

# City-Y. Basketball League Ready to Start Hostilities

## STRONG TEAMS TO PLAY EARLY

Parker's and Pade's Billed Thursday, First Session Of Major Circuit

Final details of the City-Y. basketball league program for this winter were completed in a meeting at the Y.M.C.A. Friday night when Clark Jackson was elected president of the league and Leslie Sparks vice-president. Under the constitution, Dwight Adams as physical director of the Y. is ex-officio secretary.

Schedules were adopted but announcement was made only of the opening games. Complete schedules will be published later.

Next Tuesday night, December 12, at the Y.M.C.A., the minor league will launch its season with Teachers and Pay's Takit playing at 7 o'clock, Square Deal Hardware, the team organized by Floyd Goode and previously sponsored, vs. Kay Mills' second team at 8 o'clock, Western Paper vs. Oregon Paper at 9 o'clock.

Bill Lemmon will, for the present, be the minor league referee. The major league will swing into action Thursday night, December 14, in the Parrish gymnasium provided the school board gives final sanction to the holding of the games there, when it meets next week. The games that night will be:

7 o'clock—Willamette Freshmen vs. Valley Motor V-8.  
8 o'clock—Pade's vs. Parker's.  
9 o'clock—Willamette Cardinals vs. Kay Mills.

The Valley Motor V-8 team is the outfit organized by Don Hendrie, and includes some members of the Wranglers of past seasons but will also have Griffith, Willamette varsity player last season, and some other new men.

The meeting of Pade's and Parker's on the first night promises red-hot competition right from the start. Teams under the same sponsorship dominated the kitball program last summer and these quintets are favorites in the major league races.

Harold Hank will be referee in the major league.

The schedules of both leagues call for two rounds of play, with the two high teams at the close of the second round meeting in a championship playoff.

Admission charge in both leagues will be 10 cents for adults and 5 cents for grade school children.

## ALUMNI BEATEN IN MONMOUTH GAMES

MONMOUTH, Dec. 8. — The opening basketball games of the season at Monmouth occurred Thursday, with a double-header game featuring high school boys' team and the alumni, and high school girls' team and alumni. High school boys triumphed over their adversaries with a 19-10 score.

In the first quarter, guarding was so watchful on both sides that a score of 3-3 closed the quarter. Early in the second quarter the high school team began to click more favorably and shots made by R. Snider, guard, and A. Snider, forward, ran the score to 12-4 at half. The same team-work was displayed in the third quarter with Wilson, forward, contributing two field goals, and continued close checking on the alumni permitted the latter only one point on a free throw, while the high school annexed six counters. At this juncture Coach Al Cox ushered in a large group of substitute players for a tryout. This ran the high school's score up only one point; the alumni rated five more. R. Snider was high-point man with nine.

Starting lineups: High School  
Rogers.....F.....Wilson  
Beckley.....F.....A. Snider  
Santee.....C.....McKern  
Davis.....G.....R. Snider  
Johnson.....G.....Winegar

Referee, Benjamin.  
In the girls' game the alumni marshaled a walkaway score of 13-9.

Starting lineups: High School

Referee, L. Wilson.

## ALUMNI WILL PLAY AT DALLAS SUNDAY

DALLAS, Dec. 8. — Alumni teams from Dallas and Independence will tangle here Sunday afternoon in the second of a series of charity football games. The proceeds from this game will go to the Dallas fire department Christmas fund for the annual Christmas tree.

The first game between these teams this year was played last Sunday at Independence and resulted in a scoreless tie. Both teams are expected to be trying hard for a win and a real battle should result.

The teams are selected from the outstanding players of the two schools during the past few years. Dallas won both games of last year's series and is anxious to keep up the undefeated record. Admission for the game will be 25 cents and the opening kick-off is scheduled for 2 o'clock.

## Rocky Mountain Conference Broken Up; Bigger Schools Pick Up Marbles and Leave

DENVER, Dec. 8. (AP)—Defeated in two earlier attempts to officially effect a revision of the Rocky mountain conference, the eight larger schools of the circuit tonight voted to secede.

The eight schools which agreed to withdraw from the conference are the University of Utah, Colorado College, Brigham Young, Colorado Aggies, the University of Colorado, Utah Aggies, Denver University and the University of Wyoming.

Explaining their action in a formal statement representatives of the eight institutions said operation of a 12 school conference has become so cumbersome it is necessary to reduce numbers and

Just to prove that excellent golf performances are entirely possible under present weather conditions, Millard Groves went out and shot a hole-in-one on the eighth hole at the Salem Golf club yesterday. He lofted a perfect shot which bounced once on the green and rolled in. Millard was playing in a foursome so he gets the various rewards.

