Initial Benefit of Series Slated At Salem

A benefit bridge party of statewide interest will be given Tuesday, January 2, at the Elks club by Mrs. William H. Quinn and Miss Betty Harrell. Proceeds from the affair will go to the Oregon branch of the American society for the Control of Cancer. The Elks lodge is donating the use of its temple for the benefit.

This will be the first of a series of benefits to be given by bridge instructors and prominent matrons throughout the state for the same society.

The Oregon branch of the cancer control society, with representative doctors in every part of the state and some non-professional people as officers and directors, has been organized but recently. Dr. L. Earl Elise of Portland is chairman of the educational board, Arthur M. Geary, Portland attorney, is president of the society, and Dr. William B. Morse of Salem is on the board of directors. The national work is financed by great foundations and wealthy people in the east. State societies are financed by five dollar annual memberships and through benefit entertainments.

Educational work has already been started through state, county and civic channels, such as distribution of literature at state and county fairs and special programs.

Falls City — Members of the local Christian Endeavor society enjoyed a party given at the Christian church Saturday night. Mr. and Mrs. Walter Peterson were in charge of the entertainment. Men of the McCormick class of the First Methodist church will entertain the ladies of the class Wednesday night, December 20, with their annual surprise Christmas party. Not even the place for the affair has been divulged by the committee of Harold MacMillan, Harry W. Scott and Dr. Frank Boight.

The Rotarians and Women of Rotary will give a Christmas party honoring Boy Scout troop No. 1 Friday night at the Leslie school at 8 p. m.

Pattern

1722

By ANNE ADAMS
There are so many ways of making the neckline of your new afternoon frock becoming — but we think this one the darling of them all! Here a deep V vestee with a high cowl neckline lends a striking note of contrast against the dark, rich monotone of the frock. Three artificial flowers worn under the chin add an irresistible touch of chic. The new drop shoulder line is deftly asserted, and tucked sleeves achieve moderate fullness; hips are infinitely slimmed with smart skirt panels. You'll love it of satin, velvet, faille or moosey crepe, using bengaline, lame or satin for contrast.

Pattern 1722 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 1/2 yards 39 inch fabric and 1/2 yard contrasting. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and city and state. Be sure to state size.

The winter edition of the Anne Adams pattern book will help you save money. Order your copy today! Price of catalog and pattern together, twenty-five cents.
