!

So... if your piano is worn out... if your radio is old-fashioned and limited in range... if your talking machine is a relic, and your records are heirlooms... treat yourself to some good music while prices are still down! It's an investment in happiness that you will never regret. Now is the time to buy!
