

### HI-Y CLUB HERE TO RESUME ACTIVITIES

Reorganization of the Hi-Y club, high school organization under the sponsorship of the Y. M. C. A., was completed Monday night at a dinner meeting in the Y. dining room. Until nine years ago the Hi-Y club at Salem high school was one of the most wide-awake societies there. Last year it was reorganized and has come partially active but the majority of its membership graduated in June.

Phil Brownell was elected president of the club; Coburn Grabenhorst, vice-president; Delbert Anderson, secretary; Harold Beal, treasurer.

Old members present last night included: Phil and Bob Brownell, Win Needham, Vera DeJardin and Joe Baker, last year's president. Others signing the charter are: Harold Beal, Coburn Grabenhorst, Stanley Knight, Delbert Anderson, Harold Hastings, Bertie Glasier, Otto Bahlborg and Allen McAllister.

Principal Fred Wolf, who with Gus Moore and Wesley Roeder will serve as an advisor, addressed the dinner meeting telling what places the Hi-Y club should fill in high school activities. Moore, boys' work secretary at the Y, spoke on the organization's relationship to the Y. M. C. A.

When the club was most active years ago an auxiliary organization of high school girls, numbering usually three or four in its membership, was known as "Hi-Y Hashers." Hashers for last night's dinner were Geneva Barnes, Mary Lois Driggs, president of the Home Economics club at the high school, and Josephine Hull.

**MISS HUBBARD BETTER**  
UNION, Dec. 12. — Miss Nancy Hubbard who has been very sick the last few days is reported on the road to recovery.

### Grangers' Column

**TURNER, Dec. 12.** — Surprise grange met Saturday with a number of visitors present. The men had charge of the dinner arrangements. W. A. Jones of Macleay grange gave a talk on Legislative bill and new laws created at the special session.

Mrs. Emily Van Santen and Joe Brown were elected to membership. It was decided to accept Stayton grange invitation to install their new officers Saturday, December 16.

Mrs. C. T. White will entertain a silver tea Thursday afternoon, December 14, which is sponsored by the Woman's Work club of the grange. It was also voted to hold a New Year's eve watch party at the grange hall. The juvenile grange met with good attendance at their room in the H. Webb home. Mrs. Fred Steiner is advisor.

**DAYTON, Dec. 12.** — Ninety members attended the grange dairy meeting at the Webfoot hall Saturday night. Speakers from Corvallis discussed the dairy situation in Oregon. Miss Clara Nye of Oregon State college home economics department, gave a short talk on dairy products and the importance of making them an important portion of the family daily meals. An 11 o'clock pot luck supper was served.

**STAYTON, Dec. 12.** — Several from this section attended the installation of officers of Morning Star grange, Saturday night. This grange which is one of the largest in the state is located between Albany and Jefferson. Mrs. Ellen G. Lambert, Stayton, was installing officer, assisted by her efficient staff composed of Miss Ella Williams, Mr. Leona Krenz, Mrs. Vera Scott, Mrs. Nellie Sandner, W. F. King and Mrs. Floyd Fox.

Her court, Mesdames George Scott, Philip Fischer, M. M. Gilmore, C. C. Jones, Orol Humphrey, W. M. Tate and Miss Thelma Humphrey, presented several beautiful tableaux. An interesting fact about this group is that

the first five are sisters. Saturday, December 16, Stayton grange will install officers and Mrs. Lambert and her staff may be seen here. It will be an all day session.

**MACLEAY, Dec. 12.** — A special meeting of the grange will be held Friday night to confer the first and second degrees on 15 new candidates including Viola Tooker, Hazel Magee, Mr. and Mrs. Clarence Johnson, Mr. and Mrs. Morris Cady, Mr. and Mrs. Ed Gilbert, Mr. and Mrs. Fred Gilbert, Lloyd and Mattie Keene, Lester Perry, Celia Perry, Mary Gottlin.

The degree work will be put on by the degree team from the Red Hills grange with music furnished by the Macleay quartet, composed of Mr. and Mrs. H. E. Martin and Mr. and Mrs. M. M. Magee. Mrs. W. H. Humphrey and Mrs. E. Tooker will have charge of refreshments.

### Homecoming Staged By Odd Fellows is Enjoyed by Crowds

**SILVERTON, Dec. 12.** — More than 200 attended the homecoming at the I. O. F. lodge at Silverton Saturday night. Special honor was accorded Dr. A. F. Blackerby for having been a member of the local order for 55 years, and to A. C. Steelhammer as the oldest member in years. The double birthdays of J. S. Starr and of Dr. L. L. Baker were also observed.

George Busch acted as chairman and announced the following program: group singing, led by Gred Baker with Mrs. F. J. Koubal at the piano; address of welcome to former members and visitors by Theodore Hobart; violin solo by Fred Baker; reading by George Gibson; euphonium solo by George Isrealson; vocal number and duo-song by Dr. Baker.