On top of that Millard turned in a 35 on that tour of the first nine after missing five reasonable putts; if he had made them he would have had a course record.

The fact is that most golfers blame their slightly rising scores just now on the wetness underfoot and in the atmosphere, whereas the real reason is that they don't play as often as they do in the summer.

Our reputation as a non-poetic individual having been completely restored, the incident appears to be closed. However, we received yesterday a couple of couplets contributed to the bathtub singing ode by H. G. Damon, and it would be a shame to deprive our public of them:

When Curt and Slips sing in the tub  
We'd like to know who wins the rub.

So if the key is lost at the end of the week  
We're coming up to take a peek.

That, we think, should also clear Mr. Damon of any suspicions that he has a poetic nature.

## KLEIN ALSO HOLDS SLUGGING RECORDS

NEW YORK, Dec. 8. (AP)—If there was any doubt that the Chicago Cubs got their money's worth when they bought Chuck Klein from the Phillies, the "miscellaneous" records of the national league for 1933, featuring the slugging marks, should reassure them.

Klein not only was the league's leading batter last year but the official slugging percentages, released today show him on top for the third straight year with a mark of .602. In his 152 games, Chuck had 606 times at bat and hit for a total of 265 bases. He batted in 120 runs, more than any other player in the league. He hit into only three double plays to take top place in this record, compiled this year for the first time.

Klein's .602 slugging percentage followed a .646 mark for 1932 and .584 for 1931. In two years before that he was second, trailing Hack Wilson in 1930 and Rogers Hornsby in 1929 and in those years he compiled marks of .687 and .657. In 1928, his first year in the league, Chuck made a .577 slugging percentage for his 64 games, standing fifth in the league. His composite mark for six seasons is .632.

Starting lineups: High School  
Riley.....F.....Schweitzer  
Good.....F.....Bracken  
Mason.....J.C.....Friesen  
H. Blodgett.....R.C.....McEldowney  
Bond.....G.....Sacro  
Davis.....G.....B. Blodgett

Referee, L. Wilson.

## SOUTHERN ELEVEN TO OPPOSE GAELS

SAN FRANCISCO, Dec. 8. (AP)—Football's noted pigskin jugglers, the gridiron troopers of Southern Methodist university, will meet their serial maneuvering against the stone wall line and crushing ground offense of St. Mary's Gaels here tomorrow in the season's outstanding inter-sectional clash in this sector.

After acknowledging the city's greeting from Police Chief William Quinn and Fire Chief John Brennan, Coach Ray Morrison of Southern Methodist said, "Well, we're here, 25 players and twice as many passes. The San Francisco fans seemed to like our passes two years ago and if that's what they want, we aim to please. But that doesn't mean we haven't a ground attack. It may be possible we can cross up St. Mary's by staying on the ground."

A crowd of 20,000 is expected at the game.

## LAYDEN TO BE IRISH MENTOR

Fiery "Horseman" Fullback Has Good Record From Duquesne Regime

SOUTH BEND, Ind., Dec. 8. (AP)—Elmer Layden, fullback of the famous "Four Horsemen of Notre Dame" of a decade ago, will attempt to haul Notre Dame back to its football crest.

Hearty "Hunk" Anderson, who succeeded Knute Rockne as head football coach after Rockne's tragic death in the air three years ago, has resigned, along with Jesse Harper, director of athletics.

Layden will be appointed football coach, also director of athletics, probably tomorrow upon the return of the Rev. Charles O'Donnell, who has been ill for a month after a throat operation and was scheduled to leave a hospital in Rochester, Minn., tonight for South Bend.

In a drastic shakeup of the Notre Dame coaching staff Layden will return to his alma mater as a successor to Anderson following the most disastrous season for the "fighting Irish" in modern football. No one at the university would make a definite statement regarding the appointment of Layden. Father O'Hara said that any statement relative to Notre Dame's athletic policy would have

thereby provide for more workable units.

Furthermore, the statement said, the demand for intercollegiate contests between institutions of nearer equality and natural rivalry makes "some adjustment, necessary."

The statement added the original objectives of the conference have been accomplished "proper standards and control of intercollegiate progress." Now, the statement explains, developments have introduced factors and problems which "the present organization cannot meet to the best interests of all concerned."

The eight who joined in the session added that "college athletics conference cannot be expected to include all institutions in a given region."

