## Pattern

By ANNE ADAMS  
Here's a model that gives youthfulness and poise to the "no-longer-slender" figure. The trick is in the neckline and the slender skirt panel—observe the freshness of the contrasting vestee, and flattering treatment of revers. The sleeves are new—flared but feminine. Turn your back to the world and behold—a smart bodice closing! Black with flesh or white vestee would be striking.

Pattern 1642 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 1/2 yards 39 inch fabric and 1/4 yard contrasting. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coin or stamps (coin preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.

The smartest fall and winter styles, the newest fabrics, hints on harmonious colorings and jewelry, how to knit a smart sweater, gifts for the kiddies, last minute fashion fancies—these are among the fascinating items in the new Fall and Winter edition of the Anne Adams Pattern book. This book will help you save money. Order your copy today! Price of catalog, fifteen cents. Catalog and pattern together, twenty-five cents.

Address orders to The Oregon Statesman Pattern Department, 215 South Commercial Street, Salem, Oregon. Necessary enclosures. Your order will be promptly attended to.

Orders customarily are filled within ten days from the time received by The Statesman.

## Scarlet Fever Prevalent but Cases are Mild

A flurry of mild cases of scarlet fever seems to be sweeping Marion county but need give no fear of a serious epidemic. Dr. Vernon A. Douglas, health officer, reported yesterday. The cases are so mild that a few are recognized as scarlet fever until they are virtually over.

Symptoms of the disease, Dr. Douglas said, are sore throat and high temperature, vomiting, and a rash on the chest the second day. Health nurses have been finding some children with peeling skins, a sign that they may have recently had the disease.
