Tourney Hand is COUNTY PREPARING Explained

By MRS. WILLIAM H. QUINN

Statesman Tournament

Today The Oregon Statesman explains the bidding and play of one of the tournament hands played here November 21. Mrs. William H. Quinn makes the explanation. The hand was in boards numbered 1 and 14. Subsequently

other hands will be explained.

North ♠ K 5 4 3 ₩ 643 East AJ8 ¥872 WAK5 AAQJ8 £ 10 9 6 South A Q 6 2 ♥ QJ109

North, dealer. No one vulnerable Suggested bidding (Culbertson system): South West North

East Pass Pass 1♠ 3NT Pass Pass 2.4 The play:

The natural opening against a no-trump declaration is the queen of hearts, top of a three-card honor sequence. East takes this with the king. East realizes that reentries must be made in dummy. Ten of clubs is led. South naturally plays low, so East covers with jack. West leads jack of diamonds and East drops the 10.

Diamonds are led again from dummy. This time the 8 is dropped on the 9. Seven of diamonds led from dummy, queen takes in declarer's hand. Then North's king falls on the ace. East leads the 9 of clubs, covers with the queen and West leads the 10 of spades, finesses and South takes the trick with the queen. South returns a heart. East takes it with ace. Leads 6 of clubs, finisses 8 and captures South's king on the next lead of the ace.

On the 12th trick the jack of spades is finessed and six tricks .(Truette) are made. Of course the bidding of Pearl Eyre, Harriett Adams, Car- six is not justified-dummy's entry possibilities must be utilized

Mr. Work played the above hand in the position of East. His partner was Mr. Jacoby.

State Tax Levy To be Revealed Today; Increase

The 1934 state tax levy is to will lead in a platform program of stunts which will be followed by games.

The 1934 state tax levy is to be announced today, members of the state tax commission have advised. This is the last day on which the tax can be promulgated according to law. The levy is expected to total 6 per cent more than in 1933 since the state has been operating under a deficit for many years and must levy to the full extent of the constitutional restriction in order to reduce the

> State tax authorities declared yesterday the 1934 levy would probably impose a three-mill tax on all real property. By the end of 1934 the state deficit will probably be reduced to \$1,400,-000 or nearly \$3,000,000 from the \$4,300.000 figure at the end of 1932.

That Marion county will submit sufficient new civil works

Word is expected momentarily as to the wage scale for skilled CWA labor, Niles said last night. Lack of this information has delayed the start of the city hall project of laying a new concrete floor in fire department quarters. The city will have several street, creek and ditch, and sewer projects ready soon for submission to the CWA board. The Salem school board is working out another park and playground project for which it will ask approximately \$8000 in CWA funds which will go chiefly to labor.

Snowfall Noted At Silver Falls

First snow of the season fell Monday night in the Silver Falls area, Alvi Love, Marion county relief worker, reported here yesterday on her return from a business terday from tall buildings here.