The action was taken after the faculty representatives of the 12 member schools this morning had tabled a motion to divide the conference into a big six and a little six, and a few minutes later tabled another motion to create a big eight and little four.

The four schools remaining what has been the Rocky Mountain conference were Western State College of Gunnison, Colo., Colorado Teachers of Greeley, Colo., Colorado School of Mines of Golden, Colo., and Montana State College of Bozeman, Mont.

to come from Father O'Donnell. It was learned tonight from an authoritative source, however, that the official announcement of Notre Dame's new athletic policy would be made by Father O'Donnell at 8 o'clock tomorrow night.

Layden, who functioned with Harry Stuhldreier, the quarterback, Don Miller and Jimmy Crowley, halfbacks, as the quartet known as the "Four Horsemen" in Notre Dame's national championship drive in 1924, made a spectacular success as football coach at Duquesne university, Pittsburgh, this year, losing only one game out of nine, dropping a 7 to 0 contest to the University of Pittsburgh. Before going to Duquesne he coached with remarkable success at Columbia college, Dubuque, Ia.

## Kitts to Coach Rice Institute

HOUSTON, Tex., Dec. 8. (AP)—Jimmy Kitts today was named head football coach of Rice institute, with Jack Meagher released, effective at once.

Announcement was made today by J. T. McCants, chairman of the Rice committee on outdoor sports. Mr. McCants said Kitts would continue as head basketball coach.

GILL GRANGE SPEAKER SILVERTON, Ore., Dec. 8. — Ray W. Gill, master of the state grange, is to be the speaker at the Silvertown grange meeting Friday night Dec. 15. A short business session and a Christmas program for the children will be added features of the evening.

## DUNDEE KEEPS BOXING CROWN

Methodical Battle Waged To Thwart Title Hope Of Andy Callahan

BOSTON, Dec. 8. (AP)—Vince Dundee, crafty 29-year-old middleweight champion, fought a nicely paced battle in Boston Garden tonight to gain a divided decision over his first challenger, Stubby Andy Callahan, the Lawrence bulldog, and retain his title crown he won from Lou Brouillard in the same ring only five weeks ago.

With his staminate Jack Sharkey directing his attack, Callahan rushed the champion against the ropes and into corners, ripped hard rights and harder lefts to the head and body to pile up a wide lead before tiring in the ninth round.

Dundee calmly ignored Callahan's early success and waited until his smaller and lighter rival shot his bolt. Then he brought all of his sound ring skill into play to sweep every one of the last five rounds which, added to his fifth and sixth sessions, gave him a total of seven. Callahan was credited with six and the third and seventh appeared even.

Referee Jack Dekker of Springfield, and Judge Jim Carris, Belmont, voted for Dundee and the

## Husky Comes Late, Trojan Camp Jittery

LOS ANGELES, Dec. 8. (AP)—Coach Jimmy Phelan and his Washington football squad put in a delayed appearance here today to fill their Southern California opponents of the closing game of the season here tomorrow with apprehension.

Stanford's belated arrival on November 11 was followed by a 13 to 7 defeat, the only loss written on Troy's grid scroll this fall, and Trojan followers immediately began asking themselves if Washington's Huskies would repeat the performance.

Deferred train schedules brought about by the sinking of tracks in the case of Stanford, and a landslide in the case of Washington brought about the delays but superior football for 60 minutes gave the Indians their triumph and there were none here willing to say the Huskies were not capable of demonstrating the same brand.

Coach Phelan's squad, however, was not too late for luncheon and a light workout at the Memorial Coliseum while the game takes place tomorrow. The Huskies' coach said he will have "about 17

other official, Eddie McDonald of Brooklyn, who was inside the ring during the preliminaries, sided with Callahan.

## COACHES CONSIDER CHANGES IN RULES

CHICAGO, Dec. 8. (AP)—Bristling with new ideas and voting for them almost to the man, the big ten football coaches today asked for the return of the training table on a modified basis within their own conference and recommended three drastic changes in the playing rules to the national football rules committee.

The recommendations of rule changes to the national committee were:

Adoption of the rule in use in the national professional football league whereby forward passes may be thrown from any point behind the line of scrimmage.

Removal of the present collegiate rule whereby a ball is declared "dead" when any part of the ball carrier's body except his feet or hands touch the ground.

Reinstatement of an old "windy day" rule, used 25 years ago, providing that on an extremely windy day upon agreement of coaches and officials, the offensive team could exercise an option of surrendering the ball to its opponent at a spot 25 yards down the field, instead of punting. The rule would apply only when the offensive team was within 20 yards of its own goal.