### DAYTON REBEKAHS SELECT OFFICERS

**DAYTON, Dec. 12.** — The Rebekah lodge entertained 35 members of the McMinnville lodge at the Dayton Odd Fellows temple Friday night. A short program of music and readings was given. Election of officers resulted: Noble grand, Mrs. Clark Foster; vice-grand, Miss Madalene Rossner; recording secretary, Mrs. Rex Peffer; financial secretary, Mrs. L. A. Rossner; treasurer, Mrs. W. S. U'Ren; installing officer, Mrs. Theodocia Magnus. Installation will be joint with the Newberg Rebekahs.

**Play is Success**  
A large attendance was had at the presentation of the Dayton union high school junior class play "Meet Uncle Sully," a three act comedy, written by Jay Tobias, at the Deveray hall Friday night. About \$10 was received from admissions. The cast of 12 included: Bill Hadley, Gray Selton, Marie Edwards, Lorabelle Mitchell, Roy Nelson, Norman Hill, Rosamond Grabenhorst, Virginia Stillwell, Lynn Duzan, Shirley Braat, Edward Clow and Maurice Stoutenberg.

### Polk Co. WCTU Holds Meeting At Independence

**INDEPENDENCE, Dec. 12.** — Features of the Polk county W. C. T. U. institute held here Friday at the Baptist church were addresses by Mrs. Mabel Reiber and awarding of silver and gold medals to Miss Turrell.

Mrs. H. W. Beal, wife of Dr. H. W. Beal, died at Pensacola, Fla., Tuesday morning at 9 o'clock, announcement being received here by her daughter, Mrs. Lyle Moor. Mrs. Beal's death occurred at the home of Dr. Beal's brother near Pensacola, where the Beals had been staying. The Beals

left here in August for Florida, hoping that the climatic change might be beneficial. A son of Mrs. Beal, Dr. Maurice J. Beal, lives in Portland.

### 4-H'ERS PLANNING CHRISTMAS PARTY

**TURNER, Dec. 12.** — Members of the Busy Five 4-H Sewing club and their leader, Miss LaVerna Whitehead, met in a special meeting at the schoolhouse. Plans were discussed for a Christmas party to be given December 18, jointly with the "Ten Willing Cooks" club and their leader, Mrs. Ina Riches. Betty Van Santen, Wilma Larson and Ruth Bones will plan games for the social hour.

**CLOVERDALE, Dec. 12.** — The newly organized 4-H Sewing club met at the home of Mrs. T. Schifferer Saturday afternoon. The club has chosen the name "Jolly Eight." Mrs. Schifferer was chosen as leader. Members of the class are Margaret Schifferer, Gladys Fisher, Vioma Taylor, Rose Davis, Edith Schifferer, Patricia Shoen and Gertrude Cook.

### Annual Bazaar of Christian Church Will be Saturday

## about the New Ford V-8 for 1934

Greater power at still lower cost through new Dual Carburetion—Increased motoring comfort because of simplified Clear-vision Ventilation—Easier riding through more flexible springs, deeper seat cushions and softer cushion springs—Distinctive new appearance—Many other features

**1 More Miles Per Gallon—More Power, Speed and Efficiency with Dual Carburetion—Greater Oil Economy**

The performance and economy of the 1933 Ford V-8 have been the talk of thousands of motorists. Owners said: "Leave it alone, don't change it." Dealers said: "Impossible to improve it!" But we have improved it—in every direction. We started with the engine. The Ford V-8 for 1934 is more powerful, more efficient, easier to start in cold weather, yet it is the most economical Ford to operate ever built—largely because of the new Dual Carburetor and Dual Intake Manifold. Furthermore, even in the coldest weather the V-8 engine warms up quickly and maintains an efficient operating temperature because of new thermostats in the waterline.

Added engine refinements—get the details about all of them from the nearest Ford dealer—reduce oil consumption and further reduce operating and maintenance costs.

**2 Clear-vision Ventilation—and the Windshield Opens**

There's nothing to obstruct the view in the new Ford system of Clear-vision Ventilation. It's built-in—simplicity itself. The same handle that raises the window glass also slides it back horizontally to the ventilating position, and then the forward motion of the car draws the air out of the body. Drafts are eliminated, passenger comfort is assured, and windshield will not fog in cold weather. Another interesting feature of the Ford system—the windshield can be opened! This, and the cowl ventilator, provide the additional air needed for hot-weather comfort.

**3 Greater Beauty—New Radiator Shell and Grille—Fenders in Color**

A car to be proud of, the Ford V-8 for 1934 has newly designed chromium-plated radiator shell and grille, and other distinctive features. Interiors are more attractive, with new tufted upholstery,

new mouldings, new cove-type headlining, new instrument panel, new arm rests and new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.

Fenders on all De Luxe cars are in color to harmonize with body colors—wheel colors optional. New enamel finish on all bodies and fenders has greater wearing quality and more enduring luster.

**4 Transverse Springs—Comfort with Stability and Safety**

Ford transverse springs provide the utmost stability and safety. Placed crosswise, they tend to prevent the body from tilting on uneven roads, and turns can be taken safely at relatively high speeds. Free and easy action of all four wheels is permitted because the outer flexible tips of the springs are attached to the axles. Thus the most sensitive parts of the springs receive road shocks first and absorb them before they reach the body. The advantages of the solid axle are retained.
