Fraternities Plan Varied Parties Saturday

Saturday night will mark the formal and informal entertainments given each term by fraternities of Willamette university. Sigma Tau will be hosts for a formal dinner at the Marion hotel at 7:30 o'clock. A ship motif will be carried out with a large plaque of the fraternity ship unsharpened above the toastmaster and small models on the table. Cedar garlands will be festooned along the walls glistening with silver "fichelles." Blue flood lights will play on the walls and on the table decorations.

Prof. and Mrs. E. S. Oliver are patrons for the affair. Following the dinner the house quartet will serenade. Frank Haley is in charge of arrangements. Pattern

When sister begins to wonder about "what to wear" it's time to start her making her own clothes—showing her how to tastefully select the patterns and fabrics. We had these youthful beginners in mind when we designed this cunning frock—the clear, detailed, illustrated sewing lesson given with the pattern makes sewing such great fun! The smart seamings and neckline are edged with gay binding to match the pet bow, and the sleeves are so adorable! Cottons are first, jersey second choice—they're easy to work with and practical to wear.

Pattern 1723 is available in sizes 8, 10, 12, 14 and 16. Size 10 takes 2 3/4 yards 36 inch fabric, 3/4 yards binding and 1/4 yard ribbon.
